High Tide At Gettysburg:

High Tide At Gettysburg: The Campaign In Pennsylvania Glenn Tucker, 2015-11-06 Gettysburg had everything Henry S Commager recently wrote It was the greatest battle ever fought on our continent it boasts more heroic chapters than any other one battle It was the high tide of the Confederacy This is the way Glenn Tucker has always seen it and this is the way he reports it in High Tide at Gettysburg The story of Gettysburg has never been told better perhaps never so well as in this volume Glenn Tucker has the immediacy of a war correspondent on the spot along with the insights that come from painstaking research The armies live again in his pages In his big generous book Glenn Tucker has room to follow Lee s army up from Chancellorsville across Maryland into Pennsylvania With Jackson recently killed Lee had revamped his top command When Meade s men caught up with the Confederates and the two armies were probing to locate each other s concentrations Mr Tucker s account becomes sharper more dramatic His rapidly moving vivid narrative of the three day battle is filled with fascinating episodes and fresh stimulating appraisals Glenn Tucker is akin to Ernie Pyle in his interest in people With him you meet Harry King Burgwyn boy colonel of the 26th North Carolina just turned twenty one who slugged it out with Col Henry A Morrow of the 24th Michigan until few survived on either side You feel the patriotic surge of white haired William Barksdale who led his Mississippians on the grandest charge of the war and died as he broke the Federal line You sense the magnetism of Hancock the Superb and feel the driving power of rugged Uncle John Sedgwick as he hurried his big VI Corps to the battlefield With Old Man Greene you struggle in the darkness to save the Culp s Hill trenches And much more Mr Tucker weaves in many sharp thumbnail biographical sketches without slowing the action Many North Carolinians previously slighted here receive their due Full dramatic immediate here is Gettysburg High Tide at Gettysburg Glenn

Altsheler,2002-10 The Star of Gettysburg Joseph Alexander Altsheler,1936 *Lee and Longstreet at High Tide* Helen Dortch Longstreet,1969 The Gallant Dead Derek Smith,2005-04-21 Covers the deaths of 124 generals including Stonewall Jackson Albert Sidney Johnston Jeb Stuart James B McPherson John Reynolds and numerous others Gettysburg's Southern Front Hampton Newsome,2022-10-03 On June 14 1863 US Major General John Adams Dix received the following directive from General in Chief Henry Halleck All your available force should be concentrated to threaten Richmond by seizing and destroying their railroad bridges over the South and North Anna Rivers and do them all the damage possible With General Robert E Lee and the Army of Northern Virginia marching toward Gettysburg and only a limited Confederate force guarding Richmond Halleck sensed a rare opportunity for the Union cause In response Dix who had lived a life of considerable public service but possessed limited military experience gathered his men and began a slow advance During the ensuing operation 20 000 US troops would threaten the Confederate capital and seek to cut the railroads supplying Lee s army in Pennsylvania To some Dix s campaign presented a tremendous chance for US forces to strike hard at Richmond while Lee was off in Pennsylvania To others it was an unnecessary lark that tied up units deployed more effectively in protecting Washington and confronting Lee s men on Northern soil In this study Newsome offers an in depth look into this little known Federal advance against Richmond during the Gettysburg Campaign

The first full length examination of Dix's venture this volume not only delves into the military operations at the time but also addresses concurrent issues related to diplomacy US war policy and the involvement of enslaved people in the Federal offensive Gettysburg's Southern Front also points to the often unrecognized value in examining events of the US Civil War beyond the larger famous battles and campaigns At the time political and military leaders on both sides carefully weighed Dix's efforts at Richmond and understood that the offensive had the potential to generate dramatic results In fact this piece of the Gettysburg Campaign may rank as one of the Union war effort's more compelling lost opportunities in the East one that could have changed the course of the conflict
