collection of short messages spoken by Brother Lee at different times and in different places throughout the United States
between 1969 and 1972 concerning migration These messages emphasize the twofold need in the Lord s recovery in this
country to build up a strong large and adequate testimony in a metropolitan city as a center and from such a center to spread
the church life to the strategic cities throughout the whole country Following this are six messages from the Crystallization
study of the Epistle to the Hebrews which were given in the Living Stream Ministry s Summer Training of 1998 The major
crystals presented during this time of training can be expressed in the following statements The believers in Christ should be

the Captain of salvation is leading God s many sons into glory the corporate expression of God by saving them organically
through sanctification Christ our High Priest ministers to us whatever we need dispensing Himself into us as our supply for
the fulfillment of God s eternal purpose and we need to be brought on to maturity pursuing toward the fullest enjoyment and
gaining of Christ for the uttermost enjoyment of Christ in the millennial kingdom Lastly we include a number of letters of
appreciation concerning The Stream magazine in the Spanish language El Manantial Due to necessary adjustments in the
