Highways and Byways in Dorset (Classic Reprint) Frederick Treves, 2015-08-05 Excerpt from Highways and Byways in Dorset The county of Dorset is small but is yet so varied in its configuration as to present an epitome of the scenery of Southern England It is a land of moods and changes that knows no monotony and is indeed so full of hills and dales that there is scarcely a level road within its confines save by the banks of streams It is crossed by a range of chalk downs whose lonely heights are worn smooth by the wind and are traversed only by shepherds and their sheep To the East is the Great Heath a wild sandy fragment of unchanged Britain which is still just as it was when the Celts first wandered over the island To the North lie the glorious woods of Cranborne Chase and the enchanting Vale of Blackmore that valley of the Blue Mist in whose soft shadows will be found the very heart of England About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **HIGHWAYS AND BYWAYS IN DORSET**
