A Gift from the Holy Spirit Calvin Brown,2012-05 Have you ever thought about what the Holy Spirit s purpose in the life of a Christian is Is the Holy Spirit just meant for speaking in tongues or is there more When we accept Jesus as Lord our lives change dramatically On our journey of faith we discover many new and exciting truths about the way we are to live according to the Word of God We also discover all the different doctrines that determine the core principles of the many unique denominations But in the end whose doctrine is correct This book is about my personal journey with God concerning the greater purposes and functions of the Holy Spirit in us Jesus gave us His Holy Spirit as a token and promise of His glorious return one day He is in us teaching leading guiding and comforting daily Join me on my adventure with God as over the years I discovered the many ways His Holy Spirit could fill and impact all of our lives His wisdom and ability always surpass anything we can do on our own

The Gifts of the Spirit Jack W. MacGorman,1974 Trying to maintain a sound balance in discussing tongues speaking or glossolalia has not been easy for many people in recent years Feelings have run strong on both sides But Dr MacGorman shows that the longest passage on the subject in the New Testament offers a strong guidance for dealing with the problem in the Christian spirit

In Search For The Gift Of The Holy Spirit Gaylon West,2016-07-24 Not only is Acts 2 38 a controversial text because of the mention of baptism for the remission of sin but also because of the second independent clause The audience asks What shall we do Peter answers in two clauses The second is You shall receive the gift of the Holy Spirit What does that mean West has taken a fresh look at the many passages dealing with the Holy Spirit He revisits Acts 5 32 where much misunderstanding has arisen West deals with the English and Greek grammar in the passages in the context of the entire Bible The major views of the gift of the Holy Spirit are dealt with 1 the gift is salvation 2 the gift is supernatural signs 3 the expression is metaphorical 4 the gift is the Spirit Himself Major problems that influence beliefs are a learned scholars use their theology instead of their scholarship b the grammar is treated as a complex sentence instead of a compound one and c passages such as Acts 5 29 32 are misused to prove what the gift is
