Holy Terror Andy Warhol Close Up:

Holy Terror Bob Colacello, 2014-03-11 In the 1960s Andy Warhol's paintings redefined modern art His films provoked heated controversy and his Factory was a hangout for the avant garde In the 1970s after Valerie Solanas's attempt on his life Warhol became more entrepreneurial aligning himself with the rich and famous Bob Colacello the editor of Warhol's Interview magazine spent that decade by Andy's side as employee collaborator wingman and confidante In these pages Colacello takes us there with Andy into the Factory office into Studio 54 into wild celebrity studded parties and into the early morning phone calls where the mysterious artist was at his most honest and vulnerable Colacello gives us as no one else can a riveting portrait of this extraordinary man brilliant controlling shy insecure and immeasurably influential When Holy Terror was first published in 1990 it was hailed as the best of the Warhol accounts Now some two decades later this portrayal retains its hold on readers as does Andy's timeless power to fascinate galvanize and move us [Holy Terror. De Salvo, Jessica Beck (Art museum curator), 2018-01-01 A unique 360 degree view of an incomparable 20th century American artist One of the most emulated and significant figures in modern art Andy Warhol 1928 1987 rose to fame in the 1960s with his iconic Pop pieces Warhol expanded the boundaries by which art is defined and created groundbreaking work in a diverse array of media that includes paintings sculptures prints photographs films and installations This ambitious book is the first to examine Warhol's work in its entirety It builds on a wealth of new research and materials that have come to light in recent decades and offers a rare and much needed comprehensive look at the full scope of Warhol's production from his commercial illustrations of the 1950s through his monumental paintings of the 1980s Donna De Salvo explores how Warhol's work engages with notions of public and private the redefinition of media and the role of abstraction while a series of incisive and eye opening essays by eminent scholars and contemporary artists touch on a broad range of topics such as Warhol's response to the AIDS epidemic his international influence and how his work relates to constructs of self image seen in social media today **Gay and Lesbian**

Studies in Art History Whitney Davis, 2013-11-19 Find original research and interpretive studies of the relations between homosexuality and the visual arts Evidence for the role of homosexuality in artistic creation has often not survived in part because the direct expression of homosexuality has often been condemned in Western societies Gay and Lesbian Studies in Art History presents examples of contemporary art historical research on homoeroticism and homosexuality in the visual arts chiefly painting and sculpture of the Western tradition from the ancient to the modern periods Chapters explore the dynamic interrelation of sexuality and visual art and emphasize problems of historical evidence and interpretation and the need to reconstruct social and cultural realities sometimes quite different from our own Gay and Lesbian Studies in Art History addresses contemporary art historians interest in studying sexuality in the visual arts examining such questions as What are some of the present day reasons for and problems of this research How is it related to other research areas within art history

and to wider public debates about the meaning value and propriety of works of art While the book examines a variety of research problems and theoretical perspectives most chapters focus on the historical interpretation of a particular work of art artist or visual convention Chapters present new documentation of the importance of homosexuality in the production and reception of artworks in the Western tradition develop models for approaching the question of how sexuality and visual creation are related and explore researchers experiences and obligations in working in the area of gay and lesbian studies in art history today Contributing authors stress problems of historical evidence and reconstruction the social and cultural construction of homosexuality and the active role of visual conventions in shaping perceptions of homosexuals homosexuality and homosexual desire They discuss both the biography of artists and the significance of individual works of art and the social reception and circulation of works of art in the context of wider religious legal medical political and economic relations The book may revise readers beliefs about the significance and value of a number of works of art hitherto forgotten neglected under appreciated or misinterpreted Gay and Lesbian Studies in Art History is an enlightening and informative book for art historians museum professionals scholars in the field of lesbian and gay studies and art history students and professors

Films that Spill Marie Sophie Beckmann, 2025 Films That Spill takes up a previously understudied moment in 1980s underground culture in New York City called Cinema of Transgression offering both a microhistory of the intermingling art music performance and film scenes of the time and a glimpse into their afterlives Snapshot Photography Catherine Zuromskis, 2021-08-24 An examination of the contradictions within a form of expression that is both public and private specific and abstract conventional and countercultural Snapshots capture everyday occasions Taken by amateur photographers with simple point and shoot cameras snapshots often commemorate something that is private and personal yet they also reflect widely held cultural conventions The poses may be formulaic but a photograph of loved ones can evoke a deep affective response In Snapshot Photography Catherine Zuromskis examines the development of a form of visual expression that is both public and private Scholars of art and culture tend to discount snapshot photography it is too ubiquitous too unremarkable too personal Zuromskis argues for its significance Snapshot photographers she contends are not so much creating spontaneous records of their lives as they are participating in a prescriptive cultural ritual A snapshot is not only a record of interpersonal intimacy but also a means of linking private symbols of domestic harmony to public ideas of social conformity Through a series of case studies Zuromskis explores the social life of snapshot photography in the United States in the latter half of the twentieth century She examines the treatment of snapshot photography in the 2002 film One Hour Photo and in the television crime drama Law and Order Special Victims Unit the growing interest of collectors and museum curators in vintage snapshots and the snapshot aesthetic of Andy Warhol and Nan Goldin She finds that Warhol's photographs of the Factory community and Goldin's intense and intimate photographs of friends and family use the conventions of the snapshot to celebrate an alternate version of family values In today's digital age snapshot photography has

become even more ubiquitous and ephemeral and significantly more public But buried within snapshot photography's mythic construction Zuromskis argues is a site of democratic possibility *Scansion in Psychoanalysis and Art* Vanessa Sinclair, 2020-11-16 *Scansion in Psychoanalysis and Art* examines a strain of artists spanning more than a century beginning at the dawn of photography and culminating in the discussion of contemporary artists to illustrate various psychoanalytic concepts by examining artists working in a multitude of media Drawing on the theories of Sigmund Freud who applied psychoanalytic methods to art and literature to decipher the meaning and intention of the creator as well as Jacques Lacan's dissemination of scansion as a powerful disruption of narrative the book explores examples of the long and rich relationship between psychoanalysis and the fine arts Whilst guiding readers through the different artists and their artforms from painting and music to poetry collage photography film performance art technology and body modification Sinclair interrogates scansion as a generative process often inherent of the act of creation itself This is an intriguing book for psychoanalysts psychologists and creative arts therapists who wish to explore the generative potential of scansion and the relationship between psychoanalysis and the arts as well as for artists and art historians interested in a psychoanalytic view of these processes *Mapplethorpe* Patricia Morrisroe, 2016-03-16 With Robert Mapplethorpe's full endorsement and encouragement Morrisroe interviewed more than three hundred friends lovers family members and critics to form this definitive biography of America's most censored and celebrated photographer Eventually I found several hundred people who knew Robert Mapplethorpe in all his various incarnations Catholic schoolboy ROTC cadet hippie sexual explorer celebrated artist and famous AIDS victim Their stories helped animate his pictures and bring his visual diary to life What I discovered wasn't one Perfect Moment but a series of moments some pure some blemished but all emblematic of the paradoxical times in which he lived Patricia Morrisroe from the Introduction NOTE This edition does not include photographs [On Speed](#) Nicolas Rasmussen, 2009-11 *Medicine* *Trans America* Barry Reay, 2020-05-07 Trans seems to be everywhere in American culture Yet there is little understanding of how this came about Are people aware that there were earlier periods of gender flexibility and contestability in American history How well known is it that a previous period of trans visibility in the 1960s and early 1970s faced a vehement backlash right at the time that trans in the form of what was then termed transvestism and transsexuality seemed to be so ascendant Was there transness before transsexuality was named in the 1950s and transgender emerged in the 1990s Barry Reay explores this history from a time before trans in the nineteenth century to the transsexual moment of the 1960s and 1970s the transgender turn of the 1990s and the so called tipping point of current culture It is a rich and varied history where same sex desires and identities cross dressing and transsexual and transgender identities jostled for recognition It is a history that is not at all flattering to US psychiatric and surgical practices Arguing for the complexity of a trans past and present *Trans America* will be a groundbreaking work for the trans community as well as anyone interested in the history of medicine sexuality psychology and psychiatry *Pissing Figures 1280-2014* Jean-Claude

Lebensztein,2017-08-22 Jean Claude Lebensztein s history of the urinating figure in art Pissing Figures 1280 2014 is at once a scholarly inquiry into an important visual motif and a ribald statement on transgression and limits in works of art in general Lebensztein is one of France s best kept secrets A world class art historian who has lectured and taught at major universities in the United States his work has remained almost entirely in French his American audience limited to a small but dedicated group of cognoscenti First introducing the Manneken Pis the iconic little boy whose stream of urine supplies water to this famous fountain and is also the logo for a Belgian beer company the author takes the reader through a semi scatological maze of cultural history The earliest example is a fresco scene located directly above Cimabue s Crucifixion from around 1280 at the Basilica of Saint Francis of Assisi in which Lebensztein s careful eye locates an angel behind a pillar who looks like he is about to urinate through a hole in his garment He continues to navigate expertly through cultural twists and turns stopping to discuss Pier Paolo Pasolini s 1968 film Teorema for example and Marlene Dumas s 1996 1997 homage to Rembrandt s pissing woman At every moment Lebensztein s prose is lively his thinking dynamic and his subject matter entertaining In this short and poignant cultural history readers not only find the care for detail that has made Lebensztein into one of the greatest European art historians but also the rebelliousness that makes him one of the most interesting intellectuals of our time The first widely distributed book of Lebensztein s in English Pissing Figures 1280 2014 is simultaneously published in France by ditions Macula
