Holy Trinity:

Holy Trinity, Perfect Community Leonardo Boff, 2000 Why be concerned with the Trinity What does it mean to say I believe in the Father the Son and the Holy Spirit In this accessible work Leonardo Boff takes up the ancient doctrine of the Trinity showing its meaning and relevance for Christian faith today In a series of short chapters Boff unpacks the mysteries of the Trinity spelling out the difference it makes to believe that God is communion rather than solitude Instead of an image of God as solitary ruler standing aloof above a static universe belief in the Trinity means that at the root of everything there is movement there is an eternal process of life of outward movement and love While comprehensive in his treatment of the theological and anthropological dimensions of the Trinity Boff is especially interested in the social implications In the Trinity we find a program of liberation to the infinite degree difference and distinction equality and perfect communion The Holy Trinity is among other things the image of the perfect community At the same time in the Trinity we find the best image of the church not a hierarchy of power but a community of diverse gifts and functions Thus comprehension of the Trinity in which God comes out to meet us in the full realization of our yearnings empowers our efforts for a better world and a more faithful church Book jacket Jacket

The Holy Trinity Robert L. Shepherd, 2022-01-23 This book entitled THE HOLY TRINITY is a book I started writing on the last Sunday of 2021 after awakening from a dream In that dream I was constantly attempting to create and produce something perfect as I was being given proscribed and repetitive instructions But in the dream I could never produce the article I was repeatedly being given instructions and ingredients to create The moment I became fully aware that I had awakened from sleep I got up and went to my computer and started typing this book entitled The Holy Trinity God the Father God the Son and God the Holy Ghost the Eternal Pre and Post Existing ONE I would have never endeavored to write this book especially after having heard Bishop T D Jake once proclaim something like this while preaching a sermon No one can describe the Holy Trinity A person would lose his mind attempting to do this I will begin with prayer as I start Chapter One praying and asking God to give me supernatural wisdom and understanding to be the one TO DO JUST THAT

The Mystery of the Holy Trinity

in Oldest Judaism Frank McGloin,1916 **Holy Trinity: Holy People** Thomas A. Noble,2013-02-19 Teaching on the sanctification of Christians using the difficult word perfection has been part of Christian spirituality through the centuries The Fathers spoke of it and Augustine particularly contributed his penetrating analysis of human motivation in terms of love Medieval theologians such as Bernard and Thomas Aquinas developed the tradition and wrote of levels or degrees of perfection in love However the doctrine has not fared so well among Protestants John Wesley was the one major Protestant leader who tried to blend this ancient tradition of Christian perfection with the Reformation proclamation of justification by grace through faith This book seeks to develop Wesley s synthesis of patristic and Reformation theology in order to consider how Christian perfection can be expressed in a more nuanced way in today s culture Noble examines what basis may be found for Wesley s understanding of sanctification in the central doctrines of the church particularly the atonement the doctrine of Christ and the most comprehensive of all Christian doctrines the doctrine of the Holy Trinity What he sets out is a fully trinitarian theology of holiness **The Holy Trinity: Understanding God's Life** Stephen R Holmes,2011-09-01 Stephen Holmes offers the reader a clear and thorough examination of the doctrine of Testament to the present day Taking the late twentieth century revival of the doctrine of the Trinity as a context doctrine from the biblical text to the present day The book traces the exegetical and philosophical debates that led to the settling of the ecumenical doctrine of the Trinity in the fourth century and then explores how this doctrine was developed questioned and received throughout history *The Holy Trinity* Louis George Mylne,1916 **Lectures on the Doctrine of the Holy Trinity** Edward ANDREWS (LL.D.),1822

The holy Trinity in unity, as inquired into first, through the works of God, and secondly, as revealed by the holy Scriptures Holy trinity,1845 A Biography of the Holy Trinity and Man Markus E. Adams,2009 If you re like most people you have questions about God that are difficult to find answers for But there are answers to some of these and other intriguing and sometimes troubling questions about life inside this book in easy to understand language This book is designed to lessen some of the mystery of God God wants us to know more about Him and His plans for us God wants us to know about His Son Christ Jesus and exactly what He did for us then and what He does for us now God wants us to know about His power the Holy Spirit and what He does God wants us to understand how we are viewed by Him and how we fit into His overall plans He wants us to see ourselves the condition that we have and the position that we are in God wants us to understand that there must be a faithful and productive relationship between Him and us if we are to please Him And we must have a solid understanding of how that relationship itself works It is extremely important that we know what sin is and how it affects our relationship with Him He wants and expects us to know all these things God has never wanted to remain a total mystery to us because we cannot serve Him if He is a total mystery Therefore this book explains to the undecided enlightens the newly converted and reinforces for those already born again the necessity of understanding the relationship between God and themselves Also you will come to know that there are choices that must be made that only you can make

But they will not be as difficult to make once you have a better understanding of the relationship between God and man

The Enigma of the Holy Trinity Tommy C. Seay Sr., 2016-03-22 The Enigma of the Holy Trinity Unveiling Gods Presence in the Bible is a book that will stir up the pure minds of every believer in Christ Jesus In this methodically written work the students of the Word are carefully and systematically guided step by step through the Bible It clearly shows from the youngest to the most mature Christians how to identify the manifold manifestations and acts of the Holy Trinity throughout the scriptures The Sacramento Book Review says Seays book is thorough And for certain Christians who are ready for intense Bible study in this tradition this book may offer new insights into familiar stories My God Is a Trinity Jerry Kofi Tutu, 2015-08-23 Lack of understanding of the concept of the Holy Trinity has plagued the church of Jesus Christ for more than two thousand years But this doctrine is not difficult to understand when we restrict ourselves solely to the sayings of our Lord Jesus Christ the author and finisher of our faith Although the bible does not mention the word Trinity in all the books however there is a word mentioned in the bible that confirms the doctrine of the Holy Trinity This word reveals the plurality in unity of the divine nature of God The word Godhead appeared 3 times in the New Testament and an in depth study of this word unveils the concept of the Holy Trinity It was translated from the Greek word THEIOS which is translated in Thayer s Greek English Lexicon of the New Testament as the Holy Trinity comprising the Father Jesus Christ and the Holy Spirit So the bible do indeed mention the Holy Trinity but by a different name As a former Muslim the subject of the Holy Trinity became a major stumbling block in my early Christian walk and therefore I devoted almost two decades of my life seeking for answers to this elusive Christian doctrine Progressively the Lord gradually revealed this concept to me in a very easy to understand manner So in this book you will find answers to some of the questions that most of us ask in our quest to understand the Holy Trinity For example is Jesus Christ the same as God Or is Jesus Christ the only Begotten Son of God What did Jesus imply when He said I and the Father are one Was He denying the Holy Spirit as part of the trinity since He didn t say I the Father and the Holy Spirit are one but instead He left out the Holy Spirit and said I and the Father are one These and many other probing questions would be answered based on the sayings of our Lord Jesus Christ Moreover did Christendom borrow the doctrine of the trinity from pagan religions in antiquity at the Council of Catholic Bishops at Nicaea in the fourth century AD Or did the council of Nicaea echo a truth recorded in the bible from the beginning of time The Holy Scriptures clearly unveils God to the reader without any ambiguity but human interpretations had confused this doctrine thus making it difficult to understand The bible does not address the Holy Trinity as God the Father God the Son and God the Holy Spirit Instead the bible addresses the Holy Trinity as God the Father the Son of God and the Holy Spirit of God So what is the difference between these two descriptions Through the pages of this book you will find answers to these and many other probing questions Jesus Christ in the Gospels answered all these questions **What is the Trinity?** Ralph O. Muncaster, 2001 This survey from the Examine the Evidence series spells out what God s Word says about the relationship

between the Father Son and Holy Spirit and the practical results this truth has in our lives
