middle class but also the birth of a culture that remains vital today Throughout Schnitzler s Century he does justice to the complexity of the era showing that there was superstition as well as science cruelty as well as humanity anxiety as well as Eros But digging deep into bourgeois life all the way from Philadelphia to Moscow London to Rome he has recognized a general Victorian style through the Western world however colored each country was by characteristic local habits Schnitzler s Century is not revision for its own sake but for the sake of the truth about the past With the daring Viennese playwright Arthur Schnitzler as his companion Gay provides startling perspectives on once familiar subjects Schnitzler s Century provides astonishing insights into an age that made us largely what we are today BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved
