Home to Roost Tessa Hainsworth, 2012-04-12 _____ What s it really like to give it all up and follow your dream The follow up to *Up With the Larks* and the second volume in the heartwarming laugh out loud true story of Tessa who moved from the London rat race to become a postie in rural Cornwall Tessa and her husband are delighted when a new young couple arrive in the village fresh from the city just as they once did However what looks such a promising new friendship turns to a nightmare as these are people who think money can buy them acceptance and the village is soon in quiet revolt Tessa finds herself in the thick of it and realises that she has grown very strong roots in the community in the two years she has been in Cornwall Like so many in the country she has to think about turning her house into a source of income in the summer months Having finally got the place up to scratch she and her family are wondering whether to camp for a couple of months when they are asked to take over a B B owned by friends of friends Tessa is bubbly outgoing but quite inexperienced at being a landlady She muddles through only with the generous help of the customers on her postal round _____

Written with her usual warmth and good humour Tessa Hainsworth enchants us again with her stories of life as a newcomer to deep Cornwall and makes us dwell on the true value and meaning of home **Modern**

Interiors Andrea Goldsmith, 2018-11-01 *Modern Interiors* rummages around in the back rooms and passageways of the family When her husband dies Philippa Finemore formerly a pillar of the Establishment is determined to broaden her life She sells the family mansion acquires a lover and new friends and devises new plans for the family money Her adult children rather than welcoming her new direction are unrestrained in their condemnation of what they perceive as gross irresponsibility and personal betrayal **Losing Her Crown** Tywana Ashley, 2024-10-07 Melanie was a sweet kind soul who

hungered for the attention of her father The one sided relationship resulted in her accepting relationships from men she should have never entertained Melanie always went with the flow of things never having a voice of her own The father inflicted verbal abuse on Melanie and her sister Rita from childhood to adulthood Their mother Lashon suffered verbal along with physical abuse from the hands of the man who claimed to love her and their children Melanie and Rita s mother Lashon was the only source of love and compassion in their lives Melanie fell into the footsteps of her mother and lost herself and married a man who proved to have abandonment issues and who s interest was to control her Jonathan shaped and molded Melanie to his liking The two would conceive two children Jonathan Jr and Cataleya Melanie s soul was appeased when she finally reconnected with her long lost friend Chelsea as she was the only person who knew Melanie s hell on earth as a teenage girl **The Fire House** Michael William Molden, 2006-04 The *Fire House* is a work of fiction that must be made clear from the beginning It is ghost story in the traditional sense of the word and yes it centres on a haunted house However what makes this story so chillingly unique is the fact that it is based on actual events Those events took place back in 1979 and for several dark months they brought utter devastation to an unassuming young family whose dreams and prospects of a perfect

life were terrifyingly shattered I make no secret of the fact that I have had a life long interest in supernatural phenomena and during thirty years of open minded research I have met many interesting and enigmatic people none more so than the man I have characterised in The Fire House as Markos He was a spiritualist medium and his gift as he called it was in my opinion truly miraculous He shared his gift freely with others and he brought lasting peace to countless ordinary folk It was my good fortune to meet him in 1984 and I suppose it was inevitable that our shared interests would ensure that we soon became firm friends Markos passed over into the spirit world he so often communicated with seven years ago and his passing left a void in my life that will never be filled The Fire House is my tiny homage to him and others like him throughout the world who open themselves up to the derision of sceptics and selflessly use their gifts to bring comfort and hope to the hearts and minds of troubled people The facts behind the ghost story you are about to read proved to me beyond any reasonable doubt that just as there are angels there are also such things as malevolent spirits and of their evil powers we have no real comprehension until now
