 Richard Ronald, Marja Elsinga, 2012-03-12 In context of ongoing transformations in housing markets and socioeconomic conditions this book focuses on past current and future roles of home ownership in social policies and welfare practices It considers owner occupied housing in terms of diverse meanings and manifestations but in particular the part played by housing tenure in the political socioeconomic and demographic changes that have characterized the pre and post crisis era The intensified promotion of home ownership in recent decades helped stimulate an increasing orientation towards the private consumption of housing not only as a home but also an asset or possibly speculative vehicle that enhances household economic capacity and can be transferred to children or other family or even exchanged for other goods The latest global financial crisis however made it clear that owner occupied housing markets and mortgage sectors have become deeply embedded in networks of socioeconomic interdependency and risk This collection engages with numerous debates on housing and society in a range of developed societies from North America to Asia Pacific to North South East and West Europe Interdisciplinary contributors draw upon diverse empirical data to explore how housing and home ownership has become so embedded in polity economy and household welfare conditions in various social and cultural contexts Another concern is what lies beyond home ownership considering the integration of housing systems with economic growth and social stability appears to be unravelling This volume speaks to public debates concerning the future of housing markets policy and tenure providing deep and provocative insights for academics students and professionals alike **Home Ownership** J. F. Doling, 2010 Provides an overview of the effects of home ownership This book refers to processes in the development of the homeownership stock including problems of access which in turn implies issues of affordability the viability of financial institutions and subsidies It also provides an overview of the research results in this field **Home Sweet Home - Home Maintenance Journal** Helena's Household Planners, 2019-07-30 Home Maintenance and Repair Book Beautiful notebook designed for homeowners to keep track of home repairs and schedule future maintenance Ideal for home owners landlords vacation property owners and new homeowners it s always recommended to keep a record of your repairs and any maintenance that you do This notebook even includes a yearly quarterly and monthly schedule of maintenance and cleaning Add To Cart Now If you are considering selling your home potential buyers will love this logbook because it shows that you have serviced the equipment in your home and cared for the property Ideal as a gift for a couple moving to their first owned property as well as a housewarming gift Features Yearly quarterly and month schedule Home Warranty Information Repairman contact ledger Notes Product Description 6x9 110 pages Uniquely designed matte cover Heavy Paper Ideas On How To Use This Planner New Homeowner Gift Realtor Gift To Seller House Warming Gift **Home Owners Journal** Mathias Hemingway, 2019-08-25 This Home Maintenance Log Book is exactly what you need to keep track of all the important information when it comes to the warranties and maintenance of your home You can make your life less stressful
