Homophobia An Overview Research On Homosexuality Series No 10:

Interdisciplinary Research on Homosexuality in the Netherlands A. X. van Naerssen, 1987 Learn how a society can foster understanding and acceptance of homosexuality This important and unique volume documents gay life in The Netherlands from the early 1700s to the present Respected scholars from The Netherlands provide a comprehensive insider's look at the presentation of homosexuality in Dutch instruction books for youths constitutional protection against discrimination of gays theories on homosexuality among leading Dutch therapists lesbian emancipation and much more

Origins of Sexuality and Homosexuality John Dececco, PhD, Michael Shively, 2014-04-04 This well documented book highlights some of the theories of bisexual and homosexual identities and their conceptual bases in cultural history moral philosophy biology and social psychology Some of the most respected minds in the field of human sexuality challenge traditional views on homosexuality and question the moral principles implicit in many existing psychiatric and psychological theories

Psychopathology and Psychotherapy in Homosexuality Michael W. Ross, 1988 An up to date review of the full range of affirmative treatments and therapies for lesbian and gay clients

Bisexual and Homosexual Identities John P. De Cecco, Michael G. Shively, 1984 This well documented book highlights some of the theories of bisexual and homosexual identities and their conceptual bases in cultural history moral philosophy biology and social psychology Some of the most respected minds in the field of human sexuality challenge traditional views on homosexuality and question the moral principles implicit in many existing psychiatric and psychological theories

National Library of Medicine Current Catalog National Library of Medicine (U.S.), 1985 *Current Catalog* National Library of Medicine (U.S.), First multi year cumulation covers six years 1965-70

The Many Faces of Homosexuality Evelyn Blackwood, 2013-04-03 This groundbreaking book examines the diverse manifestations of homosexuality in various historical periods and non Western cultures The distinguished authors examine Kimam male ritualized homosexual behavior Mexican homosexual interaction in public contexts male homosexuality and spirit possession in Brazil and much more

The Treatment of Homosexuals With Mental Health Disorders Michael W Ross, 2014-05-22 A major text for clinicians and researchers who have an interest in homosexuality and homosexual patients with mental disorders this book is an up to date review as well as a handbook covering the full range of affirmative treatments and therapies for lesbian and gay clients Expert contributors look at problems caused by stigma and homophobic societal attitudes and discuss methods that can be used to work with gay clients in a positive context Other issues of particular importance in working with lesbians and gay men are addressed

SIECUS Report, 1983 **Reader's Guide to Lesbian and Gay Studies** Timothy Murphy, 2013-10-18 The Reader's Guide to Lesbian and Gay Studies surveys the field in some 470 entries on individuals Adrienne Rich arts and cultural studies Dance ethics religion and philosophical issues Monastic Traditions historical figures periods and ideas Germany between the World Wars language literature and communication British Drama law and politics Child Custody medicine and biological

sciences Health and Illness and psychology social sciences and education Kinsey Report **Human Sexuality** Vern L. Bullough, Bonnie Bullough, 2014-01-14 First Published in 1994 The purpose of an encyclopedia is to gather in one place information that otherwise would be difficult to find Bring together a collection of articles that are authoritative and reflect a variety of viewpoints The contributors come from a wide range of disciplines from nursing to medicine from biology to history and include sociologists psychologists anthropologists political scientists literary specialists academics and non academics clinicians and teachers researchers and generalists *Gay Community Survival in the New Millennium* Michael R Botnick, 2021-06-03 Understand the international challenges facing gay male societies This eye opening account examines the idealistic structural and emotional meanings of community within the gay population *Gay Community Survival in the New Millennium* explores the concept of gay community as well as the problems and progress that these communities are facing in the United States Canada and Israel As a community leader gay rights advocate or policymaker you will gain insight into issues that must be addressed now in order to strengthen your own community *Gay Community Survival in the New Millennium* explores many of the fractures in gay society that must be addressed to ensure progress in the gay liberation movements including racial and ethnic divisions in the gay community especially based on HIV positive and HIV negative status and programs that work to bridge this gap the rift between HIV positive and HIV negative gay men based on the allocation of money for social programs meant to support entire gay communities AIDSphobia the irrational fear of contracting the virus and how it has affected gay communities the Israeli gay rights movement which is visibly pursuing full and equal citizenship in Israel including acceptance into the Israeli military projections for gay rights movements in the future if homophobia continues to exist the enormous power that would be created if all gay and AIDS social organizations in a given geographic region banded together to influence change in social policies and eliminate stereotypes *Gay Community Survival in the New Millennium* explores what it means to be a gay man in today s communities from the fear of AIDS and the need for financing of gay men s social programs to forming a collective organization that will work for the gay men s liberation movements This essential guide will provide you with suggestions to help you shape and successfully change your gay community *Lesbians and Gay Men as Foster Parents* Wendell Ricketts, 1991 **The Scandal of Evangelicals and Homosexuality** Mark Vasey-Saunders, 2016-03-09 English evangelicals give the appearance of being a community at war with each other and with the world around them The issue of homosexuality is one of the key battlegrounds How has this issue become so significant to evangelicals Why is it provoking such violent responses How is it changing evangelicals and what might this mean for the future This book examines the history of evangelical responses to the issue of homosexuality setting them in a wider historical and cultural context and drawing on the work of Rene Girard to argue that the issue of homosexuality has come to symbolise deeply held convictions within evangelicalism The conflict over the issue that is now becoming apparent within evangelicalism reveals deep divisions within the evangelical community that will have great

significance for the future *The Scandal of Evangelicals and Homosexuality* offers an alternative perspective seeking not to present an answer to the ethical question but rather to examine the way the debate has become scandalised and consider the cost It offers a window into contemporary English evangelicalism and provides an important contribution to international and ecumenical debate

An Introduction to GLBT Family Studies J Jerry Bigner, 2013-05-13 Gain a better understanding of the special therapeutic issues and needs of GLBT families In terms of research GLBT families constitute a neglected segment of society Gender and sexual orientation can make the issues in family studies even more difficult to work through *An Introduction to GLBT Family Studies* tackles a challenging research topic by presenting noted experts examining the latest information on the newest type of family studies GLBT families This groundbreaking text explores a wide range of unique problems faced by nontraditional families as well as issues common to traditional families that need to be approached with a GLBT perspective Though homophobia and heterosexism constantly influence GLBT families these factors do not necessarily overwhelm the dynamic of their basic family unit Issues present in many traditional families are found when researching GLBT families *An Introduction to GLBT Family Studies* spotlights the issues research and future trends that provide a foundation for the study of GLBT families This breakthrough volume focuses not only on the obvious unique factors within GLBT families but also on the elements encountered within families that are present regardless of sexual orientation and gender such as physical and emotional abuse Expert contributors present research findings on family pattern issues relating to parent child relationships child development sibling relationships family structure intimate relationships stepfamilies alternative family structures and extended family relationships Each chapter is extensively referenced and offers possibilities for further research *An Introduction to GLBT Family Studies* discusses family studies topics such as the impact of the family of origin life course perspective transgender identity issues and the family when a spouse comes out as gay lesbian or bisexual a study of lesbian couples adapting genogram techniques in therapy research comparing siblings of different sexual orientations studies of patterns of responses to parental reactions to learning their offspring are gay lesbian or bisexual the polyamory structure to some gay men s familial relationships same sex marriages and legalized relationships gay male couples roles in today s society the impact of heterosexism on working with same sex relationships research on long term lesbian couples *An Introduction to GLBT Family Studies* is a valuable reference for academic researchers in family studies marriage and family therapy social work and counseling educators upper division undergraduate and graduate students and anyone interested in better understanding GLBT family studies

Sexuality and Human Rights Phillip

Tahmindjis, 2014-05-22 Finally a comparative overview of sexuality and human rights issues and law Human rights issues exist globally particularly when they have to do with sexuality *Sexuality and Human Rights A Global Overview* focuses on the controversial issues of human sexuality and the legal challenges that LGBT individuals face Internationally recognized legal experts thoroughly discuss the status of important human rights laws pertaining to sexuality from around the world

Queer Asian Cinema Andrew Grossman,2018-10-24 Explore queer themes in films from Hong Kong gangster flicks to Bollywood melodramas Although Asian films have reached a new height in popularity worldwide Queer Asian Cinema Shadows in the Shade is the first full length book in English solely devoted to examining the aesthetics and politics of homosexuality in Asian films This unique book presents multiple points of view on the portrayal of gay lesbian and transgendered people in film throughout Asia From the subversive sadomasochism of Japan s pink films to the hard boiled world of Hong Kong s gangster movies Queer Asian Cinema analyzes and discusses attitudes toward homosexuality in the full spectrum of Asian film In addition to studies of the representation of identified gay men lesbians and transgendered individuals it reveals the hidden homoerotic subtext of otherwise conventional films Queer Asian Cinema Shadows in the Shade examines diverse aspects of Asian films including the political and psychological links between feudal and sadomasochist hierarchies the inevitable punishment of homoerotic bonds in gangster films the integration of the homosexual couple into the Confucian family structure in Korean films the complexities of cross gender casting the differences between transvestism and cross dressing the definition of male genitalia as obsceneQueer Asian Cinema Shadows in the Shade brings together experts in both film making and movie criticism providing a balanced viewpoint to unite the worlds of academic and popular perceptions on this subject It opens an exciting discussion of this important and largely neglected area of cinematic discourse

Homosexuality in French History and Culture Jeffrey Merrick,Michael Sibalis,2013-09-13 Deconstruct changing representations of homosexuality with this important new work of cultural criticism Homosexuality in French History and Culture explores episodes patterns and images of same sex attraction in France from

the sixteenth to the twenty first century from the essays of Michel de Montaigne to pride parades in contemporary Paris This groundbreaking book documents the ways homosexuality has been named experienced regulated understood and imagined During these centuries homosexuality has been stigmatized as a sin crime or disease and denounced as a threat to social order and national identity Yet the rhetoric of condemnation has always co existed with the reality of toleration This groundbreaking collection analyzes the ways in which persecutions as well as differences within minority sexual subcultures have highlighted stereotypes and anxieties about class and age differences gendered roles and separatism Homosexuality in French History and Culture offers historical and literary studies based on a wide variety of sources including novels plays and poetry gossip and satires police reports medical texts travel literature newspapers and periodicals memoirs Homosexuality in French History and Culture combines fresh creative re interpretation of familiar texts with exciting new explorations of neglected historical episodes and cultures It is a landmark of meticulous scholarship and rigorous theoretical analysis and a vital resource for scholars of queer theory French history and culture and literary criticism

Homosexuality and Christian Community Choon Leong Seow, 1996-01-01 Contributors to this volume all members of the Princeton Theological Seminary faculty address the various exegetical interpretive and practical issues pertaining to the issue of homosexuality in the church These include the ordination of homosexuals and the blessing of homosexual unions as well as broader issues dealing with liturgical and theological language about God and the role of the church in a pluralistic society The contributors speak of these various issues as theological educators ministers and committed Christians They ask What do the scriptures say about homosexuality and related issues How should the scriptures inform our theological reflection and How do we live faithfully in regard to this matter And like the Christian community at large the contributors are not of one mind on any of these issues many times they are in considerable disagreement Homosexuality and Christian Community will help to guide churches and individuals engaged in theological reflection about the place of homosexuals in the church *Routledge Handbook on Victims' Issues in Criminal Justice* Cliff Roberson, 2017-04-21 The Routledge Handbook on Victims Issues in Criminal Justice is a comprehensive and authoritative handbook on current issues with a distinctive emphasis on the delivery of suitable and effective services The editor provides an introduction and conclusion to the handbook synthesizing original contributions from current leaders in the field surveying victims rights in the United States victim participation in the criminal justice system victims welfare and needs and most notably the services that have been developed in response A section on special populations in the United States brings focus to current and emerging issues faced within the country while a section covering international and transnational victimization explores globalization and the implications of other legal traditions and systems This handbook addresses the crucial and complex topic of victims issues examining both societal and governmental reactions to victims concerns and acquainting readers with the issues that discord may cause and how they affect the provision of services This book will serve as an essential reference for academics and

practitioners working with crime victims as well as for students taking courses in victimology criminology sociology and related subjects
