Excerpt from *The Homophonic Forms of Musical Composition* An Exhaustive Treatise on the Structure and Development of

Musical Forms From the Simple Phrase to the Song Form With Trio For the Use of General and Special Students of Musical Structure This book undertakes no more than the systematic enumeration and exhaustive explanation of all the formal designs and methods of structural treatment in the homophonic domain of musical composition as revealed in classical or standard writings The student who aims to acquire the Science of composition is expected to Imitate these designs and methods and to look for additional illustrations and confirmations in general musical literature This will develop skill and facility will induce correct habits of musical thought will enrich the mind with a fund of resources and stimulate the imagination to increased responsiveness and activity But further than this the book lays no claim to furnishing clues to the subtle Art of composition In converting his theoretical knowledge into successful practice into a means to an end the student can appeal to no other authority than that of his own fancy good taste and natural or acquired judgment The examples given for reference must be inspected if not totally at least in great part No student should hope to be entirely successful and efficient as a composer without possessing quite extensive acquaintance with the products and processes of successful writers Therefore the pupil must regard the conscientious examination of these carefully selected quotations as a very significant and distinctly essential part of his study This applies more especially to the works cited in Divisions I II and III About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Homophonic Forms of Musical Composition Percy Goetschius, 2022-10-27 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

Homophonic Forms of Musical Compositions, an Exhaustive Treatise on the Structure and Development of Musical Forms Percy Goetschius, 1986-10 **Homophonic Forms of Musical Composition** Percy Goetschius, 1923 **The Homophonic Forms of Musical Composition; For the Use of General and Special Students of Musical Structure** Percy Goetschius, 2017-08-11 Trieste Publishing has a massive catalogue of classic book titles Our aim is to provide readers with the highest quality reproductions of fiction and non fiction literature that has stood the test of time The many thousands of books in our collection have been sourced from libraries and private collections around the world The

titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original Our readers see the books the same way that their first readers did decades or a hundred or more years ago Books from that period are often spoiled by imperfections that did not exist in the original Imperfections could be in the form of blurred text photographs or missing pages It is highly unlikely that this would occur with one of our books Our extensive quality control ensures that the readers of Trieste Publishing s books will be delighted with their purchase Our staff has thoroughly reviewed every page of all the books in the collection repairing or if necessary rejecting titles that are not of the highest quality This process ensures that the reader of one of Trieste Publishing s titles receives a volume that faithfully reproduces the original and to the maximum degree possible gives them the experience of owning the original work We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality but also providing value to every one of our readers Generally Trieste books are purchased singly on demand however they may also be purchased in bulk Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates
