Homosexuality In History And The Scriptures:

Scripture and Homosexuality Marion L. Soards, 1995-01-01 Focused and accessible this book is an ideal starting point for the discussion of how the church should respond to and deal with issues of homosexuality Homosexuality in History and the Scriptures Ronald M. Springett, 1988 Gay Rights Or Wrongs Michael Mazzalongo, 1995 As homosexual advocacy groups continue to be more and more vocal many questions have been raised concerning homosexual issues in the general public This volume will help ministers and other Christian leaders sort through and understand these issues from a biblical standard Every Christian needs to read this book *The Bible and Homosexual Practice* Robert A. J. Gagnon, 2010-10-01 Gagnon offers the most thorough analysis to date of the biblical texts relating to homosexuality He demonstrates why attempts to classify the Bible's rejection of same sex intercourse as irrelevant for our contemporary context fail to do justice to the biblical texts and to current scientific data Gagnon's book powerfully challenges attempts to identify love and inclusivity with affirmation of homosexual practice the most sophisticated and convincing examination of the biblical data for our time Jrgen Becker Professor of New Testament Christian Albrechts University **Jesus, the Bible, and Homosexuality** Jack Bartlett Rogers, 2006-01-01 In this sure to be controversial book former seminary professor and church official Jack Rogers argues unequivocally for the ordination of homosexuals and for the extension of full and equal rights in society to all people who are homosexual Christianity he observes has moved through history in the direction of ever greater openness and inclusiveness Today's church is led by many of those who were once cast out people of color women and divorced and remarried people It is inevitable he believes that gay lesbian bisexual and transgender people will one day walk in the same steps as other Christian leaders Rogers an evangelical begins by discussing his own personal change of heart and mind on the issue a change that has moved him into the middle of this controversy in his own church the Presbyterian Church U S A He examines how the church misused the Bible to justify slavery and the denial of rights to women and links these efforts to efforts today to use biblical texts to deny equal rights to gays and lesbians He shows how neither the Bible nor the Confessions are opposed to homosexuality and debunks frequently used fundamentalist stereotypes and myths about gays and lesbians Rogers concludes with his thoughts on how the church can heal itself and move forward *What does the Bible Really Teach About Homosexuality?* Denmark Hill, 2015-04-17 In just a few short years massive shifts in public opinion have radically reshaped society's views on homosexuality Feeling the pressure to forsake long held beliefs about sex and marriage some argue that Christians have historically misunderstood the Bible's teaching on this issue But does this approach do justice to what the Bible really teaches about homosexuality In this timely book award winning author Kevin DeYoung challenges each of us the skeptic the seeker the certain and the confused to take a humble look at God's Word Examining key biblical passages in both the Old and New Testaments and the Bible's overarching teaching regarding sexuality DeYoung responds to popular objections raised by Christians and non Christians alike offering readers an

indispensable resource for thinking through one of the most pressing issues of our day *What the Bible Says—and Doesn't Say—About Homosexuality* John Teller, 2016-03-07 Have you ever wondered what the Bible has to say about homosexuality A growing number of Christians have come to believe that the Bible does not prohibit or condemn homosexual acts This book is intended to refute this fundamentally flawed view and to respond to one of its principal propagators the Rev Dr Mel White The Rev Mel White's *What the Bible Says and Doesn't Say About Homosexuality* is a treatise that argues that the Bible when correctly understood neither condemns nor prohibits homosexual relationships between loving committed same sex partners The apparent prohibitions of sodomy and other homosexual acts in the Old Testament are intended not as injunctions from God but as reflections of societal tastes and preferences Even if such prohibitions were based on Old Testament biblical laws Dr White argues such laws have no application or bearing on contemporary Christians who fall under the law of grace Dr White's treatise employs subtle twists of logic and misunderstandings of fundamental biblical principles in support of its conclusions His treatise is especially dangerous to readers having shallow biblical knowledge and who may not fully understand the extent and clarity of the Bible's prohibition on homosexual conduct At last there is now an answer to Dr White's treatise In this volume John Teller sets forth a systematic reply to each of Dr White's defenses of homosexuality John Teller thoroughly replies to refutes and rebuts each of Dr White's arguments on a detailed point by point basis The present volume is indispensable to the Christian studying human sexuality in light of biblical principles **The Bible on the Question of Homosexuality** Innocent Himbaza, Adrian Schenker, Jean-Baptiste Edart, 2012 Innocent Himbaza and Adrien Schenker O P are biblical scholars at the University of Fribourg Switzerland Jean Baptiste Edart a member of the Community of Emmanuel teaches at the John Paul II Institute for Marriage and Family in Rome Benedict M Guevin O S B professor of theology at Saint Anselm College translated the work into English *HOMOSEXUALITY - The BIBLE and the CHRISTIAN* Edward D. Andrews, 2016-04-25 Today there are many questions about homosexuality as it relates to the Bible and Christians What does the Bible say about homosexuality Does genetics environment or traumatic life experiences justify homosexuality What is God's will for people with same sex attractions Does the Bible discriminate against people with same sex attractions Is it possible to abstain from homosexual acts Should not Christians respect all people regardless of their sexual orientation Did not Jesus preach tolerance If so should not Christians take a permissive view of homosexuality Does God approve of same sex marriage Does God disapprove of homosexuality If so how could God tell someone who is attracted to people of the same sex to shun homosexuality is that not cruel If one has same sex attraction is it possible to avoid homosexuality How can I as a Christian explain the Bible's view of homosexuality IT IS CRUCIAL that Christians always be prepared to reason from the Scriptures explaining and proving what the Bible does and does not say about homosexuality yet doing it with gentleness and respect Andrews will answer these questions and far more Who Should Read *HOMOSEXUALITY The BIBLE and the CHRISTIAN* 1 Anyone struggling with same sex attraction 2 Anyone trying to leave a homosexual lifestyle 3 Any churchgoer

looking for an apologetic tool on homosexuality 4 Any pastor looking for a tool to better counsel those struggling with same sex attraction or leave a homosexual lifestyle

Homosexuality (DeYoung) James B. DeYoung, 2000 Did past societies condone homosexuality This thorough study answers those who revise the message of Scripture by using the Bible Jewish literature and information from ancient cultures It provides the knowledge necessary to respond with confidence compassion and honesty to demands that Christians accept active homosexuality

Homosexuality, the Bible, the Truth Wayne Gray, 2012-10-31 God is not the author of hate nor is He the author of ignorance His love truly lived brings peace His wisdom generates knowledge of truth and His grace leads us to end our bigotries and embrace unity in His name Let wars end let hatreds end let ignorance end May Gods truth set us free This book is about the truth The big business purveyors of bigotry who make money keeping us divided against one another will do everything they can to destroy this book I prayerfully ask you to read it and spread the truth The Bible does NOT condemn homosexuality and the anti homosexual lie invented by man has brought enough pain It must end

Jesus, the Bible, and Homosexuality, Revised and Expanded Edition Jack Rogers, 2009-04-14 In this revised and expanded best seller Rogers argues for equal rights in both the church and society for lesbians gays bisexuals and transgendered people He describes how he moved away from opposition to support charts the church s history of using biblical passages to oppress marginalized groups argues for a Christ centered reading of Scripture debunks stereotypes about gays and lesbians and explores texts used most frequently against homosexuals and gay ordination In this newly revised edition he maps the recent progress of major U S denominations toward full equality for LGBT persons adds a new chapter that examines how Scripture is best interpreted by Jesus redemptive life and ministry and updates his own efforts and experiences The book also includes a guide for group study or personal reflection

The Oxford Handbook of the Reception History of the Bible Michael Lieb, Emma Mason, Jonathan Roberts, 2013-01-10 In recent decades reception history has become an increasingly important and controversial topic of discussion in biblical studies Rather than attempting to recover the original meaning of biblical texts reception history focuses on exploring the history of interpretation In doing so it locates the dominant historical critical scholarly paradigm within the history of interpretation rather than over and above it At the same time the breadth of material and hermeneutical issues that reception history engages with questions any narrow understanding of the history of the Bible and its effects on faith communities The challenge that reception history faces is to explore tradition without either reducing its meaning to what faith communities think is important or merely offering anthologies of interesting historical interpretations This major new handbook addresses these matters by presenting reception history as an enterprise not a method that questions and understands tradition afresh The Oxford Handbook of the Reception History of the Bible consciously allows for the interplay of the traditional and the new through a two part structure Part I comprises a set of essays surveying the outline form and content of twelve key biblical books that have been influential in the history of interpretation Part II offers a series of in depth case studies of the

interpretation of particular key biblical passages or books with due regard for the specificity of their social cultural or aesthetic context These case studies span two millennia of interpretation by readers with widely differing perspectives Some are at the level of a group response from Gnostic readings of Genesis to Post Holocaust Jewish interpretations of Job others examine individual approaches to texts such as Augustine and Pelagius on Romans or Gandhi on the Sermon on the Mount Several chapters examine historical moments such as the 1860 debate over Genesis and evolution while others look to wider themes such as non violence or millenarianism Further chapters study in detail the works of popular figures who have used the Bible to provide inspiration for their creativity from Dante and Handel to Bob Dylan and Dan Brown

The Bible, Christianity, & Homosexuality Justin R. Cannon, 2008-07-14 There are many commendable books on the Bible and homosexuality which span anywhere from a hundred to several hundred pages in length For the curious such books can sometimes be inaccessible or more than they really want to read The Bible Christianity Homosexuality is a concise yet profound analysis of the Bible verses often misused to condemn gay and lesbian Christians This study was written to be accessible to all indeed something family members and friends of gay and lesbian Christians might actually take the time to read The Los Angeles Times describes this work as an illuminating analysis that argues the Bible doesn't condemn faithful gay relationships McGough 7 18 05

Conceiving Peace and Violence Philip L. Tite, 2004 In this book Philip Tite explores the role of biblical texts in the promotion of peace and violence He begins by exploring the function of religious texts as ideological elements recognizing that the New Testament affects the social construction of realities or cultures within which people read and apply authoritative writings to ethical discussions Arguing that an engaged reading of these texts is central within moral discourse Dr Tite explores such issues as feminist challenges to biblical ethics Jewish Christian relations and gay and lesbian ethical disputes in Christianity

Playing with Scripture Andrew Judd, 2024-01-22 This book puts a creative new reading of Hans Georg Gadamer's philosophical hermeneutics and literary genre theory to work on the problem of Scripture Reading texts as Scripture brings two hermeneutical assumptions into tension that the text will continually say something new and relevant to the present situation and that the text has stability and authority over readers Given how contested the Bible's meaning is how is it possible to read Scripture as authoritative and relevant Rather than anchor meaning in author text or reader Gadamer's phenomenological model of hermeneutical experience as Spiel play offers a dynamic intersubjective account of how understanding happens avoiding the dead end of the subjective objective dichotomy Modern genre theory addresses some of the criticisms of Gadamer accounting for the different roles played by readers in different genres using the new term Lesespiel reading game This is tested in three case studies of contested texts the recontextualization of psalms in the book of Acts the use of Hagar's story Genesis 16 in nineteenth century debates over slavery and the troubling reception history of the rape and murder in Gibeah Judges 19 In each study the application of ancient text to contemporary situation is neither arbitrary nor slavishly bound to tradition but playful

Two Views on

Homosexuality, the Bible, and the Church Zondervan, 2016-11-29 Unique among most debates on homosexuality this book presents a constructive dialogue between people who disagree on significant ethical and theological matters and yet maintain a respectful and humanizing posture toward one another Few topics are more divisive today than homosexuality Two Views on Homosexuality the Bible and the Church brings a fresh perspective to a well worn debate While Christian debates about homosexuality are most often dominated by biblical exegesis this book seeks to give much needed attention to the rich history of received Christian tradition bringing the Bible into conversation with historical and systematic theology To that end both theologians and biblical scholars well accomplished in their fields and conversant in issues of sexuality and gender articulate and defend each of the two views Affirming represented by William Loader and Megan K DeFranza Traditional represented by Wesley Hill and Stephen R Holmes The main essays are followed by insightful responses that interact with their fellow essayists with civility Holding to a high view of Scripture a commitment to the gospel and the church and a love for people especially those most affected by this topic the contributors wrestle deeply with the Bible and theology especially the prohibition texts the role of procreation gender complementarity and pastoral accommodation The book concludes with reflections from general editor Preston Sprinkle on the future of discussions on faith and sexuality The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion

Dr. Gregory Boyd's Myth of a Christian Nation John Teller, 2016-04-06 In his best selling book The Myth of a Christian Nation Dr Gregory Boyd a widely respected theologian and pastor argues that the church was established to serve the world with a Christ like love that is diametrically opposed to the pursuit of political power Christians are called to manifest a kingdom of the cross that impacts culture through self sacrificial love not the Romans 13 kingdom of the sword that impacts culture through coercive force Dr Boyd's radical separatism leaves committed Christians with no choice other than to abandon the civic realm His is a call to effect change through spiritual disciplines such as prayer not by taking up the reins of government to exercise power over others For Boyd there is no room for Christians to serve in government or any of its arms including the military or police At last there is now a reply refutation and rebuttal to Dr Boyd's treatise and conclusions which result from misunderstandings of fundamental biblical principles and the selective treatment of Scripture In this volume John Teller sets forth a systematic reply to each of Dr Boyd's arguments against Christians participation in civil government the military and other civil institutions This reply and rebuttal to Dr Boyd's treatise shows that far from being called to eschew the power over kingdom of the sword Christians are called to be God's co laborers in redeeming the kingdom of sword just as they are called to transform every other aspect of the fallen creation

The Oxford Handbook of the Bible in America Paul C. Gutjahr, 2017 Early Americans have long been considered A People of the Book Because the nickname was coined primarily to invoke close

associations between Americans and the Bible it is easy to overlook the central fact that it was a book not a geographic location a monarch or even a shared language that has served as a cornerstone in countless investigations into the formation and fragmentation of early American culture Few books can lay claim to such powers of civilization altering influence Among those which can are sacred books and for Americans principal among such books stands the Bible This Handbook is designed to address a noticeable void in resources focused on analyzing the Bible in America in various historical moments and in relationship to specific institutions and cultural expressions It takes seriously the fact that the Bible is both a physical object that has exercised considerable totemic power as well as a text with a powerful intellectual design that has inspired everything from national religious and educational practices to a wide spectrum of artistic endeavors to our nation s politics and foreign policy This Handbook brings together a number of established scholars as well as younger scholars on the rise to provide a scholarly overview rich with bibliographic resources to those interested in the Bible s role in American cultural formation

The Father's Heart on Homosexuality Walter L. Smith III, 2022-02-09 The Father s Heart on Homosexuality seeks to build strong community bridges for eternity by effectively and efficiently ministering to the needs of the most vulnerable in society The Rev Walter L Smith III sends a clear and concise message to society about God s perfect unrelenting and unchanging love for faithfully redeeming LGBTQIA persons who are hurting lost confused and struggling His commitment to supporting the LGBTQIA and Christian communities began after a special invitation from a relative by marriage that shared his desires to build community bridges conduct targeted discipleship and advocate on behalf of the most vulnerable in the LGBTQIA community in Louisville Kentucky In this book the author answers questions such as Why is image the starting point of all healthy spiritual development What does Paul mean by the Spirit gives life What does it mean to be genuine and authentic in your relationship with God What about the LGBTQIA genuinely breaks the Father s heart If you actively refuse to receive God s Perfect Substitutionary Sacrifice and Gift through our Lord and Savior Jesus Christ nothing in this life will properly heal be restored or will ever be completely made whole on yours or my behalf You ll remain separated from Almighty God with your besetting sins that will eventually destroy you and you ll regret choosing to spend all of eternity literally physically and eternally tormented by choices to live your life contrary to the Word of God bound in the devil s hell
