The books can be purchased individually or as a set, *Building Conceptual PlayWorlds for Belonging: Stories and Activities to Build a Sense of Belonging*. Fostering a sense of belonging in early childhood is crucial for the development and wellbeing of young children. This practical resource is for use with children aged 4-8 to help build strong connections and a sense of belonging. Through the practice of mindfulness, children are encouraged to pause and fully engage with the place and moment they are in. Based on the Conceptual PlayWorld, an evidence-based model of intentional teaching developed by Professor Marilyn Fler, this book includes a range of research-informed activities. Each chapter provides educators with a Conceptual PlayWorld to implement, which will engage children in practical scenarios and problem-solving activities rooted in play. They address different aspects of belonging at home and in school settings, aiming to foster empathy, inclusion, and community in young learners. The narratives are crafted around two foundational storybooks, *Mia Belongs Here* and *School is Where We All Belong*, enhancing the connection between storytelling and experiential learning. In a world of increasing rates of loneliness, disconnection, and social isolation, opportunities to encourage a sense of belonging in children have never been more needed. This unique educational resource will help teachers, practitioners, and parents empower children to thrive academically, socially, and emotionally.

Shattered Reflections Laura Lee, The moon hung high in the midnight sky casting an ethereal glow upon the deserted streets of Lourdes a small town tucked away in the heart of the French countryside Simone Delacroix a young woman burdened by an unyielding sense of emptiness wandered through the winding alleys her footsteps echoing in the silence of the night In the shadows the remnants of shattered glass littered the cobblestones a stark reflection of the broken pieces of Simone's own life Her once vibrant spirit had been fractured by the weight of expectations and the suffocating conformity of her existence Trapped in a cycle of pleasing others she had lost touch with the true essence of her being A peculiar mirror caught Simone's attention standing alone in a dimly lit corner of an antiques shop Its ornate frame seemed to beckon to her whispering secrets from ages long past As she approached an irresistible pull drew her closer and before she knew it she stood before the mirror mesmerized by her own reflection But what she saw was not the familiar face she had grown accustomed to Instead a stranger stared back at her a woman with fiery eyes that mirrored her own inner turmoil with wild untamed hair that mirrored her desire for freedom It was a reflection that spoke of hidden depths and untapped potential of a dormant power waiting to be awakened A surge of curiosity and longing coursed through Simone's veins With trembling hands she reached out and touched the mirror's surface In that instant the world around her seemed to shift and dissolve giving way to a realm beyond her wildest imagination
