the Crooked Road Ayesha Afzal Rathore, 2014-02-20 *Along the Crooked Road* is a day to day life experience of a teenager school girl Relocation from Pakistan to U A E is in fact migration from unified culture and sort of joint family system to isolated in house atmosphere and multicultural environment outside especially while at school has greatly impacted her personality from a naughty talkative and aggressive girl to a silent and self contained Ayesha Her sensitive traits lead her to express her observations and unsaid feeling in the shape of poetry How it happened and when she started expressing her thoughts in poems that we couldn't visualize till 2011 when all of sudden her mother saw one of her poem which astonished both of us The title of each poem contains prevalence mostly in the school and occasionally at home She has her own perspective to feel and inspire from the class mates and the class rooms from studies and the exams and above all the class teachers and their approach to their students played a vital role to Ayesha's insight These all articles of her life collectively

The Road Back Home Sid Waddell, 2009-11-24 I had not lived in the former pit village of Lynemouth since 1961 but the winding road north from Newcastle will always be the same nostalgic highway each twist charged with vivid memories and powerful emotions So begins a story full of wonderful humour emotional candour and hardy tales of tough times a quietly epic family saga set amid the pit villages of the North East It stretches from the 1920s before Sid's parents had even met to the final closing of the mine and his mother's death in 1999 Sid paints a picture of a colourful tight knit community full of good times and hard work god fearing women and hard drinking men Always dominating the skyline is Auld Betty the pit head that took the men away each day and with a prayer brought them back each evening Amongst the unforgettable cast of his extended family and friends we follow the Waddells attempts to stay afloat and provide a better future and possible escape for youngsters like Sid Roads and Road Construction, 1923 **The Guide to Iowa's State Preserves** Ruth
