Journey Home Jennifer Kavanagh, 2012-04-27 Home one of the most emotive words in any language But it can mean different things to different people and based on extensive interviews Jennifer Kavanagh explores our outer and inner identities and asks What does home mean to you Home is not just four walls or the country in which we were born It is not a locked door an investment a legal address or a nation with rigid borders Home is where the heart is a yearning for a precious past a dream of something that has never been or a present reality In relationship with our families in community and with the whole of creation In this compelling and immensely readable book Kavanagh suggests that we will never be at home unless we are at home to ourselves Home is where we all want to be

The Journey Home Edward Abbey, 1991-01-30 The Journey Home ranges from the surreal cityscapes of Hoboken and Manhattan to the solitary splendor of the deserts and mountains of the Southwest It is alive with ranchers dam builders kissing bugs and mountain lions In a voice edged with chagrin Edward Abbey offers a portrait of the American West that we ll not soon forget offering us the observations of a man who left the urban world behind to think about the natural world and the myths buried therein Abbey our foremost ecological philosopher has a voice like no other He can be wildly funny ferociously acerbic and unexpectedly moving as he ardently champions our natural wilderness and castigates those who would ravish it for the perverse pleasure of profit
