The Unsired Lee Duke, 2013-11-27 Throw away your crucifix for it will not protect you not in this chillingly original take on the vampire legend Its a tale of bloody revenge that will expose the modern day workings of the Vampire Clans and their constant war with those who would hunt them to extinction Its a story that explains away the myths handed down through centuries of ignorance that keeps us from believing the horrifying truth about the real vampires living among us today It is the winter of 1362 in what was then a small Lithuanian farming village on the edge of the Carpathian Mountains A man and a child lay dead their throats savagely ripped open and their bodies drained of blood The mans pregnant wife on hearing the news goes into premature labor giving birth to an underdeveloped baby boy The infant is not expected to live and the mother remains weak and sickly The attending midwives leave the two of them alone to share what precious moments they have left together The creature responsible for the attacks is an injured vampire being chased through the nearby forest by a band of determined Hunters In his need for blood to repair both the injuries and replenish his strength the vampire doubles back losing the Hunters in the process Reentering the village hidden from sight by the raging storm and the dark of night the vampire breaks into one of the small homes to feed upon the defenseless mother as she clutches her newborn baby

protectively to her breast In the course of his savage feeding the vampire unknowingly allows some of his own blood and that of the mother to spill into the infants mouth The blood feeds and nurtures the dying infant turning him into something very very different This horrific act will set in motion a series of events that will leave a trail of death and destruction across seven centuries and three continents before it finally reaches the new lands of America One man not quite human or of the undead will stand between the two warring factions of Hunters and Vampires a saviour to some and a deadly enemy to others and this is his story Like Blade meets Bond directed by Tarantino **American Book Publishing Record** ,2002

A Journey Into Christian Art Helen De Borchgrave,1999 Depicts the methods used by Christian artists including mosaic paint and stone over a 2 000 year period to portray their search for spirituality **Pennsylvania German pioneers; a publication of the original lists of arrivals in the port of Philadelphia from 1727 to 1808** Ralph Beaver Strassburger,William John Hinke,1934-01-01 [How to Get Your Child to Love Reading](#) Esmé Raji Codell,2003-01-01 Offers advice and guidelines on how to expand a child s world through books and reading introducing three thousand teacher recommended book titles craft ideas projects recipes and reading club tips [Schull Dutch Skippers on the Lower Rhine from the 15th to the 18th Century](#) Joachim Schüll,2021-01-11 The author s Dutch ancestors were skippers shipowners on the Lower Rhine river presumably coming from the port city of Tiel on the river Waal However the bits of written information available about them did not provide much more than names and life records back to the year 1691 And earlier times were totally uncharted Details about how these ancestors had mastered their life as skippers were unknown The author wanted more than just to collect names and vital records but to discover as many generations of skippers as possible and fill their history with lives But how should he expand his knowledge about people who had no fixed address because they had been traveling on the Rhine between Dutch port cities and Cologne for many years Fortunately they already had a family name the author could look for This was by no means a matter of course as the research periods date back to the 15th century This family name and the Internet were the keys to the successful search for clues **There was No Lightning** Harold Scheub,2010 *When the Dikes Broke* Alta Halverson Seymour,2016-10-21 Told through the harrowing experiences of the Van Rossem family of Kuyfoort this is the story of the great flood that swept over Holland in January 1953 The courage and heroism of the people in their fight against the encroaching sea the search for and rescue of survivors and the reclamation of their homes and land are depicted How the wind blows tonight As if it wants to tear the house up by the roots says Tante Anna But the van Rossem family isn t worried Isn t their house strong and solid And the dikes that hold back the sea aren t they strong too That very night they waken to the shriek of sirens and the clang of church bells They hear an even more frightening sound too the rush of water flooding the house And then comes the cry that strikes terror to the heart of every Dutch boy and girl Get to your attic The dike gave way **Gender and Diplomacy** Roberta Anderson,Laura Oliván Santaliestra,Suna Suner,2021-04-16 The book series Diplomatica of the Don Juan Archiv Wien researches cultural aspects of diplomacy and diplomatic history up to the nineteenth century This second volume of the series features the proceedings of the Don Juan Archiv s symposium organized in March 2016 in cooperation with the University of Vienna and Stdivm f svlancm to discuss the topic of gender from a diplomatic historical perspective addressing questions of where women and men were positioned in the diplomacy of the early modern world Gender might not always be the first topic that comes to

mind when discussing international relations but it has a considerable bearing on diplomatic issues. Scholars have not left this field of research unexplored with a widening corpus of texts discussing modern diplomacy and gender. Women appear regularly in diplomatic contexts. As for the early modern world, ambassadorial positions were monopolized by men, yet women could and did perform diplomatic roles both officially and unofficially. This is where the main focus of this volume lies. It features sixteen contributions in the following four acts: Women as Diplomatic Actors, The Diplomacy of Queens, The Birth of the Ambassadors, and Stages for Male Diplomacy. Contributions are by Wolfram Aichinger, Roberta Anderson, Annalisa Biagianni, Osman Nihat Biçgin, John Condren, Camille Desenclos, Ekaterina Domnina, David García Cueto, María Concepción Gutiérrez Redondo, Armando Fabio Ivaldi, Rocío Martínez López, Laura Mesotten, Laura Oliván Santalucía, Tracey A. Christian Slavery Katharine Gerbner, 2018-02-07. Could slaves become Christian? If so, did their conversion lead to freedom? If not, then how could perpetual enslavement be justified? In *Christian Slavery*, Katharine Gerbner contends that religion was fundamental to the development of both slavery and race in the Protestant Atlantic world. Slave owners in the Caribbean and elsewhere established governments and legal codes based on an ideology of Protestant Supremacy which excluded the majority of enslaved men and women from Christian communities. For slaveholders, Christianity was a sign of freedom, and most believed that slaves should not be eligible for conversion. When Protestant missionaries arrived in the plantation colonies, intending to convert enslaved Africans to Christianity in the 1670s, they were appalled that most slave owners rejected the prospect of slave conversion. Slaveholders regularly attacked missionaries, both verbally and physically, and blamed the evangelizing newcomers for slave rebellions. In response, Quaker, Anglican, and Moravian missionaries articulated a vision of Christian Slavery, arguing that Christianity would make slaves hardworking and loyal. Over time, missionaries increasingly used the language of race to support their arguments for slave conversion. Enslaved Christians meanwhile developed an alternate vision of Protestantism that linked religious conversion to literacy and freedom. *Christian Slavery* shows how the contentions between slave owners, enslaved people, and missionaries transformed the practice of Protestantism and the language of race in the early modern Atlantic world.

The Dove and the Rose (Seekers Book #1) Ethel Herr, 1997-04-01. Historical Fiction Series. From a Fascinating

Era Caught in the sweeping changes connected with the European Reformation and Renaissance sixteenth century Holland under the reluctant leadership of William of Orange rebelled against the strong control of Spain's King Philip. The war that ensued to squelch the rebellion and exterminate religious heresy at any cost sets the background for Ethel Herr's compelling series THE SEEKERS. In *The Dove and the Rose* two young people are wrenched apart by the struggles of their parents. Pieter Lucas is banished from his home for refusing to abide by his father's commitment to the Beggars, an extreme wing of Calvinism. Aletta Engelshofen is not allowed by her father to see Pieter for fear of any association with the Beggars. While they meet in secret, Aletta promises her love to Pieter and that she will wait for him until the trouble passes. Swirling tides of emerging religious, political, cultural, and personal independence clash in this excellent first book in THE SEEKERS.
