

Poem About Journeys in Life

By Maya Anthony

The road ahead, uncharted, wild,
With twists and turns, meek and mild,
Each step a new story untold,
In life's bold fold.

Uncertain paths, under open skies,
New horizons, new ties,
Life's journey, a mystery,
In its own history.

Braving storms, seeking light,
In the endless flight,
Every path, a lesson learned,
On this road, we've turned.

Scott, 2018-05-29

Journey Joan LaRose, Chuck Miceli, 2014-09-20 I have heard it said that tears of sorrow and pain are composed of different chemicals than are those of laughter and joy I have no scientific knowledge of this yet I believe it to be true Laughter joy pain and sorrow have given birth to the poetry in this book When hurt has no place to dissipate itself when laughter begs to be shared and multiplied with others pen and paper are healing tools that I find invaluable to express release and share life's emotions In some ways we are all conduits for enriching relationships When pain flows like a river or laughter babbles like a brook words and sounds give forth life That to me is poetry and is what I have tried to convey in this book **Journey** Frankie Mo, 2018-05-04 A collection of poems and meditations **Poems of a Life Journey** Jorge Centofanti, 2022-11-23 OPINIONS OF VARIOUS READERS PRE PUBLICATION I've travelled with the poet through his life journey fascinated by the diverse contents and poetic forms he uses to weave a whole story as well as the openness with which he approaches love heart pain struggles and positive actions This book is a treasure of vibrant poetry that moved me at a deep level with such a variety of themes and subjects all treated as individual masterpieces that I do not hesitate to recommend it to any lover of Ars Poetica There are so many excellent poems in this book about life love anger passion learning landscapes reminiscences stories travel and much more that I am full of admiration for Centofanti's gifts I loved reading this book from cover to cover and very much enjoyed every poem although my top selection is If a rose Mercy Sailing Gratitude Evil messages Garden of Love Ecstasy Harem Memories of the Alhambra The fields of peace Wanderlust From the heart to name but a few Poems of a life Journey is a jewel from the land of poetry where the Muse as the poet reveals in Functions shares his morning shower whispering in his ear the words or verses she encourages passionately Poets die poetry doesn't writes Jorge Centofanti in one of his poems and to prove it he has included 14 quotations from the greatest poets of

all times from Attar to Rumi Saadi Rabia Hallaj Hafez Khayyam So Long a Journey Sunday Okpanachi,2019 The Journey David Rosenthal,1992 **The Journey Home** Ladee Basset,2009-04-01 The Journey Home is a collection of 100 poems written in the traditional poetic form of rhyme and time Many of the poems are based upon true life experiences expressions of desperation and struggle heartache and heart break in the remembrance or thinking of either someone or a beloved pet some are as a result of an personal existing mood frame or purely based upon a factual point in time some are political view points or messages to those involved in the political system and a few are entirely fictional written simply from imagination All of the combined poems are a journey through life my life or our lives and the words are uniquely portrayed in perfect poetic context in rhyme and time creating a journey through life Each poem has a beginning a middle and an ending whilst at the same time cleverly flows remaining on the subject matter without diversion This book is the first book to express my minds abilities to write truly poetically and not merely in prose ode or ballad form Self contained structures all simple easy to understand and read is the main aim whilst at the same time hopefully ensuring a message as concise as possible is given These poems will be plondered upon undoubtedly and repetively for years to come by those who enjoy the love of poetry The ability to both relate and correlate will be experienced by the reader in not one of the poems but many of them The undying devotion to create and express shines throughout this book from page to page and poem to poem The Journey Poetry Series Entering New Levels James L Lagoski,2017-12-22 While preparing this book for final publication it was amazing reflecting back to the beginning Writing the poems included in my first book I never really thought much about how effortlessly the words just flowed on their own And as I move ahead into the second legacy of The Journey I am in awe of how many people have been affected by my poetry across the world So I welcome you to come with me and lets enter new levels of thought *A Spiritual Journey* Joseph P. Policape,2006 *Journey: New and Selected Poems* Jonathan Bolick,2013-10-01 Years of writing and decades of life have given Jonathan a wealth of experiences He has written these poems to remember and to share these times and his journey There is a Chinese proverb that says The journey is the reward Read through these well crafted poems and feel a part of Jonathan s journey and possibly recognize some points in your own journey **A Poetic Journey of Life** Brian Lewis,2018-07-17 It has been said that life is a journey that is often both not understood and misunderstood The spoken word has been around since the beginning of time flowing poetically like a river running downstream with adventure and purpose to a destination unknown Within the pages of this book you will find real life stories of the author and his travels Each poem is delicately written with brutal truth that sometimes you don t see coming preceded by the story from where the poem derived The poetry itself is real and filled with a subtle yet beautiful flow of both compassion and gratitude As you read each story you most likely will find yourself reflecting on a similar time in your own life that makes this entire book come to life Some words feel as if they jump off the page and whisper in your ear The unique writing style of the author makes you feel as if he is right next to you reading aloud Brian Lewis has really placed his

vulnerability on display and each page will certainly grab your attention

Journey Bread Ruth Thompson, 2024 The title of this collection suggests sustenance and the poetry within certainly supplies that but it is more an account of the journey itself the journey of an accomplished poet back through her life's work In her preface Ruth Thompson admits that what she first conceived as a conventional new selected volume became something else once she allowed her poems to become what they needed to be sometimes radically different from how they began and to gather themselves into their own pattern so that In the end this book has become a memoir of sorts a final dance with some old and new poems and a late in life reflection on the journey that brought me here This process is thus like the experience of the women she describes in her poem *Journeying West* across the prairie a trail marked by the things abandoned along the way as unnecessary burdens the broken axles of memory and desire until in the end women leave behind everything but what is in their heads What is left in Ruth Thompson's head is the bread of poetry and it is sustenance indeed
