A Journey to Hell Edward Ward,1700 **Journey To Hell** A.W. Trenholm,2021-01-06 Over forty years as a missionary traveling through four continents has brought A W Trenholm in contact with many divergent doctrines and often misrepresentations of the existence nature and purpose of hell Hell is usually represented as a place of eternal suffering but in his own journey there unlike in Dante s trip to the Inferno Trenholm was directed by what the Bible actually says about it all the while escorted by a very lovely and knowledgeable guide He discovered a hell vastly different from the one he had been led to expect and came to realize that many of his notions about the devil and the eternal fate of souls were not as fixed as he had thought He found that surprisingly demons are not confined to a burning lake of fire In fact no one was at least not yet **Journey to Hell** John Bunyan,1999 John Bunyan portrays one man s lifelong journey to hell and what we can do to avoid the same fate In this fascinating allegory the wickedness depravity and carnality in the life and death of Mr Badman are contrasted with biblical standards of living and the path that leads to heaven On the Day of Judgment will you inherit the kingdom that has been prepared for you You can live a successful life now and be ready to enter the eternal City of God **A walk through hell** Garth Ennis,2019 **Walk Through Hell** Anvita Kotha,2023 **JOURNEY TO HELL** Timothy Fomby,2016-09-13 This is a book written from a personal experience a young man had when he was younger He began making all kinds of wrong decisions regarding his future And just before he came to the crossroads of life the Lord took him on a journey A journey which he would never ever forget The Lord took him to another realm through space and time to a place full of mysteries and wonders to the days of God s final judgement And to the fiery abyss of Hell where all you can see is fire and smoke from which the fury of its burning flames cannot be extinguished This is a message sent by God to all by one person s journey We must make wise decisions regarding our lives For every decision we make have consequences Enjoy and be blessed *The Journey Out of Hell* Robert Johnson,2018-08-23 *The Journey Out of Hell* is an intimate description of the mental hell one goes through here on earth as well as the fire and brimstone eternal hell one goes to after leaving earth if you don t give your life to Christ There are many different tangents that separate people in the world such as financial status power status color religion sex sexual orientation and more This means that although we are all human beings we have

different goals agendas and journeys The journey for most of the people who make up most of the wealth is to keep their wealth by devising a plan to make more money or by keeping the money they have The journey for those that are at the bottom and want to rise to the top is to find a career paying six figures to feel as though they have made it The journey for others who are just lost or in total despair due to poverty mental illness or drugs is The Journey Out of Hell The Bible describes Hell as this place of fire and brimstone which is a forever burning of the soul where one goes after death due to the life lived here on earth One can avoid this Hell if they shall repent of their sins and give their life over to Jesus the son of God There are individuals who believe this wholeheartedly while others argue that this Hell is here on earth *A Journey to Hell; or, a Visit to the Devil ... Yeager,2016-05-22 If you dare open the pages of this book and enter into a world that is more horrifying then the human mind can ever imagine As you read Mike Yeager s over 2 hour experience of going to hell do not be surprised if what he felt saw and experienced does not begin to happen to you Discover why God created such a place it s eternal ramifications and what its ultimate purpose is Many people have had asked why hell Most of these questions Dr Yeager will answer in this book This book also includes testimonies of those who have been influenced by Mikes experience Also included My JOURNEY To HELL A Graphic Illustrated Experience of HELL A Field Trip to Hell Kevin Benton,2010-11-01 Many people even Christians do not believe that hell is real Kevin Benton gives sound Biblical doctrine about the reality of hell leading a journey that will expose its horrors This tour will challenge beliefs about the afterlife and motivate readers to develop a passion about fulfilling the Great Commission A Field Trip to Hell provides an opportunity to experience hell firsthand and ultimately find true faith This field trip is sure to be a life altering experience In an age of home made spirituality where even traditional authorities hasten to change the truth of God into a lie Kevin takes us on a journey to the other side assaulting our senses and pricking our emotions that we may vicariously experience what really lies for some beyond the grave Against the modern landscape of skepticism and rationalism he presents a profound and penetrating expose of the dark and inescapable reality of a forever without God His revelation of the horrors of hell makes the comforting invitation of Christ ever more appealing A Field Trip to Hell is a call to reconsider what we believe before it is too late Ron Bailey Host and Presenter of the Trinity Broadcast Network Premiere The Lazarus Phenomenon Gettysburg PA Journey To Hell Or, a Visit Paid To the Devil ,1700
