## **Journeys Sequel To Deja Views Of An Aging Orphan:**

**Journeys** Sam George Arcus,2002-02-13 All of the stories in this volume are free standing short stories Stories I through VIII however can be regarded as sequels to the authors previous work DEJA VIEWS OF AN AGING ORPHAN since they pick up on many characters and themes first introduced in that book and deal with the trials and tribulations of the Arcus Erkes family both in the Old Country and in America The central plot and theme involving Nochem Bashya and her children Nochems sister Sonia Mollie and her children is told from various perspectives and points of view not unlike the famous Japanes story RASHOMON The remaining stories are rooted in the United States albeit in different cities as the author and his family move from one community to another as he climbs the ladder of greater responsibilities and rewards within the social work and communal service field While all of the stories are based on actual events and real people some fiction was required to fill gaps and round out the stories For example details surrounding Nochems sustaining two life threatening wounds during the Russo Japanese War of 1905 and Bashya and her childrens eleven months odyssey from Odessa Ukraine to Nesvizh Poland Wars civil and world pogroms Displaced Persons Camps bigamy suicide and institutionalization are some of the events experienced by the books characters not too dissimilar to those in DR ZHIVAGO In any event each story can be perceived as a Journey actual or figurative with some of the Journeys in America providing some rare insights into the eleemosynary world of community centers and capital fund raising

**Deja Views of an Aging Orphan** Sam George Arcus,2000-11-01 To quote from E M Nathanson author of THE DIRTY DOZEN and numerous other works and fellow alumnus of the HNOH who wrote the FOREWORD to the book The title of the book DEJA VIEWS is itself a meaningful play on the French phrase deja vu meaning roughly the startling feeling that strikes you that what you have just experienced you have experienced before To anyone who shared those times DEJA VIEWS OF AN AGING ORPHAN will be an exciting time travel adventure comprehensive varied textured and evocative To those who lived in those times but had no knowledge then of the milieu of the books real life characters and stories and to those in the generations that followed such as the children and grandchildren of the Home boys the book will be a voyage of discovery Many of the anecdotes and people profiles in the book though not all of them were written as columns that appeared over the years in THE ALUMNUS the monthly publication of the Alumni Association of the Hebrew National Orphan Home and its successor institutions Homecrest and Hartman Homecrest They are word pictures that have ripened and matured and been revised over the years by more acute memory and input from others Some of these stories and brief biographies have even achieved the status of myths and legends In addition sowed amidst these pages of real persons and event as a sort of literary seasoning and entertainment are some short stories identified as fiction but which illuminate with their own truths The index alone is a cornucopia of memories The variety of people and themes that are remembered and summoned into the book is impressive Some evoke nostalgia for a time that we didnt know was that good when we were living it some bring a laugh or a tear And the focus is always on the

boys and the adults they became In addition to the foregoing I believe the best description of my book is contained in my INTRODUCTION which is therefore reproduced here in its entirety My older brother Al myself and my younger sister Henny all became half orphans upon the death of our mother in February 1929 Our father had to place us in orphanages when he found himself unable to provide the care required by a 9 year old boy his 7year old brother and 2 year old sister Al and I were placed in the Hebrew National Orphan Home on Tuckahoe Road in the outskirts of Yonkers NY while Henrietta was put into the Israel Orphan Asylum on East Second Street NYC This separation was necessary because the HNOH accepted only boys ages 6 to 16 later HS graduation whereas the IOA accepted boys and girls ages 2 to 5 It was while I was in the HNOH that I became a full fledged orphan when my father died in 1938 And Ive been a full fledged orphan ever since although I didnt start aging until just a few months ago when I turned 78 But some years before that my then new daughter in law Susan was describing my wife and myself to her mother including the fact that we were orphans my wife having been raised in the Pride of Judea Childrens Home on Dumont Ave in Brooklyn where I worked after I had left the HNOH To which Susans mother replied matter of factly Well so am I And so is your father Momentarily surprised Susan then elaborated No mom I mean they were orphaned as children and raised in orphanages Her mother hesitated and then said Oh This anecdote illustrates the fact that ultimately we all become orphans But that is not the focus of this work Its focus is the child who lost one or both parents at a young tender age and subsequently was placed in an institution the orphanage So when I titled this work OF AN AGING ORPHAN I wasnt focusing on an older person who had been orphaned as an adult but on an orphaned child who fortunately has been aging nicely I say fortunately because I
