La literatura infantil y juvenil española en el exilio mexicano Pedro C. Cerrillo Torremocha, María Teresa Miaja, 2013-11-20 Este trabajo es el resultado de una investigación de carácter histórico literario y documental que ha tenido como objetivo recoger seleccionar documentar y estudiar todo el material disponible de y sobre la literatura infantil y juvenil que los españoles crearon en el exilio mexicano tanto lo que respecta a las obras originales como lo referente al campo de las aportaciones críticas y técnicas Hemos explorado no sólo la creación literaria sino también la labor de ilustradores editores impresores y maestros exiliados destacando las implicaciones sociológicas y educativas de aquel exilio y la importancia de una tradición literaria que en muchos casos era continuación de la que se estaba haciendo en España antes del inicio de la Guerra Civil Con la lectura de las páginas de este estudio se podrá comprobar la vitalidad de la literatura infantil y juvenil que los españoles crearon durante el exilio en México y la importancia que le conceda la comunidad exiliada no sólo como medio de entretenimiento sino también como medio de educación y mantenimiento de una tradición literaria y plástica rota por la guerra No olvidemos además que a México llegaron muchos niños solos o con sus familias que formaban un público abundante para esas obras Sin olvidar claro está que tales aportaciones sirvieron con su influencia para renovar y dar en un marco de reciprocidad ya que también los autores españoles recibieron la influencia de la tradición autóctona mexicana nuevos aires a la tradición literaria infantil propia de México
