Judaism and Global Survival

NEW REVISED EDITION

Dr. Schwartz echoes the
impassioned protest of the
ancient prophets of Israel in
his pointed consideration of
contemporary social
issues — **Rabbi David Sears**,
author, *Compassion For
Humanity in the Jewish
Tradition*

Richard H. Schwartz, Ph.D.

*Author of **Judaism and Vegetarianism**
and **Mathematics and Global Survival***

Judaism And Global Survival

Hope Bohanec

Judaism And Global Survival:

Judaism and Global Survival Richard Schwartz, 2023-08-15 *Judaism and Global Survival* discusses the challenges facing humanity and the Jewish teachings related to these challenges in order to galvanize Jews to help repair the world tikkun olam as required by Jewish law. It argues that we don't need to discover new values and approaches to address current global threats. What is needed is a rediscovery and application of basic Jewish teachings and mandates such as to pursue peace and justice to love our neighbors as ourselves and to act as co-workers with God in protecting and preserving the world. *Judaism and Global Survival* is meant to be a wake up call the strongest that one can make on the urgency of addressing climate threats and other environmental threats and the importance of Jews applying Jewish values in addressing these threats. Among the issues discussed in the book are the following: Jews are to guardians of the earth, partners and co-workers with God in working toward tikkun olam, the healing, repair and proper transforming of the world. Climate change is an existential threat to the world and the only hope to avert a climate catastrophe is through a major shift to plant-based diets as that would enable reforestation of the vast areas now used for animal agriculture, reducing atmospheric CO2 to a much safer level. Vegetarianism and even more so, veganism is the diet most consistent with Jewish teachings on preserving our health, treating animals with compassion, protecting the environment, conserving natural resources and helping hungry people. Judaism and Vegetarianism Richard H. Schwartz, 2001. From God's first injunction: Behold, I have given you every herb yielding seed which is upon the face of all the earth and every tree in which is the fruit of a tree yielding seed to you, it shall be for food. Gen 1:29. The Hebrew Bible offers countless examples of how God intends a compassionate and caring attitude toward animals, our health and the health of the planet. This attitude as Richard Schwartz shows in his pioneering work, now fully revised, has been a constant theme throughout Judaism to the present day. Indeed, Judaism's particular concern for tikkun olam, a healing of the world, has never been more urgent today given the current state of world hunger, environmental degradation and the horror of factory farms. Dr. Schwartz shows not only how Judaism is particularly well suited to solving these problems but how doing so can revitalize one's Jewish faith. *Judaism and Justice* Rabbi Sidney Schwarz, PhD, 2011-05-02. The first state-of-the-art comprehensive resource to encompass the wide breadth of the rapidly growing field of Judaism and health. For Jews, religion and medicine and science are not inherently in conflict even within the Torah-observant community but rather can be friendly partners in the pursuit of wholesome ends such as truth, healing and the advancement of humankind. From the Introduction. This authoritative volume, part professional handbook, part scholarly resource and part source of practical information for laypeople, melds the seemingly disparate elements of Judaism and health into a truly multidisciplinary collective, enhancing the work within each area and creating new possibilities for synergy across disciplines. It is ideal for medical and healthcare providers, rabbis, educators, academic scholars, healthcare researchers and caregivers, congregational leaders and laypeople with an interest in the most recent and most exciting developments in

this new important field **Reader's Guide to Judaism** Michael Terry,2013-12-02 The Reader's Guide to Judaism is a survey of English language translations of the most important primary texts in the Jewish tradition The field is assessed in some 470 essays discussing individuals Martin Buber Gluckel of Hameln literature Genesis Ladino Literature thought and beliefs Holiness Bioethics practice Dietary Laws Passover history Venice Baghdadi Jews of India and arts and material culture Synagogue Architecture Costume The emphasis is on Judaism rather than on Jewish studies more broadly **Who Stole My Religion?: Revitalizing Judaism and Applying Jewish Values to Help Heal Our Imperiled Planet** Richard H. Schwartz,2012-02-01 In the five decades since Richard Schwartz first became a religious Jew he has watched the mainstream Jewish community shift more and more to the Right often abandoning the very values that originally attracted him to Orthodox Judaism In this soul searching book Schwartz examines the ways in which he believes his religion has been stolen by partisan politics and offers practical suggestions for how to get Judaism back on track as a faith based on peace and compassion Tackling such diverse issues as U S politics Israeli peace issues the misuse of the Holocaust antisemitism U S foreign policy Islamophobia socialism vegetarianism environmentalism Schwartz goes where many Jews fear to go and challenges us to re think current issues in the light of positive Jewish values With photos notes action ideas resource lists and annotated bibliography Also includes appendix materials with Rabbi Yonassan Gershom Historical Dictionary of Judaism Norman Solomon,2024-10-15 What we now call Judaism is the religion of the rabbis it is rooted in scripture the Hebrew Scriptures but it is not to be identified with Old Testament theology Judaism in its many manifestations has continued to evolve rereading its ancient texts and extracting new meaning while addressing contemporary issues such as the status of women and attitudes to sexual orientation History or rather our perception of it has changed substantially Previously unknown documents and artefacts have surfaced while scholars have proposed far reaching changes to the way we read and evaluate ancient texts Nowadays we have a more nuanced understanding of how to evaluate statements in the Talmud and other rabbinic writings and we are better able to contextualize them not only in Greco Roman antiquity but also in the Sasanian environment in which the Babylonian Talmud was formed Historical Dictionary of Judaism Fourth Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 800 cross referenced entries on important personalities in Jewish religious history including biblical personalities with an emphasis on how they are understood in Jewish Christian and Islamic tradition This book is an excellent access point for students researchers and anyone wanting to know more about Judaism The Way into Judaism and the Environment Jeremy Benstein, PhD,2013-05-07 An accessible introduction to the Jewish understanding of the natural world and the key concepts central to Jewish environmentalism At a time of growing concern about environmental issues this book explores the relationship Jews have with the natural world and the ways in which Judaism contributes to contemporary social environmental issues It also shows readers the extent to which Judaism is part of the problem and how it can be part of the solution Offering both an

environmental interpretation of Judaism and a Jewish approach to environmentalism this book examines What environmentalism is What the creation stories can teach us about who we are and what nature is The relevance of Torah and traditional sources The A to Z of Judaism Norman Solomon,2009 This book includes a chronology and an introduction that presents an overview of all aspects of Judaism Numerous cross referenced dictionary entries detail important people writings institutions concepts Hebrew words philosophy theology and religious law and an extensive bibliography provides access for further study Jacket **Encyclopedia of Religion and Nature** Bron Taylor,2008-06-10 The Encyclopedia of Religion and Nature originally published in 2005 is a landmark work in the burgeoning field of religion and nature It covers a vast and interdisciplinary range of material from thinkers to religious traditions and beyond with clarity and style Widely praised by reviewers and the recipient of two reference work awards since its publication see www.religionandnature.com ern this new more affordable version is a must have book for anyone interested in the manifold and fascinating links between religion and nature in all their many senses Prescription for an Ailing World Wayne Allen,2017-09-29 In 1924 an Australian minister observed that while the world may be getting better off the world is not getting better Almost one hundred years have passed and little has changed No doubt people today are healthier and wealthier than ever before But people do not seem to be any more virtuous New technologies have changed the way people live but violence torture terrorism cruelty deception dishonesty and disrespect continue to threaten how well people live Wayne Allen argues that while humanity may be ailing it is not beyond treatment and cure By embracing ten essential principles rooted in the Bible and putting them into practice it is possible to make people better Allen takes the reader through a tour of the sad state of moral health of humanity and suggests a remedy With remarkable humor and sharp insight Allen will bring readers to an appreciation of how the world can be transformed *MegaloPsychia* Rami Elias Kremesti,2024-01-05 According to Rami Elias Kremesti nothing in life is worse than living in ignorance After many years of living in depression fear anxiety hate and confusion the author feels he is finally emancipated and enlightened and wants to bring a taste of this sweetness to the reader In his third book he talks about the accomplishments of the Jewish people the same people that were and are still demonized in his home country of Lebanon Rami was lucky he was able to escape from the toxic milieu of Lebanon after the end of the civil war Instead of East he went to the decadent West where paradoxically he tasted the truth in the poetry of Rumi in Los Angeles which was his home for about six years There he also met some Jewish people that became his lifelong loyal friends As Rumi puts it his soul caught fire He discovered the meaning of loving one s enemy and turning the other cheek You see dear reader when one tastes divine love all pettiness anger and attachment dissolves One starts to see unity instead of division All religions one praise as Rumi puts it In his first book *The Other Cheek of Islam* he reached out to his Muslim brothers In his second book *For Love of the Sacred Awe* he talks about beauty and aesthetic In his third one he reaches out to his Jewish brothers **Torah of the Earth Vol 1** Rabbi Arthur O. Waskow,2012-07-12 Can we re imagine

our relationship to the earth using the viewpoints and texts of the last four millennia Human responses to the natural world stretching back through the last 4 000 years come to life in this major new resource providing a diverse group of ecological and religious voices It gives us an invaluable key to understanding the intersection of ecology and Judaism and offers the wisdom of Judaism in dealing with the present environmental crisis Both intelligent and accessible Torah of the Earth is an essential resource and a reminder to us that humans and the earth are intertwined More than 30 leading scholars and experts enlighten provoke and provide a guided tour of ecological thought from four major Jewish viewpoints Vol 1 Biblical Israel One Land One People Rabbinic Judaism One People Many Lands Vol 2 Zionism One Land Two Peoples Eco Judaism One Earth Many Peoples Vegan Revolution Richard H. Schwartz,2020 For over four decades Richard Schwartz has engaged with two ethically rich ways of living that as he charts in this book he came to appreciate in middle age Judaism and veganism Having been born into a secular Jewish family it was his marriage and an increasing commitment to social justice that propelled him to study and rediscover the essence of his Jewish faith That sense of social justice further raised his awareness of the environmental movement and ultimately to animal rights and veganism In Vegan Revolution Saving Our World Revitalizing Judaism Schwartz shows how now perhaps more than ever veganism offers a pathway for all of us of whatever faith or no faith to reduce hunger conserve the environment save water reinstitute justice and care for animals and the Earth It is no coincidence as Schwartz demonstrates that many of these ideas are mandates in Jewish scripture and that reincorporating a care for the world tikkun olam can itself reinvigorate the spirit of a faith and galvanize its practitioners to act

Religious Agrarianism and the Return of Place Todd LeVasseur,2017-10-27 Examines religious communities as advocates of environmental stewardship and sustainable agriculture practices Writing at the interface of religion and nature theory US religious history and environmental ethics Todd LeVasseur presents the case for the emergence of a nascent religious agrarianism within certain subsets of Judaism and Christianity in the United States Adherents of this movement who share an environmental concern about the modern industrial food economy and a religiously grounded commitment to the values of locality health and justice are creating new models for sustainable agrarian lifeways and practices LeVasseur explores this greening of US religion through an extensive engagement with the scholarly literature on lived religion network theory and grounded theory as well as through ethnographic case studies of two intentional communities at the vanguard of this movement Koinonia Farm an ecumenical Christian lay monastic community and Hazon a progressive Jewish environmental group The blend of empirical sociology and philosophical religious ethics is impressive I found the book not only interesting but valuable for my own scholarship Paul B Thompson author of The Agrarian Vision Sustainability and Environmental Ethics Arguing about Judaism Peter Cave,Dan Cohn-Sherbok,2020-03-26 Arguing about Judaism differs from other introductions to Judaism It is unique not solely in its engaging dialogues between a Reform rabbi and a humanist atheist philosopher but also in its presentation of and challenges to the fundamental religious beliefs of the Jewish heritage

and their relevance to today's Jewish community. The dialogues contain both Jewish narratives and philosophical responses with topics ranging from the nature of God to controversies over sexual relations, animal welfare and the environment, from antisemitism to the state of Israel and Zionism. Although the rabbi and philosopher argue strongly, clearly enjoying the cut and thrust of debate, they do so with sensitivity, charm and respect, revealing the rich intricacies of the Jewish religion and contemporary Jewish life. While essential reading for those studying Judaism and Jewish history, the book aims to stimulate debate more generally amongst Jews and non-Jews, the religious and the atheist, all those with a general interest in religion and philosophy.

Judaism and Environmental Ethics Martin D. Yaffe, 2002-05-09. Martin D. Yaffe's *Judaism and Environmental Ethics: A Reader* is a well-conceived exploration of three interrelated questions: Does the Hebrew Bible or subsequent Jewish tradition teach environmental responsibility or not? What Jewish teachings, if any, appropriately address today's environmental crisis? Do ecology, Judaism and philosophy work together or are they at odds with each other in confronting the current crisis? Yaffe's extensive introduction analyzes and appraises the anthologized essays, each of which serves to deepen and enrich our understanding of current reflection on Judaism and environmental ethics. Brought together in one volume for the first time, the most important scholars in the field touch on diverse disciplines including deep ecology, political philosophy and biblical hermeneutics. This ambitious book illustrates precisely because of its interdisciplinary focus how longstanding disagreements and controversies may spark further interchange among ecologists, Jews and philosophers. Both accessible and thoroughly scholarly, this dialogue will benefit anyone interested in ethical and religious considerations of contemporary ecology.

The A to Z of Judaism Norman Solomon, 2009-08-13. Judaism, the religion of the Jewish people, is one of the first recorded monotheistic religions and as such is one of the oldest religious traditions still practiced today. While its influences can be seen in the religions of both Christianity and Islam, many of its beliefs, traditions and practices are unknown. The second edition of *The A to Z of Judaism* doesn't just present religious beliefs in a traditional sense but investigates the complex intermingling of religion, devotion, lifestyle and culture as it is found in diverse Jewish populations around the world and as it has evolved over the course of recent human history. Judaism, like many other cultural institutions, has rarely remained static; instead, continually investigating and questioning itself, metamorphosing in relation to the world. By means of a chronology, an introductory essay, a bibliography and numerous cross-referenced dictionary entries on important persons, writings, institutions, concepts, Hebrew words, philosophy, theology and religious law, author Norman Solomon provides an important reference source for the study of Judaism.

A Code of Jewish Ethics, Volume 2 Rabbi Joseph Telushkin, 2009-02-10. Jewish thinkers don't talk all that much about love. All too often we leave that to Christian theologians. But in this excellent volume, Rabbi Joseph Telushkin puts the commandment to love at the center of Jewish theology and experience. This is a book that will change the way you think about and practice Judaism. Professor Ari L. Goldman, Columbia University and author of *The Search for God at Harvard*, "Love your neighbor as yourself" is the best known commandment in

the Bible Yet we rarely hear anyone talk about how to apply these words in daily life In this landmark work Rabbi Joseph Telushkin one of the premier scholars and thinkers of our time gives both Jews and non Jews an extraordinary summation of what Jewish tradition teaches about putting these words into practice Writing with great clarity and simplicity as well as with deep wisdom Telushkin covers topics such as love and kindness hospitality visiting the sick comforting mourners charity relations between Jews and non Jews compassion for animals tolerance self defense and end of life issues This second volume of the first major code of Jewish ethics written in the English language is breathtaking in its scope and will undoubtedly influence readers for generations to come It offers hundreds of practical examples from the Torah the Talmud the Midrash and both ancient and modern rabbinic commentaries as well as contemporary anecdotes all teaching us how to care for one another each and every day A Code of Jewish Ethics Volume 2 Love Your Neighbor as Yourself is a consummate work of scholarship Like its acclaimed predecessor which received the National Jewish Book Award it is rich with ideas to contemplate and discuss while being primarily a book to live by Nothing could be more important in these strife torn times than learning how to love our neighbors as ourselves The message of this book is as vital and timely now as it has been since time immemorial

The Ultimate Betrayal Hope Bohanec, 2013-06-13 Drawing on peer reviewed research worker and rescuer testimony and encounters with the farm animals themselves *The Ultimate Betrayal* discusses the recent shift in raising and labeling animals processed for food and the misinformation surrounding this new method of farming This book explores how language manipulates consumers concepts about sustainability humane treatment and what is truly healthy It answers important questions surrounding the latest small scale farming fad Is this trend the answer to the plentiful problems of raising animals for food What do the labels actually mean Are these products humane environmentally friendly or healthy Can there really be happy meat milk or eggs With case studies and compelling science *The Ultimate Betrayal* increases awareness of the issues surrounding our treatment of animals global health and making better food choices *The Ultimate Betrayal* is a well rounded and thoroughly researched book that touches the heart with an honest and unflinching look at the reality behind humane labels With real life examples from multiple viewpoints and thought provoking philosophical underpinnings *The Ultimate Betrayal* is a must read for anyone interested in ethical food choices Dawn Moncrief founder A Well Fed World

The Oxford Handbook of Jewish Ethics and Morality Elliot N. Dorff, Jonathan K. Crane, 2016-01-23 For thousands of years the Jewish tradition has been a source of moral guidance for Jews and non Jews alike As the essays in this volume show the theologians and practitioners of Judaism have a long history of wrestling with moral questions responding to them in an open argumentative mode that reveals the strengths and weaknesses of all sides of a question The Jewish tradition also offers guidance for moral conduct by individuals communities and countries and shows how to motivate people to do the good and right thing *The Oxford Handbook of Jewish Ethics and Morality* is a collection of original essays addressing these topics historical and contemporary as well as philosophical and practical by leading scholars from around

the world The first section of the volume describes the history of the Jewish tradition s moral thought from the Bible to contemporary Jewish approaches The second part includes chapters on specific fields in ethics including the ethics of medicine business sex speech politics war and the environment

Judaism And Global Survival Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Judaism And Global Survival free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Judaism And Global Survival free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Judaism And Global Survival free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Judaism And Global Survival. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research

papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Judaism And Global Survival any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Judaism And Global Survival Books

1. Where can I buy Judaism And Global Survival books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Judaism And Global Survival book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
