Steven Greenberg, 2004-02-23 For millennia two biblical verses have been understood to condemn sex between men as an act so abhorrent that it is punishable by death Traditionally Orthodox Jews believing the scripture to be the word of God have rejected homosexuality in accordance with this interpretation In 1999 Rabbi Steven Greenberg challenged this tradition when he became the first Orthodox rabbi ever to openly declare his homosexuality Wrestling with God and Men is the product of Rabbi Greenberg s ten year struggle to reconcile his two warring identities In this compelling and groundbreaking work Greenberg challenges long held assumptions of scriptural interpretation and religious identity as he marks a path that is both responsible to human realities and deeply committed to God and Torah Employing traditional rabbinic resources Greenberg presents readers with surprising biblical interpretations of the creation story the love of David and Jonathan the destruction of Sodom and the condemning verses of Leviticus But Greenberg goes beyond the question of whether homosexuality is biblically acceptable to ask how such relationships can be sacred In so doing he draws on a wide array of

nonscriptural texts to introduce readers to occasions of same sex love in Talmudic narratives medieval Jewish poetry and prose and traditional Jewish case law literature Ultimately Greenberg argues that Orthodox communities must open up debate dialogue and discussion precisely the foundation upon which Jewish law rests to truly deal with the issue of homosexual love This book will appeal not only to members of the Orthodox faith but to all religious people struggling to resolve their belief in the scriptures with a desire to make their communities more open and accepting to gay and lesbian members 2005 Finalist for the Lambda Literary Awards for Religion Spirituality
