Durano,2018-12-14 Every guy knows the unspoken rule don't ever fall for your best friend's sister until she shows up at your company holiday party and the last thing you want to be is her brother's best friend Caitlin I've known Campbell all my life He's the boy next door and my brother's best friend the one man outside of family with whom I can completely be myself But when I wake up in his bed the morning after his company holiday party there are two things I suddenly can't ignore Campbell Murphy is all grown up in more ways than one and I no longer want to be just his best friend's sister But even if we're both on the same page is a fling worth sacrificing a lifetime of trust between families Or is it worth a shot at something that had always been there all along Each book in A Different Kind of Love series can be read on its own with NO cliffhanger and a guaranteed HEA Some are angsty and emotional while some are fun lighthearted and set during the holiday season like this one *Friends, Lovers, Co-Workers, and Community* Mary Erickson,Kathleen M.
