focuses on her own winding path one that will resonate with seekers People What is the word for craving a relationship with the earth plants rocks and stars What do you call someone who finds their spirit sparked by these relationships whose concept of the sacred is altered by the scent of jasmine in bloom or the deep indigo of a sky awaiting nightfall We re taught that doctors know our bodies and priests know our souls But what if you re a person seeking to understand both for yourself without an intermediary What is the word for these feelings and the person we become when we honor them For writer Maia Toll that word is magic Magic points to something intrinsic to and necessary for the wholeness of the human spirit It s a marker for the gnawing craving for a connection which includes but also stretches beyond the human realm The exploration of this word was part of her search for both personal empowerment and a sense of cosmic connectedness the yin and yang of our lives In *Letting Magic In* Maia shares the story of her own magical becoming from the untimely death of a friend that leads her to abandon Brooklyn in favor of the small town of Beacon NY to taking a yearlong sabbatical of exploration and finally to Ireland where she studied under an herbalist and learned the true magic of listening to the earth itself This book is the story of one woman s becoming the story of pushing past the boundaries of what once seemed possible to discover the extraordinary all around us In it Maia shares how she learned to let magic in so she could live the life she longed for one filled with curiosity connection and the deepest kind of inner knowing In this soulfully written recollection peppered throughout with magical learnings and rituals gathered along the way Maia uncovers the things that change you in unexpected ways and guide you to become the person you never knew you wanted to be but perhaps always were This she could call magic And through *Letting Magic In* you will gain the courage and the wisdom to find your own *A to Zoo* Carolyn W. Louis my best friend who knows me better than anyone else in this world This should be a cephalopod induced nightmare but somehow in some ridiculous way I feel like I m experiencing the extraordinary the gift of endless opportunities to get things right But when I wake up every morning and it s Friday again sometimes it feels more like a never ending prison sentence They say some things are worse than death guess I m about to find out At Entangled Teen we care about our readers experience Please be advised that this title is intended for ages 17 and may not be suitable for all audiences And the Frog Went "Blah!" and Other Poems Arnold Spilka,1972 Twenty five nonsense poems about unusual animals people and experiences **Making a Friend and Other Fables** B Hoistad,2007-07-19 This collection of stories was written by our second grade class When we are older we will look back and smile at our stories and remember all the fun we had in second grade Maybe we will grow up to be writers Full Circle Carl B.
