A Conceptual-analytic Study of Classical Indian Philosophy of Morals Rajendra Prasad,2008 Using reconstructive ideas available in classical Indian original works this book makes a departure in the style of modern writings on Indian moral philosophy It presents Indian ethics in an objective secular and wherever necessary critical manner as a systematic down to earth philosophical account of moral values virtues rights and obligations It thereby refutes the claim that Indian philosophy has no ethics as well as the counter claim that it transcends ethics It demonstrates that moral living proves that the individual his society and the world are really real and not only taken to be real for behavioral purposes as the Advaitins hold the self is amoral being a non agent moksa is not a moral value and the Karmic theory because of involving belief in rebirth does not fuarantee that the doer of an action is also the experiencer of its results contrary to what is commonly held and Indian ethics can sustain itself even if such notions are dropped Rajendra Prasad calls Indian ethics organismic because along with ethical concerns it also covers issues related to professions politics administration sex environment etc Therefore in one format it is theoretical and applied normative and metaethical humanistic and non humanistic etc of course within the limits of the then cognitive enquiry

Breaking Free from Anger & Unforgiveness Linda Mintle,2002 *Taking the Word to Heart* Robert Campbell Roberts,1993 Christians today are besieged by ideas about personhood what it means to be a whole person a happy person a fulfilled person a healthy person In fact Robert C Roberts says psychology has invaded the Christian church and while modern psychologies offer insights and practices that can be helpfully adapted for Christian use they sometimes contradict and can even displace true Christianity
