From Beneath The Wizards Gown:

From Beneath the Wizard's Gown Tony Stringfellow, 2005 The father of glam rock Marc Bolan was renowned for glitter make up camp clothes and performances His music evolved from ethereal Tolkienesque influences to stylistically original pop He died at a time when his persona was still engulfed in the commercialisation of the pop character he had created leaving the full enigma of his mind untold Much has been written about Marc Bolan the Glam Rock King but little has touched on the person below the make up This book aims to do just that inspired by a large selection of previously unpublished poetry of Bolan s reflecting his earlier works in *The Warlock of Love* It endeavours to delve into the corners of Bolan s mind that made him the charismatic mystical icon who wrote apparently senseless lyrics and aspires to restore a depth of understanding to his words enhancing his credibility as an artist a wordsmith and a musician Wizard's Hall Jane Yolen, 2015-10-27 An inept wizard in training is the only one who can save his classmates from the terrible sorcery that threatens to devour their magical school Acclaimed master fantasist Jane Yolen imagines an academic world of wonders where paintings speak walls move monsters are made real and absolutely anything can happen as she introduces readers to a hero as hapless as the legendary Merlin is powerful It was Henry s dear ma who decided to send him off to Wizard s Hall to study sorcery despite the boy s apparent lack of magical talent He has barely stepped through the gates of the magnificent school when he is dubbed Thornmallow prickly on the outside squishy within Still regardless of his penchant for turning even the simplest spell into a disaster Thornmallow s teachers remain kind and patient and he soon has a cadre of loyal loving friends But there is something that no one is telling the boy As the 113th student to enroll in the wondrous academy Thornmallow has an awesome and frightening duty to fulfill and failure will mean the destruction of Wizard s Hall and everyone within its walls

Of Wizards and Wolves David Farland, 2023-02-10 A memorial anthology for fantasy master David Farland A good story can entertain us A great story can transform us Two iconic archetypes in fantasy and fairy tales are wizards and wolves and both are known for their ability to transform Wizards can work magic to change the rules of the world to fit their wants and needs Wolves can transform from man to beast under the light of a full moon Both can represent power and danger as well as inspire loyalty or fear This collection of eighteen short stories celebrates a wide variety of both wizards and wolves often in the same story as well as peels back the layers of what it means to be transformed You ll read stories of people turning into wolves or wolves turning into people but you ll also read stories of a wizard passing on his legacy before he dies and a hockey game played to reclaim part of a stolen soul You ll find a twist on the familiar story of a young girl in a red cape and a tale of a pinball machine that is more than it appears to be From fantasy to horror to science fiction to humor these stories offer something for everyone David Farland transformed lives not only with his writing and imagination but also with his mentoring of new writers This anthology supports the scholarship fund of the Superstars Writing Seminars which he co founded By turns heartbreaking and humorous but always magical this anthology is a fitting tribute that s sure to please
