Florence Ph.D

M.ED., 2012-11-29 As an established international speaker and consciousness facilitator Dr Nightingale Florence combines her wisdom and understanding of quantum mechanics and spiritual science as they apply to educational programming personal well beingness consciousness and the creation of preferred realities Having the mind of a globalist she supports the public with dynamic comprehension of the new sciences related to mind mechanics and consciousness She upholds the power of collective intention as synergistic catalyst as well as dynamic initiatory and awakening force needed in the construction of a new consciousness grid matrix for the acceleration of personal and planetary well being She reveals the inherent capacity in all humans irrespective of creed or planetary geography as resident potential awaiting a corresponding consciousness state to mine forth the Diamond within With the planets evolutionary agenda in mind and expanded sense of awareness she uncovers the reality effects of consciousness upon personal and planetary evolution when science meets

spirituality As an accomplished educator she offers intelligent understanding from a wealth of experience including counseling consulting She has more than 22 years of experience working with clients in health and transformation She holds a Ph D in Counseling and a Masters in Education degree from Cambridge College in Massachusetts *Better Life and Business* Branko Souček, 2013-05-21 *Better Life and Business* Cell Brain Mind and Sex Universal Laws is an e book that defines the fascinating new discipline BRAINLIFEBIZ BRAINLIFEBIZ combines new discoveries in neurobiology behavior and medicine with novel concepts related to conscious software programming automation system adaptation module selection self organization and automatic discovery In other words BRAINLIFEBIZ is a science of the consciousness bio quantum random chaos computations self organized event trains and processes with several conditions continuous and discrete without leadership and central control etc The goal of BRAINLIFEBIZ is to create a perfect computer model that simulates animal and human behavior in a computerized experimental setting This volume presents simulations of the firefly cricket katydid frog bird and human prefrontal cortex The book breaks across the lines that separate scientific disciplines It explains the global nature of the specific intelligent systems outlined above These intelligent systems features include learning self organization fuzzy logic high speed signal processing and process control These features are employed to generate an intelligence map The map presents figures and equations curves and data for major Elementary Processes aggression mimicry chaos trains pile up attractions courting mating emotion reasoning and consciousness Elementary Processes are then simulated to interact with each other and form millions of complex processes explained by universal laws behind the cell brain mind sex These laws explain in a new way natural selection and reproductive success in the local and global society and business These laws can be applied in a variety of situations from everyday stress free life to intelligent business decision making but with a solid biomedical and scientific foundation The theory behind intelligent systems can be viewed as a complement to the genetic DNA code The brain generates various brain event trains which allow it to store information in dispersed neural networks biologically speaking in 25 billions of neurons some of which with thousands of synapses dispersed over the cortex The book explains the fast precise and clear neural diagnostic process as well as the extremely flexible powerful leader mind *Better Life and Business* Cell Brain Mind and Sex Universal Laws is therefore a valuable reference for researchers to the fascinating world of natural and man made intelligent systems and their applications in business situations and personal lives *The Stairway to Consciousness* Dr. Thomas Stark, Come and discover the extraordinary story of how consciousness is born from the unconscious This is the story of existence This is the story of the meaning of life the universe and everything Everything conscious has the unconscious for a mother To exist is to live to have a mind and to think As we see in our dreams thinking can produce outer worlds which we imagine are external to us but are just our own constructs We are all part of a living cosmic organism seeking to optimize itself to perfect itself The Cosmic Mind produces a Cosmic World in which Mind can contend with its own construct and come to consciousness via all the

problems and struggles it encounters there We are alienated from the world because we fail to understand that we unconsciously created it Only consciousness can reveal the truth that everything is made by us that we have total control over it if we put our mind to it Minds and their thoughts are all that exist There is nothing else *Space* François Penz, Gregory Radick, Robert Howell, 2004-03-25 What is space This fascinating journey of exploration begins in our own minds the space within our brains We discover how space is used in sign language and in architecture before moving on to the virtual space created in an imaginary computer generated world The delineation of space has been important throughout human history and we look at how boundaries have been mapped in the past and how they remain politically important today Finally we travel into outer space to look at human exploration and the ultimate nature of space and the universe

**Routledge Handbook of Air Power** John Andreas Olsen, 2018-02-20 The Routledge Handbook of Air Power offers a comprehensive overview of the political purposes and military importance of air power Despite its increasing significance in international relations statecraft and war the phenomenon of air power remains controversial and little understood beyond its tactical and technological prominence This volume provides a comprehensive survey designed to contribute to a deep and sophisticated understanding of air power Containing contributions from academics and service personnel the book comprises five sections Part I Foundation the essence of air power Part II Roles and functions delivering air power Part III Cross domain integration applying air power Part IV Political social economic environment air power in its strategic context Part V Case studies air power in its national context Examining a series of themes and factors that contribute to an understanding of the utility and applicability of air power this Handbook focuses on the essence of air power identifies its roles and functions and places air power in its wider strategic and national contexts The Routledge Handbook of Air Power will be of great interest to students of air power strategic studies defence studies security studies and IR as well as to military professionals and policy makers My Big TOE - Discovery S Thomas Campbell, 2023-08-29 The interface between us and our consciousness AND a model of consciousness My Big TOE - Awakening H Thomas Campbell, 2023-05-30 Section 1 provides a partial biography of the author Section 2 lays out the basic conceptual building blocks needed to construct My Big TOE s foundation

**International Who's Who in Poetry 2005** Europa Publications, 2004 Provides up to date profiles on the careers of leading and emerging poets *Apocalypse in Paradise* Robert R. Fiedler, 2013-12-11 In this Volume is considered various things about life and living We will analyze some of what is evil and consider some of the universally good things The World is mostly good however some men have corrupted it with their greed and immorality Lying Fools have captured many important positions and control unimaginable wealth Those control very large segments of the information and publishing industries Those have assumed responsible positions in government and finance Those are the wealthy of today millionaires and billionaires Much of such wealth is earned from illicit means Those are slowly strangling the Civilization And the people of a wonderful World What can the good people do Such men are alien to decency They have no respect for their fellow man

Those are arrogant and self assured in their contempt For others of their kind those are liars thieves and hypocrites Those are greedy and sinful men that exploit all manner of opportunity Those are exclusive and stand apart from most other men and they have no shame Some live in the finest places fit for a King while being less than the lowest of creatures The contest is as it has always been The contest is between God as Father Son and Holy Ghost And the Devil as is found hiding in weak dull and corruptible men Both exist as an Idea and a Spirit and cannot be discounted Both are a part of Humanities destiny
