Women's Studies in Religion Kathleen McIntosh, Kate Bagley, 2017-09-19 Women's Studies in Religion A Multicultural Reader uses essays written by today's most respected feminist voices to examine the impact of contemporary feminism on the practice and study of religion Many in the field have expressed the need for a reader that is both accessible to undergraduates who have little background in the study of religion and that shows the transforming impact of feminism on the religious lives of American women This book meets that need **The Dark Mother Collector's Edition** Jamilette Cintron, 2024-10-04 Many believe Fate and Destiny to be two sides of the same coin Fate wearing the face of predetermination while Destiny wears the face of Purpose Fate suggest that certain events are beyond human control

Forcing inevitability to certain outcomes Destiny implies one is meant to follow a specific path Although they both take away the notion of freewill Destiny allows the space for personal growth Where Fate serves us with cosmic interference What would happen when unavoidable events intersect with personal choices Betrayed by their creator Bound by Fate A quest for vengeance sets these three sisters on a path through time and space With each sister representing the Past the Present and the Future they wield unimaginable power As they unravel the secrets of their universe The Fates must confront their own origins the choices they ve made and the true cost of vengeance Can they over come their differences and stand together or will time itself betray them in the end **Demons and Destiny** Catherine Milos,2016-10-27 What else are friends for but to rescue you from a deranged reincarnated dark Viking shaman serving a lazy lesser Celtic god Ex Angel Tyrel Hanson is cursed He must send all demons back to Hell before he can be with the woman he loves The mission is enough to drive him to darkness Elizabeth McAllistar discovers she is magic blind A dangerous condition which could end up killing her and her best friend Madison Madison Porter is a scientist When she suddenly discovers she has magic and a past life with Tyrel her world is thrown into chaos Her magic might be the only thing that can free Tyrel from his cursed destiny and keep them all alive Deeper Shades of Purple Stacey M. Feminist Counter-narratives of Young Adult Literature by Women of Color Traci P. Baxley, Genyne Henry

Boston, 2014-09-02 Current school systems create a generation of students who experience institutional practices that honor other students' needs; those students who share the values of those with power and have pathologized other groups, specifically women of color. *In Visible Presence* intends to contribute to existing pedagogy which empowers students, teachers, administrators, and policy makers to develop participatory membership in schools and among citizens who can begin to create an anti-oppressive society. *In Visible Presence* contains a holistic thematic approach to exploring young adult YA novels written by women of color while providing cultural and historical contexts for interpreting and analyzing their work through a feminist lens. Unlike other scholarship, *In Visible Presence* uses a feminist theoretical framework to create a space in which select literary works offer counter-narratives that can be analyzed and critically interpreted according to principles and ideas intended to validate women, thus making their triumph over racism, sexism, classism, and heterosexism and equity challenges a visible cause, relegating consequential change for both young girls and women of color. *In Visible Presence* maintains current discourse dialogue through a concentration on the intersectionality of gender, race, and class identities and how these identifiers serve as criteria for privilege and marginalization even in YA literature. *In Visible Presence* aims to explore YA literature written by women of color represented by African American, Asian American, Indian American, and Latina Americans. Our theoretical perspective focuses on the connection of race, gender, and class that is exclusive to women of color. The construction of voice and space is important for readers to hear from those once silenced.

New Criticism and Pedagogical Directions for Contemporary Black Women Writers LaToya Jefferson-James, 2022-03-03 *New Criticism and Pedagogical Directions for Contemporary Black Women Writers* is a collection of critical and pedagogical essays that shed new light on the creative depths of Black women writers. On the one hand, some Black women writers have been heavily anthologized; they have more often than not been restricted by critical metanarratives. Some of their works have been lionized while others remain neglected. On the other hand, some Black women writers have been ignored and understudied. This collection corrects the gaps in our critical thinking about Black women writers by introducing them to a new generation of undergraduate and graduate students and by presenting pedagogical essays to our colleagues currently working in the field.

Greenie's Path Greenie, 2011-10-26 *Greenie's Path* The Search for Christopher Hiltaychuk presents a unique look at an adopted child's life told from the child's perspective. It is also a testament to the people who chose to take the challenge of

raising another's child as their own and loving that child as much as any birth parent could if not more. Author Greenie is grateful for the loving care that his adoptive parents gave him but he is also naturally very curious about the people who gave him up for adoption. Greenie is intrigued by the knowledge that there are people in this world with the same genetic history as his people with whom he shares an unspoken bond. He describes his life, thoughts, and feelings for his birth parents, the people who felt their own world and circumstances were not ideal for raising a child at that time. He considers whether they ever wondered what happened to one of their own, one of their brothers, uncles, or grandchildren. Greenie's Path is the true story of the path his life has taken; the man he has become. No matter what paths lay ahead, Greenie's Path captures that need for a sense of belonging to a family is such an integral foundation to their success in the world. **Theological**

Walker-Barnes, 2019-10-01. Disrupting the racist and sexist biases in conversations on reconciliation. Chanequa Walker-Barnes offers a compelling argument that the Christian racial reconciliation movement is incapable of responding to modern-day racism. She demonstrates how reconciliation's roots in the evangelical male-centered Promise Keepers movement has resulted in a patriarchal and largely symbolic effort focused upon improving relationships between men from various racial/ethnic groups. Walker-Barnes argues that highlighting the voices of women of color is critical to developing any genuine efforts toward reconciliation. Drawing upon intersectionality theory and critical race studies, she demonstrates how living at the intersection of racism and sexism exposes women of color to unique experiences of gendered racism that are not about relationships but rather are about systems of power and inequity. Refuting the idea that race and racism are one-size-fits-all, **I Bring the Voices of My People** highlights the particular work that White Americans must do to repent of racism and to work toward racial justice and offers a constructive view of reconciliation that prioritizes eliminating racial injustice and healing.
