The Tony Evans Bible Commentary Tony Evans, CSB Bibles by Holman, 2019-10-01 Tony Evans is one of the most influential church leaders of our time and has been studying and preaching the Gospel for over 50 years. He is senior pastor of Oak Cliff Bible Fellowship in Dallas TX and founder of The Urban Alternative, a ministry which promotes a kingdom agenda philosophy designed to enable people to live all of life underneath the comprehensive rule of God. The Tony Evans Bible Commentary includes an introduction to each Bible book followed by passage by passage exposition of the entire Bible by Dr. Tony Evans. In addition, there is a special front matter section with introductory resources. The insights in this commentary will help explain God's Word in a fresh way. Applying these truths will empower readers to have transformed lives that then transfer the values of the kingdom of God to others. The Tony Evans Bible Commentary features the highly readable, highly reliable text of the Christian Standard Bible (CSB). The CSB stays as literal as possible to the Bible's original meaning without sacrificing clarity, making it easier to engage with Scripture's life-changing message and to share it with others. **The**

Self-interpreting Holy Bible, 1873 **Eighteenth-Century Women Poets** Moira Ferguson, 1995-11-16 This book examines the poems of three Englishwomen: washerwoman Mary Collier, middle class feminist polemicist Mary Scott, Bristol milkwoman Ann Yearsley, and Scottish dairywoman from Ayrshire Janet Little. It questions how national identity might have influenced gender and class affiliations and reciprocally how gender might have determined a nationalist impulse, particularly as it played out during the revolutionary period 1770-1800 in which most of the texts were written. **A key to the holy**

Bible. The key to the Old Testament and Apocrypha, by R. Gray. The key to the New Testament, by T. Percy Robert Gray (bp. of Bristol.), 1825 *All the People in the Bible* Richard R. Losch, 2008-05-13 More than any other book, the Bible

offers an amazing collection of fascinating characters ranging from the holiest of the holy to some of the most depraved scoundrels imaginable. Many are mentioned only in passing, yet history and archaeology can often fill in the blanks and flesh them out as exciting human beings. For this reason, we have in many cases been able to tell much more about them than the Bible alone reveals. Richard R. Losch, from the preface: A comprehensive gathering of persons found in the Bible, including the Apocrypha. *All the People in the Bible* really delivers on its title: literally, all of the Bible's characters appear in this fascinating reference work. From the first article on Aaron to the final entry on Zophar, Richard Losch details each person in a lively narrative style. The bulk of the book consists of Losch's A-Z articles covering the familiar and the not-so-familiar figures in Scripture. Names of people who are found only in genealogies or who had no significant effect on history are included solely in the alphabetical listing starting on page 452. That listing, *All the People in the Bible and Apocrypha*, includes pronunciations, brief identifications, and biblical references. Persons covered in greater detail in the main part of the book are identified in bold print. Losch's intriguing look at all the people in the Bible is anything but a dry reference work. This is a book to dip into and enjoy over and over. *CSB Tony Evans Study Bible* Tony Evans, 2019-11-01 The CSB Tony Evans Study Bible includes

extensive study notes and other ancillary resources carefully crafted and curated by Dr Tony Evans as General Editor and adapted from his sermons teachings and writings These features are strategically placed alongside the biblical text to explain God s Word in a fresh way Applying these truths will empower readers to have transformed lives that then transfer the values of the kingdom of God to others **The Holy Bible** ,1826 **A Key to the Holy Bible** Robert Gray,1825
