Experience Jesus. Really John Eldredge, 2025-03-04 New York Times bestselling author John Eldredge reveals the path of the ordinary mystic and invites readers into the refuge of experiencing deep lasting real communion with Jesus In this present age we are all becoming disciples of the Internet We are addicted to distraction We idolize our instant access to a never ending avalanche of information We think we re finally holding the keys to a better life But if that s true why are we wrestling with ever increasing levels of anxiety dissatisfaction and despair The fact is we live in a world of weary skeptical pragmatism and it s keeping us from experiencing the God we are dying without John Eldredge presents a powerful alternative to the soulless disenchanted world we find ourselves living in today the path of the ordinary mystic Readers who join Eldredge on this journey will regain childlike faith in the reality of God s constant available presence to those who seek him discover the biblical foundations for the mystical tradition in Christianity and learn practices habits and prayers that will transform their ability to hear the voice of Jesus in their day to day lives Every human yearns to return to Eden to a state of unbroken communion with the God who created us for adventure and intimacy with him The mystic is awake to the truth that God is still with us and we experience the refuge of his powerful healing presence if we learn to open our hearts to him

Conquest period and the subsequent colonial occupation all the way to the present Allen J Christenson focuses on Santiago Atitlán a Tz'utujil Maya community in highland Guatemala and offers the first systematic analysis of how the Maya preserved important elements of their ancient world renewal ceremonies by adopting similar elements of Roman Catholic observances and infusing them with traditional Maya meanings His extensive description of Holy Week in Santiago Atitlán demonstrates that the community's contemporary ritual practices and mythic stories bear a remarkable resemblance to similar cultural entities from its Pre-Columbian past
