Stephens, 1994      **Fascinating True Tales from Old California** Colleen Adair Flidner, 2023-04-01 For over four centuries California has been an ever-changing landscape of innovation and revolution, triumph and tragedy In *Fascinating True Tales from Old California* author Colleen Adair Flidner mines the history of the Golden State to collect more than fifty tales of famous Californians and their escapades from 1542 through 1940 For many like James W. Wadsworth, Leland Stanford, and John D. Rockefeller, California was a place to strike it rich Others sought freedom and a new beginning, including Chinese immigrants and African Americans like philanthropist and freed slave Biddy Mason And still some characters just wanted to live their lives outside of society's rules, like swindler James Reavis or the cross-dressing stagecoach driver Charley Parkhurst Readers will be entertained and enlightened as they take a trip through California's colorful past      **The Story of California from the Earliest Days to the Present** Henry Kittredge Norton, 1913 General history from the discovery, early explorations, Missions, Spanish and Mexican regimes, arrival of Americans, discovery of gold and Gold Rush, establishing California government, railroads, Constitution of 1879, and political history since then, development of natural resources, growth of cities Appendix includes Missions and presidents, prefects, governors of Spanish and Mexican California, and of the State population      *A Stroll by My Western Bookshelves* Gordon J. Van de Water, 2009-04-03 Much experience and action, much thought and reminiscence fill the pages of this volume Here are books about explorers, frontiersmen, mountaineers, hunters, rangers, gold finders, cowboys, and tenderfoot novels and narratives by pioneer women, books by friends, and also fighters of Native Americans Often generously quoted, they pulse with the life of the old West Albert R. creating a new western myth The editors of the Literary History of the American West TCU Press 1987 hoped that the first volume would begin not conclude their exploration of the West s literary heritage Out of this hope comes Updating the Literary West a comprehensive reference anthology including essays by over one hundred scholars A selected bibliography is included with each piece In the ten years since publication of LHAW western writing has developed a significantly larger presence in the national literary stream A variety of cultural viewpoints have developed along with new tactics for literary study New authors have risen to prominence and the range of subjects has changed and widened Updating the Literary West looks at topics ranging from western classics to cowboys and Cadillacs and considers children s literature ethnicity environmental writing gender issues and other topics in which change has been rapid since publication of LHAW This volume again affirms the West s literary legitimacy status hard earned by the Western Literary Association and the lasting place of popular western writing as part of the growing and changing literary and American experience An excellent reference for a wide range of readers and an invaluable resource for scholars and libraries Selected list of contributors James Maguire Fred Erisman Susan J Rosowski Gerald Haslam Tom Pilkington A Carl Bredahl Richard Slotkin John G Cawelti Robert F Gish Ann Ronald Mick McAllister

**The Latino Big Bang in California** David E. Hayes-Bautista,Cynthia L. Chamberlin,Gray Bryan Paul,2025-04-29 The Latino Big Bang in California presents a Spanish transcription and English translation of a diary written by Forty Niner Justo Veytia a Mexican immigrant seeking riches during California s Gold Rush Veytia s diary offers insights into the dilemmas and choices of an adventurous and ambitious young mexicano and provides a detailed glimpse into the life of Latinos who participated in this tumultuous moment in California history In doing so Veytia s diary demonstrates that the US Mexico War together with the Gold Rush constituted a Latino big bang in California that attracted large swaths of fortune seekers from across the Spanish speaking world throughout the latter half of the nineteenth century Combining archival research with quantitative methods to extrapolate demographic information about the persistent presence of Latino communities in California from the mid nineteenth century to today The Latino Big Bang in California shows how Latino migration and labor forever changed the course of California history      *Archy Lee's Struggle for Freedom* Brian McGinty,2019-12-17 In San Francisco CA in 1858 a young African American man was freed from the claims of a white man who sought to return him to slavery in Mississippi This was one year after the Supreme Court s notorious Dred Scott decision and during the California Gold Rush which saw the population of the state rise from 7 000 to more than 60 000 in a few short years Archy Lee was the name of the man who with the aid of anti slavery lawyers and determined opponents of human bondage had just won his freedom from the claims of Charles Stovall With the aid of pro slavery lawyers and equally determined supporters Stovall had sought to capture him and carry him back to a far away slave plantation Yet the book is not solely about Archy Lee It is also about the travel routes that the gold seekers followed to California in the 1850s some by land over the Great Plains some by sea around Cape Horn yet others by sailing from the east coast of North America to the isthmus of Panama where they crossed over the land there by train and continued on by sea to San Francisco It is about the efforts of the racially motivated lawmakers to suppress the rights of all of California s residents except whites and to subject people of African Asian Hispanic

and Native American descent to second third or even fourth class citizenship It is about the residents of the state including many whites who fought back against those efforts seeking to ameliorate or repeal the discriminatory laws and introduce a measure of fairness and justice into California s civil life It is about the lawyers and judges who participated in Archy Lee s legal struggles in 1858 some supporting his claims for freedom while others ferociously opposed them and in the process elevated their own political and professional profiles *Writing the Trail* Deborah Lawrence,2009-11 For a long time the American West was mainly identified with white masculinity but as more women s narratives of westward expansion came to light scholars revised purely patriarchal interpretations *Writing the Trail* continues in this vein by providing a comparative literary analysis of five frontier narratives Susan Magoffin s *Down the Santa Fe Trail and into Mexico* Sarah Royce s *A Frontier Lady* Louise Clappe s *The Shirley Letters* Eliza Farnham s *California In doors and Out* and Lydia Spencer Lane s *I Married a Soldier* to explore the ways in which women s responses to the western environment differed from men s Throughout their very different journeys from an eighteen year old bride and self styled wandering princess on the Santa Fe Trail to the mining camps of northern California to garrison life in the Southwest these women moved out of their traditional positions as objects of masculine culture Initially disoriented they soon began the complex process of assimilating to a new environment changing views of power and authority and making homes in wilderness conditions Because critics tend to consider nineteenth century women s writings as confirmations of home and stability they overlook aspects of women s textualizations of themselves that are dynamic and contingent on movement through space As the narratives in *Writing the Trail* illustrate women s frontier writings depict geographical spiritual and psychological movement By tracing the journeys of Magoffin Royce Clappe Farnham and Lane readers are exposed to the subversive strength of travel writing and come to a new understanding of gender roles on the nineteenth century frontier
