Matt Richards, 2018-07-05 Almost seventy five years ago MI9 dreamt up the most audacious escape and evasion plan of World War Two Formulated by Airey Neave one of the first men ever to escape from Colditz this plan was one of subterfuge concealment and deception on a scale never seen before With numerous downed RAF and Allied pilots on the run in Europe and with the fabled Comete Escape Line having been infiltrated by double agents Neave's plan was to hide these men right under the very noses of the Nazis rather than risk repatriation Choosing a forest in the heart of France right next to one of the German Army's largest ammunition bases Neave Belgian agents and the French Resistance would secretly transport and hide Allied pilots and soldiers within feet of the enemy Nobody thought it would work but such was the success of the secret camp that a whole community of over one hundred and fifty Allied escapers lived within the forest for three months in the run up to D Day Despite numerous close shaves they were never discovered and this outrageous plan brilliant in its simplicity saw the Allied evaders make their home in the forest cooking and hunting to survive and even setting up a golf course in the forest using branches for clubs without discovery This operation remained absolutely secret to the point that the inhabitants of the villages surrounding the forest were unaware until the end of the existence of that allied force so close to them Told through interviews with evaders members of the Resistance and the children charged with smuggling food

into the forest this book tells the compelling story of one of the most audacious operations in World War Two A story that has until today remained as secret as the Hidden Army of Freteval Nature's Secret Messages Elaine Wilkes,2010-02-15

The Hidden Third Secret of Fatima Manfred Kolb,2025-07-02 The third secret of Fatima was to be published by the Vatican in 1960 according to the visionary Lucia However this was not done It was not until 2000 that it was announced in Rome in the form of a symbolic vision the interpretation of which was also supplied Experts immediately objected that the secret had only been partially revealed and that there must still be an unpublished text Allegedly the Vatican s claim that the third secret had been fully revealed has been confirmed by Sister Lucia The consecration of Russia would also have been valid in 1984 The latter must be contradicted today in view of the world situation Was there a double involved And if the true third secret has not been revealed what is its probable content Did it warn in time against an ill fated Council Were the Second Vatican Council and the liturgical reform that followed it the cause of the decline in Christian life Is scientific theology undermining faith Where is the church heading Who will be the last pope in history Such questions are examined in detail in this book on the basis of a wealth of information Topics related to the Fatima message in Church theology Faith and politics are also dealt with This book contains the events and messages and how they are dealt with in the Church and the world in chronological order It presents facts events considerations and

remarks that enable conclusions to be drawn on the Fatima issue and can contribute to orientation in these confusing times

The Secret American Destiny Nicholas Hagger, 2016-11-15 In this final work of his American trilogy Nicholas Hagger focuses on the unified World State it is America's secret destiny to create and on the world's divided culture that impedes its creation Throughout world culture there are conflicting and entrenched metaphysical and secular approaches that permeate all its main disciplines including history philosophy and science literature and comparative religion In each discipline there is a tussle between the traditional religious view which is supported by the 4.6 billion of the world's 7.3 billion population that follow a religion and the secular and social approach associated with humanism and the scientific reductionism of Hawking and Dawkins which sees the universe as a random accident Hagger argues that it is America's secret destiny to bring in a democratic UN based partly federal World State that can unify humankind The conflict between metaphysical and secular approaches can be healed within a new reconciling philosophy that unites both outlooks Universalism which is already making an impact in the US The key to this reconciliation is focusing on the scientific view of the order in the universe and on the experience of the common essence which resides in all religions the belief in the ordering Light and on the traditional view of order in the seven disciplines of world culture This reconciliation can reunify each discipline and therefore world culture and create world unity Restoring the metaphysical vision of order in world culture can strengthen America's harmonizing of humankind within a World State based on political Universalism
