**Library of Congress. Copyright Office**

## **Hidden Prince:**

**The Hidden Prince** Billie Rennie,2011      The Hidden Prince ,2011 Previously published as a children s picture book Burkart s story returns in this newly expanded version to bring the message of love to a young adult audience Dust jacket flap

**Pregnant with the Secret Prince's Babies** Deanne Anders,2022-12-27 When the nurse reveals she s pregnant with twins she never expects her babies would be royal heirs Find out what happens in the latest Harlequin Medical Romance by Deanne Anders A twin surprise A royal shock There is no doubt about it Nurse Summer Nelson is pregnant with twins The pile of positive pregnancy tests is proof of that But whilst Summer is prepared for how two children will change her life she isn t prepared for Dr Alex Leonelli s reaction Summer thought their relationship was unshakable until Alex s revelation shakes her world beyond compare because it turns out Alex is a prince and their babies will be his royal heirs From Harlequin Medical Life and love in the world of modern medicine

**The Hidden Prince** Tessa Afshar,2022-11-08 From the bestselling author of Jewel of the Nile comes the thrilling tale of a woman who feels she has no future but soon discovers the fate of nations may rest in her hands The beloved daughter of Jewish captives in Babylon Keren is sold into Daniel s household to help her family survive She becomes Daniel s most trusted scribe while taking lessons and swordsmanship training alongside Daniel s sons and their best friend Jared But after a tragic accident changes the course of her life Keren finds herself in a foreign country charged with a mysterious task teaching a shepherd boy how to become a lord When she overhears whispers that hint at his true identity she realizes she must protect him from the schemes of a bloodthirsty king Jared cannot forgive Keren Still he finds himself traveling over mountains to fetch her back to the safety of home When he discovers the secret identity of Keren s pupil Jared knows he must help protect him Love battles bitterness as they flee from the king s agents trying to save the boy who could one day deliver their people from captivity Biblical historical fiction that s perfect for fans of Francine Rivers Features a clean friends to lovers romance Includes discussion questions for book clubs

The Hidden Prince Billy Rennie,2011-01-01      **New York Magazine** ,1987-11-09 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

Blackwood's Edinburgh Magazine ,1897      The Way of the Knife Mark Mazzetti,2013-04-09 The new American way of war is here but the debate about it has only just begun In The Way of the Knife Mr Mazzetti has made a valuable contribution to it The Economist A Pulitzer Prize winning reporter s riveting account of the transformation of the CIA and America s special operations forces into man hunting and killing machines in the world s dark spaces the new American way of war The most momentous change in American warfare over the past decade has taken place away from the battlefields of Afghanistan and Iraq in the corners of

the world where large armies can't go

*The Way of the Knife* is the untold story of that shadow war, a campaign that has blurred the lines between soldiers and spies and lowered the bar for waging war across the globe. America has pursued its enemies with killer drones and special operations troops, trained privateers for assassination missions and used them to set up clandestine spying networks and relied on mercurial dictators, untrustworthy foreign intelligence services and proxy armies. This new approach to war has been embraced by Washington as a lower risk, lower cost alternative to the messy wars of occupation and has been championed as a clean and surgical way of conflict. But the knife has created enemies just as it has killed them. It has fomented resentments among allies, fueled instability and created new weapons unbound by the normal rules of accountability during wartime. Mark Mazzetti tracks an astonishing cast of characters on the ground in the shadow war: from a CIA officer dropped into the tribal areas to learn the hard way how the spy games in Pakistan are played to the chain-smoking Pentagon official running an off-the-books spy operation from a Virginia socialite whom the Pentagon hired to gather intelligence about militants in Somalia to a CIA contractor imprisoned in Lahore after going off the leash. At the heart of the book is the story of two proud and rival entities, the CIA and the American military, elbowing each other for supremacy. Sometimes, as with the raid that killed Osama bin Laden, their efforts have been perfectly coordinated. Other times, including the failed operations disclosed here for the first time, they have not. For better or worse, their struggles will define American national security in the years to come.

New York Magazine, 1987-11-16

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea.

*Herd Register*, American Jersey Cattle Club, 1928

, *The Twin Shadow* Pasquale De Marco, 2025-04-30

*The Twin Shadow* is a tale of two brothers, Gaston and Louis, who are born into a world of privilege and power. But their lives take very different paths. Gaston is raised in the countryside, unaware of his true identity. Louis, on the other hand, is raised in the palace, groomed to be the next king. When Gaston finally learns the truth about his birth, he is torn between his loyalty to his brother and his desire for the throne. Louis, meanwhile, is determined to keep his brother's secret, even if it means resorting to violence. The conflict between the two brothers sets in motion a chain of events that will have far-reaching consequences for both of them and for the entire kingdom. *The Twin Shadow* is a story of power, ambition and betrayal. It is a story of two brothers who are destined to be enemies but who are also bound together by the ties of family. It is a story that will stay with you long after you finish reading it. The characters in the story are complex and well-developed. Gaston is a sympathetic figure despite his flaws. Louis is a more complex character, capable of both good and evil. The supporting cast of characters is also well-drawn, and each plays an important role in the story. The plot is suspenseful and engaging. The story moves at a fast pace, and there is never a dull moment. The ending is both surprising and

satisfying The writing is clear and concise The author does a good job of setting the scene and creating a sense of atmosphere The dialogue is natural and believable Overall I highly recommend this book It is a well written and suspenseful story that will keep you on the edge of your seat If you like this book write a review on google books     The Bookman ,1915
