## Hidden Way:

**The Hidden Way Across the Threshold** J. C. Street, 1996-09      *Origen* Joseph W. Trigg, 2012-10-12 Origen was the most influential Christian theologian before Augustine the founder of Biblical study as a serious discipline in the Christian tradition and a figure with immense influence on the development of Christian spirituality This volume presents a comprehensive and accessible insight into Origen's life and writings An introduction analyzes the principal influences that formed him as a Christian and as a thinker his emergence as a mature theologian at Alexandria his work in Caesarea and his controversial legacy Fresh translations of a representative selection of Origen's writings including some never previously available in print show how Origen provided a lasting framework for Christian theology by finding through study of the Bible a coherent understanding of God's saving plan      **The Ministry, Vol. 04, No. 01** Various Authors, 1999-02-01 In this issue of *The Ministry* Brother Lee speaks from a heavy burden concerning fruit bearing In John 15 the Lord says that every branch in Him that does not bear fruit the Father will take away This does not mean that a branch of the vine that does not bear fruit will perish Rather it means that such a branch is in danger of losing the enjoyment of the rich supply of Christ On the contrary the more we as branches produce new believers as fruit the more we enjoy Christ The proper way to bear remaining fruit is not the way of gospel campaigns and big speakers but the inner hidden way of life As branches of the vine we must impart life to others to bring forth the fruit of life in a hidden way The three messages which follow are the conclusion of the messages given in the Memorial Day Conference in Chicago Illinois concerning the new revival The subject of Message Four in this series is living the life of a God man to be conformed to the death of Christ through the power of the resurrection of Christ for the reality of the Body of Christ Death and resurrection are vital to our Christian life and to God's economy Such a life of dying to ourselves and living to God is for Christ the first God man to be formed in His many members the many God men for the building up of His organic Body that the economy of God might be carried out Message Five indicates that we need to shepherd people according to the pattern of the Lord Jesus in His ministry for the carrying out of God's eternal economy and Message Six concludes with the fact that shepherding is to take all inclusive tender care of the flock Last of all we include reports concerning the Lord's move in Mexico Taiwan and Russia as well as an announcement which gives the dates of the upcoming conferences and trainings in Europe      *Light on the Hidden Way* James Freeman Clarke, 1886
