Fullness of Life Margaret R. Miles,2006-06-01 Margaret Miles here explores Christianity s understandings of the human body in the past and presents new concepts for the future An enlightening investigation into how the body has been perceived through the ages Fullness of Life offers surprising conclusions that historic Christian authors from Ignatius of Antioch to Thomas Aquinas far from viewing the body in a negative way have been overwhelmingly affirmative Providing the

basis for a greater appreciation of the human body as the focus of life and salvation this unique work sheds a new light on what it means to be fully alive and fully human in the Christian tradition **Return to the Mystery School** Elizabeth Clare Prophet,2025-01-01 Return to the Mystery School is a direct transfer of wisdom and love from the Teacher who walked and talked with the spiritual disciples in the ancient mystery school known as the Garden of Eden Humanity stands at a crossroads where we see the serpentine logic of the fallen angels that caused the fall of Eden once again permeating today s culture Maitreya comes to teach us to discern the truth from the lie by extracting the splintered momentums hidden in our consciousness These are ancient records of disregarding our inner guidance and the resulting chaos it causes in our lives The mindset that challenges the Law of Love has misled us over many lifetimes Through Maitreya s insights instruction and meditations this master resets our spiritual perspective and reawakens our Edenic consciousness to embrace the divine potential within Spiritual seekers exploring the truths common to the world s mystical paths are finding that the advanced lessons in the Maitreya Mystery School series help them unlock their greater spiritual potential and freedom Elizabeth Clare Prophet dedicated her life to bringing these sacred teachings from the ascended masters to provide you with current spiritual revelations timeless truths and practical steps on the spiritual path Maitreya comes to prepare you to hold greater spiritual light by resurrecting the memory of your direct relationship with God Take that memory to heart experience deeper meaning in life and meet Maitreya **The Masters and Their Retreats** Marl L. Prophet,Elizabeth Clare Prophet,2020-08-28 The great lights who have come out of all the world s spiritual traditions and graduated from earth s schoolroom have become widely known as masters They demonstrate that in the world of Spirit there is no division of race religion or philosophy there is simply oneness ineffable sweetness and love What is not so widely known is that these great masters have retreats temples and cities of light in the heaven world where we can go in spiritual meditation and while our bodies sleep at night In this comprehensive work Mark and Elizabeth Prophet talk about these great masters the stories of their lives and their magnificent spiritual retreats **Architectures of Life and Death** Andrej Radman,Stavros Kousoulas,2021-06-17 Driven by the Foucauldian attitude of subsuming architectural history into a genealogy of techne Architectures of Life and Death advances a transdisciplinary approach rethinking subjectivity and exploring the political ramifications of these processes for the discipline of architecture and beyond In contrast to mainstream approaches architecture will not be seen as representative of culture but as the mechanism of culture the collective equipment that rests on the reciprocal determination of social habits and technological habitats In this sense the idea that we shape our environments therefore they shape us is not to be taken as a metaphor The animate has always been utterly dependent on the inanimate A livable habitat is one which the inhabitant actively co evolves with and which does not constitute a ready made condition to which the inhabitant would simply have to passively adapt **The Path of Christ or Antichrist** Mark L. Prophet,Elizabeth Clare Prophet,2020-08-20 Who is Christ Who is Antichrist Both are present in the world as well as within

ourselves How do we tell them apart especially when the strategies of Antichrist are subtle and calculated to deceive The Path of Christ or Antichrist provides clarity and insight into the most important choice that we make in life to be or not to be who we really are This is a choice we affirm with each decision large or small that we make in life The authors outline the difference between Christ and Antichrist and hence the choices that we all face on the path to spiritual enlightenment and self mastery They offer new interpretations of the age old battle between light and darkness and how it affects our daily lives along with spiritual techniques to guard our consciousness and direct spiritual light and energy for the blessing and healing of all life
