High Lonesome

Robert K. DeArment

High Lonesome:

High Lonesome Louis L'Amour, 1962-09-01 Considine and Pete Runyon had once been friends back in the days when both were cowhands But when Runyon married the woman Considine loved the two parted ways Runyon settled down and became a sheriff Considine took up robbing banks Now Considine is planning a raid on the bank at Obaro a plan that will pit him against Runyon and lead to riches or suicide The one thing he never counted on was meeting a strong beautiful woman and her stubborn father hell bent on traveling alone through Apache territory to a new life Suddenly Considine must choose between revenge and redemption and either choice could be the last one he makes **High Lonesome** Louis

L'Amour, 2005-04-26 Considine and Pete Runyon had once been friends back in the days when both were cowhands But when Runyon married the woman Considine loved the two parted ways Runyon settled down and became a sheriff Considine took up robbing banks Now Considine is planning a raid on the bank at Obaro a plan that will pit him against Runyon and lead to riches or suicide The one thing he never counted on was meeting a strong beautiful woman and her stubborn father hell bent on traveling alone through Apache territory to a new life Suddenly Considine must choose between revenge and redemption and either choice could be the last one he makes Multivocality Katherine Meizel PhD, 2020-01-02 Multivocality frames

vocality as a way to investigate the voice in music as a concept encompassing all the implications with which voice is inscribed the negotiation of sound and Self individual and culture medium and meaning ontology and embodiment Like identity vocality is fluid and constructed continually even the most iconic of singers do not simply exercise a static voice throughout a lifetime As 21st century singers habitually perform across styles genres cultural contexts histories and identities the author suggests that they are not only performing in multiple vocalities but more critically they are performing multivocality creating and recreating identity through the process of singing with many voices Multivocality constitutes an effort toward a fuller understanding of how the singing voice figures in the negotiation of identity Author Katherine Meizel recovers the idea of multivocality from its previously abstract treatment and re embodies it in the lived experiences of singers who work on and across the fluid borders of identity Highlighting singers in vocal motion Multivocality focuses on their transitions and transgressions across genre and gender boundaries cultural borders the lines between body and technology between religious contexts between found voices and lost ones *The Place Names of New Mexico* Robert Julyan, 1996 The

indispensable traveler s guide to the history of places throughout the Land of Enchantment **The Bluegrass Bible** Pasquale De Marco, 2025-05-12 The Bluegrass Bible is the definitive guide to bluegrass music It covers everything from the history of bluegrass music to the different instruments used in bluegrass bands It also includes profiles of some of the most famous bluegrass musicians as well as a discussion of the different subgenres of bluegrass music Whether you are a lifelong fan of bluegrass music or you are just discovering this genre for the first time The Bluegrass Bible is the perfect resource for you In this book Pasquale De Marco explores the roots of bluegrass music in the Appalachian Mountains of the United States

He traces the development of bluegrass music from its early days to the present day and he discusses the different factors that have contributed to its popularity Pasquale De Marco also provides detailed profiles of some of the most famous bluegrass musicians including Bill Monroe Earl Scruggs and Alison Krauss He examines their unique contributions to bluegrass music and he discusses the impact they have had on the genre In addition The Bluegrass Bible includes a comprehensive discussion of the different instruments used in bluegrass bands Pasquale De Marco provides detailed descriptions of each instrument and he explains how it is used to create the unique sound of bluegrass music Finally Pasquale De Marco discusses the different subgenres of bluegrass music He explores the history and development of each subgenre and he provides examples of some of the most popular bands in each subgenre The Bluegrass Bible is the most comprehensive and up to date guide to bluegrass music available today It is a must have resource for any fan of bluegrass music and it is the perfect way to learn more about this unique and vibrant genre of American music If you like this book write a review on google books

Capturing the South Scott L. Matthews, 2018-10-26 In his expansive history of documentary work in the South during the twentieth century Scott L Matthews examines the motivations and methodologies of several pivotal documentarians including sociologist Howard Odum photographers Jack Delano and Danny Lyon and music ethnographer John Cohen Their work salvaged and celebrated folk cultures threatened by modernization or strived to reveal and reform problems linked to the region's racial caste system and exploitative agricultural economy Images of alluring primitivism and troubling pathology often blurred together neutralizing the aims of documentary work carried out in the name of reform during the Progressive era New Deal and civil rights movement Black and white southerners in turn often resisted documentarians attempts to turn their private lives into public symbols The accumulation of these influential and occasionally controversial documentary images created an enduring complex and sometimes self defeating mythology about the South that persists into the twenty first century

Live from Medicine Park Constance E. Squires, 2017-10-05 Documentary filmmaker Ray Wheeler is down on his luck Embroiled in a lawsuit he is reeling from the consequences of a near fatal shooting on his last film and has just lost his teaching gig Broke and beleaguered he can't afford to be particular about his next project So when a former student invites him to film the comeback of Lena Wells an iconic rock and roll singer who hit it big in the seventies more than two decades earlier he reluctantly agrees even though he doesn't like her music When Ray arrives at Lena's hometown of Medicine Park Oklahoma a defunct resort community he is determined to approach his topic with the professional detachment that has guided his career His work ethic is modeled on the prime directive of Star Trek never interfere with an alien civilization But with only five days left before Lena's comeback concert Ray quickly runs afoul of his subject who places him on a one week probation The terms impress her or else It doesn't take long before Ray violates his own ethical standards Drawn romantically toward Lena he also fails to prevent himself from interfering with the lives of the people closest to her including her only son Gram whose paternity is a mystery even to himself her daughter

in law Jettie and the enigmatic guitar player Cyril Dodge When disaster strikes Ray s set again this time in Medicine Park he must face truths he has avoided for too long about love relationships and responsibility An ode to both southwestern Oklahoma and rock music Live from Medicine Park is a bittersweet reflection on the search for identity and purpose amid tragedy As the novel reaches its climax Ray sets out on one last adventure to set things right Redemption may be possible but only on its own terms

Postregional Fictions Clare Chadd,2021-07-07 Drawing from recent debates about the validity of regional studies and skepticism surrounding the efficacy of the concept of authenticity Clare Chadd s Postregional Fictions focuses on questions of southern regional authenticity in fiction published by Barry Hannah from 1972 to 2001 The first monograph on the Mississippi author s work to appear since his death this study considers the ways in which Hannah s novels and short stories challenge established conceptual understandings of the U S South Hannah s writing often features elements of metafiction through which the putative sense of southernness his stories dramatize is complicated by an intense self reflexivity about the extent to which a sense of place has never been foundational or essential but has always been constructed and performed Such texts locate a productive terrain between the local and the global with particular relevance for critical apprehensions of the post South and postsouthern literature Offering sustained close readings of selected stories and focusing especially on Hannah s late work Chadd argues that his fiction reveals the region constantly shifting in a process of mythmaking dialogue and performance In turn she uses Hannah s work to suggest how notions of the South and southernness might survive the various deconstructive approaches leveled against them in recent decades of southern studies scholarship Rather than seeing an impasse between the regional and the global Chadd s reading of Hannah shows the two existing and flourishing in tandem In Postregional Fictions Chadd offers a new interpretation of Hannah based on an appreciation of the vital intersection of southern and postmodern elements in his work

Geological Survey Professional Paper ,1987

Flood Robert Penn Warren,2003-08-01 Originally published in 1963 this powerful novel spools a rewarding dramatic storyline while it probes the deeper philosophical search for self definition in modern life and the symbolic demise of the agrarian South from technological progress Flood begins with the arrival of two men in a small Tennessee town Brad Tolliver long absent native son and successful screenwriter and Yasha Jones famous director and stranger to the region Their purpose is to create a great film about the town which will soon vanish when the massive dam being built downriver is completed The town s inhabitants come vividly to life as past and present forces prepare them for a climactic new beginning to their world

Redneck Liberation David Fillingim,2003 In this unique book David Fillingim explores country music as a mode of theological expression Following the lead of James Cone s classic The Spirituals and the Blues Fillingim looks to country music for themes of theological liberation by and for the redneck community The introduction sets forth the book s methodology and relates it to recent scholarship on country music Chapter 1 contrasts country music with Southern gospel music the sacred music of the redneck community as responses to the question of theodicy which a number of thinkers

recognize as the central question of marginalized groups The next chapter The Gospel according to Hank outlines the career of Hank Williams and follows that trajectory through the work of other artists whose work illustrates how the tradition negotiates Hank's legacy The Apocalypse according to Garth considers the seismic shifts occurring during country music's popularity boom in the 1980s Another chapter is dedicated to the women of country music whose honky-tonk feminism parallels and intertwines with mainstream country music which was dominated by men for most of its history Written to entertain as well as educate and advance Redneck Liberation will appeal to anyone who is interested in country music Southern religion American popular religiosity or liberation theology *Winchester Warriors* Bob Alexander, 2009

Winchester Warriors Texas Rangers of Company Dm 1874 1901 is Number 6 in the Frances B. Vick Series *Deadly Dozen* Robert K. DeArment, 2012-11-09 For every Wild Bill Hickok or Billy the Kid there was another western gunfighter just as deadly but not as well known Robert K. DeArment has earned a reputation as the premier researcher of unknown gunfighters and here he offers twelve more portraits of men who weren't glorified in legend but were just as notorious in their day Those who think they already know all about Old West gunfighters will be amazed at this new collection Here are men like Porter Stockton the Texas terror who bragged that he had killed eighteen men and Jim Levy who killed a man for disparaging his Irish blood though he was also the only known Jewish gunfighter These stories span eight decades from the gold rushes of the 1850s to the 1920s Telling of gunmen such as Jim Masterson the brother of Bat Masterson or the real Whispering Smith the man behind the fictionalized persona whose career spanned four decades DeArment conscientiously separates fact from fiction to reconstruct lives all the more amazing for having remained unknown for so long The product of iron-clad research this newest *Deadly Dozen* delivers the goods for gunfighter buffs in search of something different Together the *Deadly Dozen* volumes constitute a Who's Who of western outlaws and prove that there's more to the Wild West than Jesse James *New Mexico Statewide Wilderness Study*, 1988

[Perspectives on Barry Hannah](#) Martyn Bone, 2010-03-30 Contributions by Melanie R. Benson Thomas r. v. Bjerre Martyn Bone Mark S. Graybill Richard E. Lee Kenneth Millard James B. Potts III Scott Romine Matthew Shipe and Daniel E. Williams *Perspectives on Barry Hannah* is a collection of essays devoted to the work of the award-winning fiction writer Barry Hannah 1942-2010 The anthology features a broad range of critical approaches and covers the span of Hannah's career from *Geronimo Rex* 1972 to *Yonder Stands Your Orphan* 2001 The book also includes a previously unpublished interview with Hannah The ten essays cover all of Hannah's thirteen published books The contributors give fresh perspectives on Hannah's classic works *Airships* and *Ray* provide illuminating readings of important fiction that has received less critical attention *Night Watchmen* *Hey Jack* and *Never Die* and offer the first sustained criticism of Hannah's acclaimed later fiction *Bats Out of Hell* *High Lonesome* and *Yonder Stands Your Orphan* As Martyn Bone explains in his introduction the essays though varied in approach and style consistently hone in on the recurrent themes that characterize Hannah's career his relationship to postmodernism his interrogation of traditional ideas of masculinity and

heroism his complex engagement with southern history literature and culture and his growing concern with spirituality and morality The essays in *Perspectives on Barry Hannah* make connections between Hannah's work and that of several prominent modern and postmodern authors including William Faulkner Ernest Hemingway James Joyce Allen Tate John Irving J M Coetzee and Cormac McCarthy Contributors also consider Hannah's fiction in relation to non literary cultural forms such as sports film and popular music Ultimately *Perspectives on Barry Hannah* affirms Hannah's status as a leading figure in contemporary American literature

Bad Company and Burnt Powder Bob Alexander, 2014-07-15 *Bad Company and Burnt Powder* is a collection of twelve stories of when things turned Western in the nineteenth century Southwest Each chapter deals with a different character or episode in the Wild West involving various lawmen Texas Rangers outlaws feudists vigilantes lawyers and judges Covered herein are the stories of Cal Aten John Hittson the Millican boys Gid Taylor and Jim and Tom Murphy Alf Rushing Bob Meldrum and Noah Wilkerson P C Baird Gus Chenoweth Jim Dunaway John Kinney Elbert Hanks and Boyd White and Eddie Aten Within these pages the reader will meet a nineteen year old Texas Ranger figuratively dying to shoot his gun He does get to shoot at people but soon realizes what he thought was a bargain exacted a steep price Another tale is of an old school cowman who shut down illicit traffic in stolen livestock that had existed for years on the Llano Estacado He was tough salty and had no quarter for cow thieves or sympathy for any mealy mouthed politicians He cleaned house maybe not too nicely but unarguably successful he was Then there is the tale of an accomplished and unbeaten fugitive well known and identified for murder of a Texas peace officer But the Texas Rangers couldn't find him County sheriffs wouldn't hold him Slipping away from bounty hunters he hit Owlhoot Trail

[Hiking Rocky Mountain National Park](#) Kent Dannen, 2023-05-01 Lace up your boots and sample more than 450 miles of trails in Rocky Mountain National Park and the Indian Peaks Wilderness Veteran hiker Kent Dannen introduces you to memorable trails highlighting the natural splendor of the Rockies Each hike description includes detailed information on trail access best times for hiking and points of interest along the way This new edition is fully updated and revised with special sections on what to wear carry and eat and invaluable advice on wilderness ethics and safety Its smaller size and package complete with illustrations makes this guide an indispensable companion to hiking and backpacking in Rocky Mountain National Park and the Indian Peaks Wilderness

Charles Wright in Conversation Robert D. Denham, 2014-11-21 Because Charles Wright occupies a large space in contemporary American poetry it is only natural that his readers over the years have wanted to engage him in conversation and discover more about his career and inspirations In this collection of richly detailed interviews conducted between 1979 and 2006 Wright eloquently discusses a range of topics including the beginning of his poetic career in Italy his experiences at the University of Iowa the American and European influences on his work contemporary poets he admires his place in Southern literature the art of translating poetry and such formal matters as his lineation and rhythmic phrasing his use of syllabics and the development of his characteristic style An extensive bibliography of writings by and about Wright

supplements the interviews Tracking the Texas Ranger Historians Bruce A. Glasrud, Harold J. Weiss Jr, 2024-10-15 The first systematic inquiry into the Texas Rangers did not begin until 1935 with Walter Prescott Webb's publication *The Texas Rangers*. Since then numerous works have appeared on the Rangers but no volume has been published before that covers the various historians of the Rangers and their approaches to the topic. Editors Bruce A. Glasrud and Harold J. Weiss Jr gather essays that profile individual historians of the Texas Rangers, explore themes and issues in Ranger history, and comprise archival research, biographies, and autobiographies. Several approaches in Texas historiography have influenced the writings on the Texas Rangers and serve to organize the chapters in the volume. Traditionalists: Chuck Parsons, Stephen L. Moore, and Bob Alexander stress the revered happenings in the nineteenth century that brought about the Lone Star state and its empire building Ranger force. To these historical writers the Texas Rangers were part of a golden age. Revisionists: Robert M. Utley, Louis R. Sadler, and Charles H. Harris pull back from this adulation, emphasize the importance of overlooked ethnic and racial groups, and point out misbehavior on the part of Rangers. They also want to separate fact from fiction. Some Ranger historians: Frederick Wilkins and Mike Cox straddle both traditional and revisionist approaches in their works. The final group: Cultural Constructionalists: Gary Clayton Anderson, Amrico Paredes, and Monica Muñoz Martinez continue the work of Revisionists and focus on an interconnected past that includes theoretical approaches and the study of memory and regional identities. Several themes emerge throughout the book. One is how the Rangers changed from unorganized mounted militia dragoons in the modern sense to organized cavalry forces with six shooter firepower who served as a military arm of the state and nation. A second is how the dichotomous views of the Rangers as either patriot warriors or bloody avengers left their imprint on Anglo and Hispanic society. This divergent examination especially derived from incidents in the US Mexican War, the period from 1910 to 1920, and the lower Rio Grande valley in the 1960s. And yet another theme is how the Rangers first resisted and fought against yet ultimately absorbed all creeds and colors into their ranks over two hundred years as they evolved into police officers. Anglo, Black, Hispanic, Indian, and women Rangers *Special Publication*, 1940

Embark on a transformative journey with Explore the World with is captivating work, **High Lonesome** .
