Martin,2014-12-16 Alcohol consumption goes to the very roots of nearly all human societies Different countries and regions have become associated with different sorts of alcohol for instance the beer culture of Germany the wine culture of France Japan and saki Russia and vodka the Caribbean and rum or the moonshine culture of Appalachia Wine is used in religious rituals and toasts are used to seal business deals or to celebrate marriages and state dinners However our relation with alcohol is one of love hate We also regulate it and tax it we pass laws about when and where it's appropriate we crack down severely on drunk driving and the United States and other countries tried the failed Noble Experiment of Prohibition While there are many encyclopedias on alcohol nearly all approach it as a substance of abuse taking a clinical medical perspective alcohol alcoholism and treatment The SAGE Encyclopedia of Alcohol examines the history of alcohol worldwide and goes beyond the historical lens to examine alcohol as a cultural and social phenomenon as well both for good and for ill from the earliest days of humankind **Simple Homebrewing** Denny Conn,Drew Beechum,2019-06-07 Have you ever found yourself doing less and less homebrewing or being too intimidated to take up the brewing to begin with Let Drew Beechum and Denny Conn help you brew the best possible beer with less work and more fun Simple Homebrewing simplifies the complicated steps for making beer and returns brewing to its fundamentals Explore easy techniques for harnessing water malted barley hops and yeast along with a few odd co stars to create beer Pick up tips and tricks for a range of brewing challenges like adjusting your brewing liquor working with adjunct ingredients controlling fermentation and brewing wild beers The authors guide you from extract brewing to all grain batches and explain the simple philosophy of recipe design and small batch brewing Learn how to evaluate different types of malt and hops by tasting crushing and steeping them and use this to build your flavor vocabulary Denny and Drew also share ideas on how to make technology work for you by taking a look at brewing gadgets from fancy fermentation jackets and expensive but convenient all in one robot brewing systems to bucket heaters swamp coolers and do it yourself PID controllers made from inexpensive and commonly available microprocessors Drew and Denny's mantra is Brew the best beer possible with the least effort

possible while having the most fun possible Throughout the focus is on helping you develop a simple thoughtful process to make homebrewing more accessible and enjoyable Wisdom is imparted in tones both reassuring and amusing and the basics are broken down into easily remembered chunks The authors also feature interviews with an eclectic group of brewers from the Americas who add their own take on the brewing process and how they have made it work for them Get a feel for recipe design by looking at a few handy templates for Pilsner pale ale IPA double IPA stout tripel and saison or try your own bottom up or top down approach after reading Denny and Drew s advice Along the way you will find over 40 recipes ranging from the simplest of pale ales American lagers tried and tested altbier recipes and delicious rye IPAs to Old and New World barleywine quick tripels Scotch ale mashed overnight king cake ale purple corn beer and Catherina sour Marvel at how mushrooms can be used in beer and tremble at the thought of a bourbon barrel aged barleywine made with ghost pepper Even experienced homebrewers can learn from this dynamic duo as Simple Homebrewing features expert advice for brewers of all levels

American Breweries of the Past David G. Moyer,2009-10 *Quality and Inequality in Regional and Urban Systems* Karima Kourtit,Peter Nijkamp,Roger Stough,2019-11-25 In the aftermath of both ongoing globalisation with both widening and deepening effects on countries regions and cities and structural changes resulting from the 2008 economic recession regions and cities in our world are confronted with a different arena of players performances and institutions The challenges are formidable and numerous Many regions and cities seem to resort to their indigenous strength without much regard to other players in the field This has enormous consequences for the competitive behaviour and profile of regional and urban actors but has at the same time deep impacts on the distribution of wealth income and employment over and within countries regions and cities There is indeed much evidence that disparities among regions and in cities are increasing in this new force field This special issue of REGION makes a solid scientific attempt i to map out the spatial consequences of recent transitions in growth trajectories of countries or regions and ii to trace policy strategies and design effective policy information to cope adequately with these new challenges The present special issue does so by highlighting the new force field of regional and urban dynamics from three angles in the context of spatial quality and inequality These will be briefly sketched below
