Home Cell Groups And House Churches:

Home Cell Groups and House Churches C. Kirk Hadaway, Francis M. DuBose, Stuart A. Wright, 1987 Successful Home Cell Groups (16pt Large Print Edition) David Yonggi Cho, 2010-04-20 Home cell groups are becoming a necessity in the believer's life not only for the mega churches but also for the small corner churches as well. This book is a how to resource that details everything you need to know in order to make home cell groups work in your church. The plans developed here are designed to bring intimate fellowship and involvement in the Christian's life to effectively show Christians how to evangelize their neighborhood and community and to share their spiritual gifts with one another. Home cell groups therefore give church members the opportunity to participate in the ministry of their church. Dr. Cho promises that by following the guidelines I have presented here you can bring the miracles of home cell groups and church growth to your own congregation. So how does a church of more than 800,000 believers grow and work? Small groups, one household at a time. Cho is careful to share both his mistakes as well as his successes. One of the prime ingredients for a successful home group program is evangelism. He insists that the cell groups focus on the neighborhoods and communities to reach the lost. Leadership training, discipline, recognition, focus, and personal involvement by the senior pastor are other critical elements. There is a careful balance which needs to be struck between control and freedom for each group to strengthen and grow. Great wisdom is shown in relying on the Holy Spirit to strike the right balance. As a senior partner in ministry, the Holy Spirit has grown the body of Christ in a miraculous way. Recorded in this book are lessons for us all, laymen and clergy, large church and small. *Successful Home Cell Groups* David Y. Cho, Yong-gi Cho, 1981 Korean pastor Paul Yonggi Cho describes his church as both the smallest and the largest in the world. The introduction of home cell groups has brought about not only phenomenal growth but also intimate fellowship and involvement. *The Way the Church Ought to Be* Robert Allan, 2002-05

The Church In Many Houses Steve Cordle, 2014-01-01 Although the largest churches in the world are cell based, many have questioned whether the model will work in North America. *The Church In Many Houses: Reaching Your Community Through Cell Based Ministry* makes the case that the cell model will work if key assumptions about spiritual growth and the nature of the church are reexamined and renewed. By drawing on scripture, research, and insights gained through personal experience as the pastor of a growing cell church, Steve Cordle identifies the four pivotal philosophical shifts necessary for the cell approach to work. These are mindset shifts that move from programs to relationships; the purposes of the church are best fulfilled in the cell group instead of in programs; member to disciple; make every member can and should become a group leader; educating to equipping. Spiritual growth is not knowing more but applying more; come and see to go and show the power of penetration evangelism. Impose a cell structure upon a congregation that has not yet made these philosophical shifts, and we are likely to fail. But when people adopt these biblical mindset changes, the cell approach will seem natural and will result in great unity and effectiveness. *The Church In Many Houses* will help congregations make the changes that are

necessary for success **The Global House Church Movement** Rad Zdero, 2004-06-01 A major church shift is happening all around the world God is once again bringing back the power and simplicity of New Testament style Christianity The Lord is raising up the global house church movement Do you want to reach your friends and your nation with an approach to church life and church planting that is biblical and effective If so read this book **Biblical Foundations for the Cell-Based Church** Joel Comiskey, 2012-11-06 Why cell church Is it because David Cho's church the largest church in the history of Christianity is a cell church Is it because someone said the number twelve will bring blessings and growth Is it because cell church is the strategy that many great churches are using Ralph Neighbour repeatedly says Theology must breed methodology This book sets forth the biblical theology for cell based ministry Without biblical truth we don't have a firm underpinning upon which we can hang our ministry and philosophy On the other hand we can plod through most anything when we know that God is stirring us to behave biblically Cell church is not the latest greatest church growth strategy If it were it would simply be a passing fad until the next hotter more relevant strategy comes along In fact in many places around the world cell church transforms the church through a purification process Church growth is slow but cell church helps Christ's church go deeper Joel Comiskey has been studying the cell church movement since 1991 and has discovered that the cell church strategy doesn't produce rapid growth in itself God reserves growth for himself He wants to receive the glory for all church growth The first section of this book covers the Trinity the model for all small group community The good news is that the Trinity works within believers to mold and shape them into his image This section explores God's emphasis on the family starting from Genesis Christ's formation of a new family and then the early church's focus on family Comiskey believes that family is the principal image of the church in Scripture The last chapter in this section explains Jesus and his kingdom and more specifically how Jesus trained his disciples to evangelism through home based outreach Section two reveals how the early church met in homes It explores what they did in those home meetings the size of the house churches and how home evangelism took place through ancient oikos relationships Comiskey looks at how New Testament leadership developed naturally through the house church structure and how the early church connected the house churches into celebration gatherings large group meetings The last section applies all eight chapters to the church today This last section draws out the New Testament insights that are applicable to the 21st century church **Home Cell Group Explosion** Joel Comiskey, 2023-03-08 Home Cell Group Explosion 2023 version is the most researched and practical book ever written on cell group evangelism Joel Comiskey traversed the globe to find out why certain churches and small groups are successful in reaching the lost He found the answers and freely shares them within this volume If you are a pastor or small group leader you should devour this book It will encourage you and give you simple practical steps for dynamic small group life and growth My friend Joel Comiskey is a combination of a local church practitioner and a painstaking scholar Joel spent hundreds of hours and thousands of dollars visiting eight of the highest visibility cell group churches to interview their

leaders and record his findings I love this book because it focuses on the multiplication of cells for the greatest evangelistic results C Peter Wagner Author Scholar and Church Growth Expert Comiskey does not just describe what is happening in cell churches He takes the next step and identifies in a step by step fashion how we can apply these principles in our churches It is all here everything we need to know to start and grow a cell group ministry I am grateful to Dr Comiskey for the time effort and research that has gone into producing this long needed book Richard Peace Ph D Professor of Evangelism and Spiritual Formation Fuller Theological Seminary Joel and I shared many days in Bogota as this book was written His grasp of cell church models is superior to any other person I have worked with this book is a treasure of information for church planters and pastors wishing to transition to the cell model Ralph W Neighbour Jr Author and Pioneer Church Planter *House Churches in Post-Communist Europe* Randy Hacker, 2023-02-10 This is an exploration of house churches especially in Poland The book begins with a review of literature about the global house church movement and continues with an article on the early Christian transition from house churches to purpose built buildings for churches Next is an article regarding the concept of sacred space in relation to house churches The first half concludes with a chapter on methodology of research for a qualitative interview approach to studying house churches The thesis then presents a theological method for using the qualitative interviews to develop ecclesiology Sixteen interviews from thirteen house churches are presented The thesis continues the theological method by attempting to answer the question why is it going on and presents a thematic analysis from the qualitative interviews that includes input from sociological research done in Poland The thesis concludes by using scriptural and academic sources in conversation with house church interviews from the interviews and global house church literature to present four primary conclusions in a practical prophetic ecclesiology **The Global House Church Movement** Rad Zdero, 2004 A major church shift is happening all around the world God is once again bringing back the power and simplicity of New Testament style Christianity The Lord is raising up the global house church movement Do you want to reach your friends and your nation with an approach to church life and church planting that is biblical and effective If so read this book *Letters to the House Church Movement* Rad Zdero, 2011-03 Real Letters Real People Real Issues God is raising up the simple organic house church movement And this book gives you for the first time a real life inside look at the controversies struggles victories and personalities emerging from within this revolution This book is a collection of real letters to real people facing real issues These letters challenge persuade and encourage They address theological issues and practical problems They were sent to friends acquaintances strangers radicals and critics This book will not just satisfy your curiosity about today's house church movement but it will propel you to complete the task to which Jesus Christ has called you Rad is one of those that has taken the time to give us all a sort of house church FAQ that unzips and unpacks the current revolution and makes it more tangible than ever Wolfgang Simson Author of Houses that Change the World Rad Zdero has labored to usher in a new old paradigm in church life a courageous candid and vulnerable publication of the letters that have
