The Words and Music of James Taylor James E. Perone, 2017-11-10 A valuable resource for James Taylor fans and a fascinating read for anyone interested in autobiographical popular music of the past 50 years What kinds of unusual musical forms and lyrical structures did American singer songwriter James Taylor incorporate into his songs What role did Taylor play in the introspective singer songwriter movement of the 1970s How did Taylor write and record songs that were inspired from his own experiences in life that touched so many other people The Words and Music of James Taylor explores these specific topics and provides detailed critical analysis of the songs and recordings of this well known musical icon examining his melodic writing his use of harmony and his often unappreciated tailoring of musical form to enhance his lyrical messages The book is organized chronologically primarily around Taylor's studio albums from 1968 to 2015 and offers an introduction a summary of Taylor's career and importance as well as an annotated bibliography and discography The final section of the book presents an overview of Taylor's importance and lasting impact an analysis of themes that run through his songs and an explanation of how Taylor's treatment of these themes changed over the years as he matured and as the world around him changed

**Narrative Progression in the Short Story** Michael J. Toolan, 2009 One of our most valuable capacities is our ability partly to predict what will come next in a text But linguistic understanding of this remains very limited especially in genres such as the short story where there is a staging of the clash between predictability and unpredictability This book proposes that a matrix of narrativity furthering

textual features is crucial to the reader's forming of expectations about how a literary story will continue to its close Toolan uses corpus linguistic software and methods and stylistic and narratological theory in the course of delineating the matrix of eight parameters that he sees as crucial to creating narrative progression and expectation The book will be of interest to stylisticians narratologists corpus linguists and short story scholars **'Tis the Season to Be Baking** Dominic

Garramone, 2007-09 Father Dominic Garramone acclaimed author and host of Breaking Bread with Father Dominic weaves together holiday reflections and recipes in **Tis the Season to Be Baking** Christmas Reflections and Bread Recipes In this new collection Father Dominic relates nearly two dozen holiday baking traditions to scripture and shows that holiday preparations can seem less like drudgery if we can see the purpose behind them Did you know that the French meal fougasse represents the genealogy of Jesus or that two very different Christmas breads the traditional German stollen and the more recent Saint Bede tradition of Bambino Bread represent the Christ Child in swaddling cloths **Tis the Season to Be Baking** imparts such wisdom as it takes bakers holiday traditionalists and Father Dominic fans beyond bread yet again **180 Masterpieces**
