Homelands Of The Scots

Angela McCarthy

Homelands Of The Scots:

Homelands of the Scots Roderick Martine, British Tourist Authority, 1981 Imagined Homelands Jason R. Rudy, 2017-12-15 A ground breaking study of nineteenth century British colonial poetry Imagined Homelands chronicles the emerging cultures of nineteenth century British settler colonialism focusing on poetry as a genre especially equipped to reflect colonial experience Jason Rudy argues that the poetry of Victorian era Australia New Zealand South Africa and Canada often disparaged as derivative and uncouth should instead be seen as vitally engaged in the social and political work of settlement The book illuminates cultural pressures that accompanied the unprecedented growth of British emigration across the nineteenth century It also explores the role of poetry as a mediator between familiar British ideals and new colonial paradigms within emerging literary markets from Sydney and Melbourne to Cape Town and Halifax Rudy focuses on the work of poets both canonical including Tennyson Browning Longfellow and Hemans and relatively obscure from Adam Lindsay Gordon Susanna Moodie and Thomas Pringle to Henry Kendall and Alexander McLachlan He examines in particular the nostalgic relations between home and abroad core and periphery whereby British emigrants used both original compositions and canonical British works to imagine connections between their colonial experiences and the lives they left behind in Europe Drawing on archival work from four continents Imagined Homelands insists on a wider geographic frame for nineteenth century British literature From lyrics printed in newspapers aboard emigrant ships heading to Australia and South Africa to ballads circulating in New Zealand and Canadian colonial journals poetry was a vibrant component of emigrant life In tracing the histories of these poems and the poets who wrote them this book provides an alternate account of nineteenth century British poetry and more broadly of settler colonial culture *Scotland Forever Home* Geddes MacGregor, 1985-01-01 *Reframing Pilgrimage* European Association of Social Anthropologists, 2004 This book proposes a radical new agenda for pilgrimage studies considering such travel as just one of the twenty first century s many forms of cultural mobility Prioritizing anthropological arguments about mobility locality and belonging over analyses of traditional religious studies contributors examine the meanings of pilgrimage in world religions as well as in non religious contexts such as roots tourism P 1 *All for Union, Empire and Homeland* George McGilvary, 2019-01-15 This book uses original resources to uncover the valuable help given to Britain s leaders and her elite by the Scot John Drummond of Quarrel It reveals why he proved indispensable as a special consultant and counsellor to statesmen nobles and businessmen shows his devotion to the 1707 Union and how he fed expansion of Britain s Empire while spying on her enemies His professionalism learned from the renascent culture of his beloved Scotland benefitted commercial society in Britain and Holland The volume argues that his contribution to a momentous much discussed era was extraordinary and his activities boosted exchange of global knowledge to the particular benefit of Scotland **The Oxford Handbook of Modern Scottish History** T. M. Devine, Jenny Wormald, 2012-01-26 A landmark study which reconsiders in fresh and illuminating ways the classic themes of the nation s

history since the sixteenth century as well as a number of new topics which are only now receiving detailed attention Places the Scottish experience firmly in an international historical experience

At Home in Shakespeare's Tragedies Geraldo U. de Sousa, 2016-04-15 Bringing together methods assumptions and approaches from a variety of disciplines Geraldo U de Sousa s innovative study explores the representation perception and function of the house home household and family life in Shakespeare s great tragedies Concentrating on King Lear Hamlet Othello and Macbeth de Sousa s examination of the home provides a fresh look at material that has been the topic of fierce debate Through a combination of textual readings and a study of early modern housing conditions accompanied by analyses that draw on anthropology architecture art history the study of material culture social history theater history phenomenology and gender studies this book demonstrates how Shakespeare explores the materiality of the early modern house and evokes domestic space to convey interiority reflect on the habits of the mind interrogate everyday life and register elements of the tragic journey Specific topics include the function of the disappearance of the castle in King Lear the juxtaposition of home centered life in Venice and nomadic unhoused wandering in Othello and the use of special lighting effects to reflect this relationship Hamlet s psyche in response to physical space and the redistribution of domestic space in Macbeth Images of the house home and household become visually and emotionally vibrant and thus reflect define and support a powerful tragic narrative

Tourism and Memories of Home Sabine Marschall, 2017-02-03 This book investigates home and homeland as destinations of touristic journeys and adds to recent scholarly interest in the intersection between tourism and migration It covers the temporary visits and journeys in search of home and homelands by migrants displaced people exiles and diasporic communities in a wide range of different geographical and historical contexts Personal and collective forms of memory are shown to play a key role in the motivation for and experience of such journeys The volume contributes to the investigation of the tourism memory nexus as it conceptualizes memory as underpinning touristic mobility experience and performativity Based on ethnographic case studies and other types of qualitative empirical research the chapters of this book foreground individual touristic experiences emotions memories perceptions the search for identity and a sense of belonging The book will be of interest to students and researchers in the fields of tourism heritage anthropology identity studies memory studies and migration diaspora studies

Highland Homecomings Paul Basu, 2007-03-12 The first full length ethnographic study of its kind Highland Homecomings examines the role of place ancestry and territorial attachment in the context of a modern age characterized by mobility and rootlessness With an interdisciplinary approach speaking to current themes in anthropology archaeology history historical geography cultural studies migration studies tourism studies Scottish studies Paul Basu explores the journeys made to the Scottish Highlands and Islands to undertake genealogical research and seek out ancestral sites Using an innovative methodological approach Basu tracks journeys between imagined homelands and physical landscapes and argues that through these genealogical journeys individuals are able to construct meaningful self narratives from the ambiguities of their

diasporic migrant histories and recover their sense of home and self identity This is a significant contribution to popular and academic Scottish studies literature particularly appealing to popular and academic audiences in USA Canada Australia New Zealand and Scotland *The Scottish World* Billy Kay,2011-12-02 Thaim wi a guid Scots tongue in their heid are fit tae gang ower the world In *The Scottish World* renowned broadcaster Billy Kay takes us on a global journey of discovery highlighting the extraordinary influence the Scots have had on communities and cultures on almost every continent While others have questioned the self confidence of the Scots Kay has travelled the world from Bangkok to Brazil Warsaw to Waikiki and found ringing endorsements for the integrity and intellect the poetry and passion of the Scottish people in every country he has visited He expands people s view of Scotland by relating remarkable stories of the wealthy Scottish merchant community in Gdansk of national geniuses of Scots descent such as Lermontov in Russia and Grieg in Norway of an American Civil War blamed on Sir Walter Scott and initiated in the St Andrew s Society of Charleston of inspirational missionaries in Calabar and Budapest of Scotch professors establishing football in soccer strongholds such as Barcelona and S o Paulo of pioneers like Sandeman and Cockburn and the Scottish roots of many of the great wines of Europe and of their amazing involvement in liberation movements in Malawi Chile Peru Greece Corsica and India *The Scottish World* is a celebration of the enormous contribution the Scots have made to the modern world **Kindred Spirits** Hodalee C.S. Sewell, **Scotland** Geddes MacGregor,1990 Here is the ideal introduction to Scotland for everyone In this informative and amusing portrait Professor MacGregor recounts the history and origins of golf kilts bagpipes and other distinctly Scottish associations revealing a Scotland lesser known the rugged and romantic land that retains much of its own ancient tradition and culture *Personal narratives of Irish and Scottish migration, 1921-65* Angela McCarthy,2017-10-03 Between 1921 and 1965 Irish and Scottish migrants continued to seek new homes abroad Using the personal accounts of these migrants from letters interviews questionnaires and shipboard journals together with more traditional documentary sources such as immigration files and maritime records this book examines the experience of migration and settlement in North America and Australasia Through a close reading of personal testimonies the author highlights the assorted similarities and differences between the Irish and Scots Subtle differences rather than yawning cultural gaps are apparent similarities in attitude and expectation are more common than divergent or unique experiences The key revelation of the work is that despite a number of peculiarities characterising their individual and collective experiences of migration both the Irish and Scots were relatively successful migrants in the period under consideration Using interviews both spoken and written and tackling issues of why and how versions of the past are represented and what they mean this fascinating study considers individual and collective memory and the use of personal testimonies as historical evidence their uniqueness and typicality Furthermore in using personal narratives the book portrays individual migration experiences which are often hidden in studies based on statistical analysis **Scottish Record Society** ,1926 **The Church of Scotland Home and Foreign Mission Record** Church of

Scotland,1899 **Modern Scottish Diaspora** Murray Stewart Leith,2014-07-21 Brings together well established and emerging scholars from a variety of disciplines to present a contemporary diasporic perspective on national affairs for Scotland The book reflects a growing interest in the subject from academics policy makers and *Scotland* Murray Stewart Leith,Duncan Sim,2020-04-07 Scotland s future in the Union is in question Since Devolution in 1997 there has been a sea change in Scotland s sense of itself A distinct Scottish political culture has emerged confident assertive and increasingly divergent from that of its southern neighbours Yet as this timely and perceptive book shows Scottish nationalism has been on the rise since the Second World War Today the Scottish National Party are in the ascendant winning nearly half of all votes cast in the 2019 General Election and most of the seats The Scottish Parliament has been a legislative trail blazer enacting progressive legislation well before England and Wales And Scotland voted overwhelmingly to remain in the European Union putting it at odds with much of the rest of the United Kingdom on the most important political decision this century The country has transformed from the socially and politically conservative climate of the post war period to a nation contemplating for the second time a move to independence for all the uncertainty and turmoil that would bring At a time when the country s future has topped the agenda in Britain and abroad this book unpicks the complex weave of Scottish politics society and culture providing an essential insight into Scotland s present and its future Scottish Cinema Now Fidelma Farley,Jonathan Murray,Rod Stoneman,2009-01-14 Cinema from Scotland has attained an unprecedented international profile in the decade or so since *Shallow Grave* 1995 and *Trainspotting* 1996 impinged on the consciousness of audiences and critics around the world *Scottish Cinema Now* is the first collection of essays to examine in depth the new films and filmmakers that have emerged from Scotland over the last ten years With contributions from both established names and new voices in British Cinema Studies the volume combines detailed textual analysis with discussion of industrial issues scholarship on new movies with historical investigation of unjustly forgotten figures and film from Scotland s cinematic past and a focus on international as well as indigenous images of Scottishness Responding to the ways in recent Scottish filmmaking has transformed the country s cinematic landscape *Scottish Cinema Now* reexamines established critical agendas and sets new ones for the study of Scotland s relationship with the moving image in the twenty first century **The Kingdom of Scotland in the Middle Ages 400-1450** David Armstrong,2002 Written for S1 and S2 and endorsed by the Scottish Association of Teachers of History this text covers key aspects of study recommended in the 5 14 guidelines Skills questions help develop and monitor students understanding and thinking **Contested Landscapes** Barbara Bender,Margot Winer,2020-05-27 Landscapes are not just backdrops to human action people make them and are made by them How people understand and engage with their material world depends upon particularities of time and place These understandings are dynamic variable contradictory and open ended Landscapes are thus always evolving and are often volatile and contested They are also always on the move people may or may not be rooted but they have legs From

prehistoric times onwards people have travelled but the process of people on the move as tourists or on global business as migrant workers or political or economic refugees has vastly accelerated How and why do people who share the same landscape have different and often violently opposed ways of understanding its significance How do people on the move make sense of the unfamiliar How do they create a sense of place How do they rework the memories of places left behind There is nothing easeful about the landscapes discussed in this book which are often harsh edged and troubled both socially and politically The contributors tackle contested notions of landscape to explain the key role it plays in creating identity and shaping human behaviour This landmark study offers an important contribution towards an understanding of the complexity of landscape

Homelands Of The Scots Book Review: Unveiling the Power of Words

Homelands Of The Scots Introduction

In today's digital age, the availability of Homelands Of The Scots books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Homelands Of The Scots books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Homelands Of The Scots books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Homelands Of The Scots versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Homelands Of The Scots books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Homelands Of The Scots books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Homelands Of The Scots books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited

period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Homelands Of The Scots books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Homelands Of The Scots books and manuals for download and embark on your journey of knowledge?
