The Great Detectives Otto Penzler, 2012-08-28 The origins of literature's finest crime fighters told by their creators themselves. Their names ring out like gunshots in the dark of a back alley: crime fighters of a lost era whose heroic deeds will never be forgotten. They are men like Lew Archer, Pierre Chambrun, Flash Casey, and the Shadow. They are women like Mrs. North and the immortal Nancy Drew. These are detectives and they are some of the only true heroes the twentieth century ever knew. In this classic volume, Otto Penzler presents essays written by the authors who created these famous characters. We learn how Ed McBain killed and resurrected the hero of the 87th Precinct, how international agent Quiller wrote his will, and how Dick Tracy first announced that crime does not pay. Some of these heroes may be more famous than others, but there is not one whom you wouldn't like on your side in a courtroom, a shootout, or an old-fashioned barroom brawl.

Rourke has never been one to refuse a story or a beautiful blonde, but he soon discovers that the men who run this country are experts in more than hiding the truth; they also know how to make a reporter disappear. When Rourke's investigations get the best of him, it falls to Mike Shayne to save his life. As revolution simmers under the tropical sun, Shayne takes on the worst the dictatorship has to offer. The officials may be ruthless killers, but they have never met the likes of Shayne. **Fit to Kill** is the 31st book in the Mike Shayne Mysteries but you may enjoy reading the series in any order.

of Medieval England Rosanne P. Gasse, 2023-07-04 *Hybridity in the Literature of Medieval England* offers a wide-ranging exploration of hybridity in medieval English literature. Anxiety about hybridity surfaces in characters of mixed ethnic identity in the romances. But anxiety is found also in the intersection of the natural and the supernatural and its site can be located inside the human body's unstable physical frame, living and dead as much as in the cultural and social forces at work upon

the human body politic at large Hybridity is unlike other constructs of difference in that while it is grounded in difference hybridity points toward sameness The four types of hybridity studied in medieval English literature show that hybridity can resolve the problems caused by difference Understanding medieval hybridity can help us to deal with our own contemporary struggles with the mixtures of our own lives and societies Twentieth Century Crime & Mystery Writers NA,2015-12-25 She Woke to Darkness Brett Halliday,2015-08-18 A pulp writer tumbles into a mystery after an encounter at an awards banquet For more than a decade Brett Halliday has made a living chronicling the adventures of the hard nosed private detective Mike Shayne At the banquet for the 1953 Edgar Awards Halliday is dismayed to find the pulp field overrun by hacks who think X rated smut and blood soaked gore are enough to make a mystery He s about to head home when he meets Elsie Murray a beautiful author who appreciates a good whodunit and who has enough of her own troubles to fill a thousand paperbacks When Elsie is found murdered in her hotel room the police suspect the last man she was seen with Halliday is in a jam and he knows better than anyone else that the only man who can save him is Mike Shayne She Woke to Darkness is the 24th book in the Mike Shayne Mysteries but you may enjoy reading the series in any order **Jack and the Thames Torso Murders** Drew Gray,Andrew Wise,2019-06-15 Using contemporary sources and modern profiling techniques the authors flag up a hitherto little known suspect as London s most infamous mass murderer Counterfeit Wife Brett Halliday,2015-07-14 A chance encounter at the airport leads Mike Shayne into a ring of counterfeiters Mike Shayne has been trying to leave Miami for weeks but something keeps stopping him from returning to New Orleans He s about to board the midnight flight to Louisiana when his secretary calls and tells him not to bother His stalling has cost them another client and she s fed up She quits and Shayne realizes that she was the only thing tying him to New Orleans A man approaches Shayne to beg for his ticket paying for it with two hundred dollar bills that seem too good to be true Mike Shayne is staying in Miami but how long will he stay alive The man s wife appears at the airport a jaw dropping blonde too lovely to be married to such a weasel Shayne follows her embarking on a night out on the town that quickly turns deadly The money may be fake but the bullets are all too real Counterfeit Wife is the 14th book in the Mike Shayne Mysteries but you may enjoy reading the series in any order **The Corpse Came Calling** Brett Halliday,2015-06-16 Mike Shayne is accused of homicide after a dying man stumbles into his office When an old friend calls begging to see him immediately Mike Shayne is surprised to say the least He hasn t set eyes on Jim Lacy in ten years and time has not been kind Jim s face is deeply wrinkled and his eyes are glazed His skin is gray and there is blood seeping through his shirt Jim mutters a few last words as he collapses on Shayne s office floor His stomach is filled with lead and he is dead before he hits the ground Shayne reaches into Lacy s pocket and pulls out his wallet Emptying it he finds 200 enough for a retainer fee Mike Shayne has never let a client s murder go unpunished and he will not rest until he catches the men who shot Jim Lacy and sent him to die But first he will have to convince the police that he was not the man who pulled the trigger The Corpse Came Calling is the 6th book in the Mike
