Journey Into Sexuality An Exploratory Voyage:

Journey Into Sexuality Ira L. Reiss, 1986 This is the first societal level explanation of human sexuality that develops a cross cultural explanation of all major types of sexuality The reader will gain perspective on American sexual customs by becoming aware of areas of similarities and differences with other societies The emphasis is upon a new way of understanding sexuality Key areas of present day concern are central to the development of this explanation Accordingly sexual jealousy gender differences in power notion of sexual abnormality homosexuality and erotica are discussed at length There are all integrated into the final societal level explanation No assumptions are made regarding the depth of professional background of the reader Dust jacket flap **Sexual Interactions and HIV Risk** Mitchell Cohen, Gustavo Guizzardi, Dominique Hausser, Luc Van Campenhoudt, 2003-12-16 This work examines the theories and perspectives involved in the study of sexual risk behaviour and HIV It provides a framework for analysis based on sexual interactions and their social context **Sexualities: Making a sociology of sexualities** Kenneth Plummer, 2002 Volume 3 Difference and Diversity of Sexualities This section examines the politics power and critique of sexual categories including bisexuality sex addiction prostitution and sadomasochism *How Sex Got Screwed Up: The Ghosts that Haunt Our Sexual Pleasure - Book Two* Jon Knowles, 2019-03-31 The ghosts that haunt our sexual pleasure were born in the Stone Age Sex and gender taboos were used by tribes to differentiate themselves from one another These taboos filtered into the lives of Bronze and Iron Age men and women who lived in city states and empires For the early Christians all sex play was turned into sin instilled with guilt and punished severely With the invention of sin came the construction of women as subordinate beings to men Despite the birth of romance in the late middle ages Renaissance churches held inquisitions to seek out and destroy sex sinners all of whom it saw as heretics The Age of Reason saw the demise of these inquisitions But it was doctors who would take over the roles of priests and ministers as sex became defined by discourses of crime degeneracy and sickness The middle of the 20th century saw these medical and religious teachings challenged for the first time as activists such as Alfred Kinsey and Margaret Sanger sought to carve out a place for sexual freedom in society However strong opposition to their beliefs and the growing exploitation of sex by the media at the close of the century would ultimately shape 21st century sexual ambivalence Book Two of this two part publication traces the history of sex from the Victorian Era to present day Interspersed with personal hauntings from his own life and the lives of friends and relatives Knowles reveals how historical discourses of sex continue to haunt us today This book is a page turner in simple and plain language about how sex got screwed up for millennia For Knowles if we know the history of sex we can get over it **Strong Mothers, Weak Wives** Miriam M. Johnson, 1988 For years I have been impressed by the originality and insight of Johnson's articles on gender sexuality and male dominance This book continues and expands the excellent quality of the earlier work It provides an original argument about the central structural locus of gender inequality and makes a major advance in its insightful and insistent focus on the

role of the father in gender differentiation and sexual dominance It will surely be recognized as a major work of feminist theory Nancy Chodorow author of *The Reproduction of Mothering* This thoughtful and provocative book greatly deepens the debate over the effects of mothers and fathers on their children Arlie Hochschild author of *The Second Shift* Inside the Two Job Marriage *Her Way* Paula Kamen,2000 How young woman are redefining sex 30 years after the Sexual Revolution Three decades after the Sexual Revolution women s power and status have begun to match men s and women are finally making the rules in order to experience a more radical and truer form of liberation *Her Way* demonstrates how and why 20 and 30 something women have evolved to act and think more like men sexually while also creating their own distinct sexual patterns and appetites Today s young women are now the leaders of an unreported but sweeping Sexual Evolution in which women take control of sex and redefine it from their perspective In other words do it her way Paula Kamen characterizes this Sexual Evolution according to two major developments that are setting sexual patterns for future generations of women young women s sexual profiles are now remarkably similar to those of men in terms of age of first intercourse and numbers of sex partners and casual encounters They also feel less guilt or shame about their behavior from premarital sex to having a child out of marriage to coming out of the closet to cohabiting Yet young women are not merely imitating men but forging their own distinct sexual perspectives and asserting their own needs In addition to discovering the pleasures of sex young women are also exploring the dilemmas challenging male defined sexual scripts and changing what actually goes on in bed Based on more than one hundred lively unfiltered and in depth interviews with women across the country *Her Way* cuts through the sensationalism and speculation of popular discussions about young women and sex Kamen reports the real story of today s enhanced sexual expectations and choices *Handbook on Crime* Fiona Brookman, Mike Maguire, Harriet Pierpoint, Trevor Bennett, 2010-02 This comprehensive edited volume contains analysis and explanation of the nature extent patterns and causes of over 40 different forms of crime in each case drawing attention to key contemporary debates and social and criminal justice responses **The Mating Game** Pamela C. Regan, 2016-01-12 Pamela C Regan s *The Mating Game* A Primer on Love Sex and Marriage Third Edition is the only introductory text about human mating relationships aimed specifically at a university audience Encompassing a wide array of disciplines this comprehensive review of theory and empirical research takes an integrated perspective on the fundamental human experiences of attraction and courtship mate selection and marriage and love and sex Strongly grounded in methodology and research design the book offers relevant examples and anecdotes along with ample pedagogy that will spark debate and discussion on provocative and complex topics *The Anthropology of Sex* Hastings Donnan, Fiona Magowan, 2020-05-31 Sex scholarship has a long history in anthropology from the studies of voyeuristic Victorian gentlemen ethnographers to more recent analyses of gay sex transsexualism and the newly visible forms of contemporary sexuality in the West *The Anthropology of Sex* draws on the comparative field research of anthropologists to examine the relationship between sex as identity practice and experience Sexual cultures vary

enormously and while often the topic of tabloid titillation they are more rarely subjected to strict cultural analysis The Anthropology of Sex is the first work to critically synthesise over a century of comparative expertise knowledge and understanding of diverse sexual forms Explores sexuality from diversity to perversity and asks how diverse sexual practices are linked Probes the cultural and comparative context of contemporary sexual practice and belief Examines the shaping of sex by global and globalizing forces The Anthropology of Sex will be key reading for undergraduate and postgraduate courses in anthropology and related disciplines *The Oxford Handbook of Biblical Narrative* Danna Fewell, 2016-06-01 Comprised of contributions from scholars across the globe The Oxford Handbook of Biblical Narrative is a state of the art anthology offering critical treatments of both the Bible's narratives and topics related to the Bible's narrative constructions The Handbook covers the Bible's narrative literature from Genesis to Revelation providing concise overviews of literary critical scholarship as well as innovative readings of individual narratives informed by a variety of methodological approaches and theoretical frameworks The volume as a whole combines literary sensitivities with the traditional historical and sociological questions of biblical criticism and puts biblical studies into intentional conversation with other disciplines in the humanities It reframes biblical literature in a way that highlights its aesthetic characteristics its ethical and religious appeal its organic qualities as communal literature its witness to various forms of social and political negotiation and its uncanny power to affect readers and hearers across disparate time frames and global communities **Disorders of Desire** Janice M. Irvine, 2005 Disorders of Desire is the only book to tell the story of the development and impact of sexology the scientific study of sex in the United States In this era of sex scandals culture wars Sex in the City and new sexual enhancement technologies like erectile dysfunction drugs its critique of sexology is even more relevant than it was when the book was first published in 1990 This revised and expanded edition features new chapters addressing LI The diagnosis of sex addiction in the 1970s and its social and political implications LI UL LI New developments within the field of sexology including the Viagra Revolution that began in the 1990s LI UL LI The pharmaceutical industry's role in the development of sexual enhancements and the search for the female equivalent of Viagra LI UL Troublesome Disguises Dinesh Bhugra, Gin S. Malhi, 2014-11-06 Troublesome Disguises examines psychiatric conditions which are not necessarily uncommon rare or exotic but are challenging for the clinician who may struggle to reach a diagnosis and to set up management strategies However with familiarity these conditions can and should be recognised This new edition is an exercise in consciousness raising as well as a warning to beware of diagnostic systems which despite their many virtues may become too influential and may perpetuate errors which are to the detriment of patients For the clinician struggling to understand and treat patients who fail to fit the usual diagnostic categories Troublesome Disguises provides wise instruction in the virtue of entertaining doubts as well as practical advice for the assessment and management of atypical cases *Celibacy in Crisis* A.W. Richard Sipe, 2004-03 In the midst of the worst crisis the Catholic Church has seen in almost 500 years this book challenges Catholic

authorities to renew rethink or reform the long standing institution of celibacy *Sex Differences* Linda Mealey,2000-04-13
Sex Differences serves as an advanced text for courses in evolutionary and human biology psychology and sexuality and gender studies It also serves as a reference source for academic professionals in these disciplines The book covers the evolution of sex and sex differences and sex differences and sexual strategies in non human and human animals The final chapter addresses issues of sex and gender in interpersonal relationships organizations and politics Diagrams graphs charts and tables illustrate key concepts cartoons and photos provide visual breaks and an element of humor Examines sexual differences from a multi level comparative approach Contains a thorough coverage of literature through 1998 and into 1999 Illustrates pages with a generous use of cartoons photos figures and diagrams Invites bonus learning with special interest boxes interspersed throughout text Presents a critical analysis Includes a combination of feminist and evolutionary thinking

Human Sexuality Vern L. Bullough,Bonnie Bullough,2014-01-14 First Published in 1994 The purpose of an encyclopedia is to gather in one place information that otherwise would be difficult to find Bring together a collection of articles that are authoritative and reflect a variety of viewpoints The contributors come from a wide range of disciplines from nursing to medicine from biology to history and include sociologists psychologists anthropologists political scientists literary specialists academics and non academics clinicians and teachers researchers and generalists *Loss of Desire* Marina Kerkhoff,Jona van Weteren,Michael Schuyler,2025-04-22 Sexual dysfunction is widespread but often invisible It affects body and soul relationship and identity and is an expression of complex internal and external tensions This book provides a deep insight into the complex relationships of sexual dysfunction and sheds light on it from a medical psychological social cultural and ethical perspective For professionals this work provides a comprehensive basis for diagnosis and therapy at the cutting edge of science and practice For those affected it creates a comprehensible sensitive and non pathologising understanding of sexual health The focus is always on the person with their history their relationships their physicality and their ability to change In addition to classic treatment approaches the book presents new forms of therapy from personalised hormone and psychotherapies body centred methods mindfulness based sex therapies and virtual reality supported interventions to digitally assisted self help programmes It also discusses integrative concepts that incorporate social factors such as gender roles cultural norms and digital sex cultures into therapeutic work An interdisciplinary work of reference differentiated well founded and humane For a future sexology that not only heals but also understands and takes sexuality seriously as a vibrant expression of dignity self determination and relationship skills Bremen University Press has published over 4 500 specialist books in various languages over the past 11 years 1st edition 2025 **True Nature** Michael R. Kauth,2012-12-06 I have long been awe struck by authors claims that their books had been in the making for 5 or 10 or even 15 years I now have a better appreciation of the work involved in bringing a book to press The seeds of this project have had a long germination The impetus for this book began more than 10 years ago when I was a graduate student in clinical psychology Having an interest

in human sexuality and in theories on the forms of sexual attraction specifically I was perplexed by various perspectives on this subject Disciplines of thought that I encountered medicine evolutionary biology developmental psychology gay lesbian theory social constructionism anthropology Marxism Christianity and others perceived the issue so differently so strongly with almost no overlap I was fascinated that the question of how and why one is attracted to either one or both sexes could elicit such conviction and divergent points of view There seemed to be no easy way to resolve these differences Still what frustrated me most in my readings were several conceptual problems among the two prominent proponents of contemporary sexuality theory scientists and social constructionists One of my first frustrations with biomedical and social scientists who write about sexuality was that they often define sexual attraction in strict behavioral terms as completed observable sexual acts observable in the sense that such acts or their consequences are seen by others

A Secret World A.W. Richard Sipe, 2013-05-24 A Secret World is a valuable contribution to the field of Family Therapy Looks at the history and origins of celibacy discusses its role in the priesthood and considers the psychological aspects of celibacy *Psychological Perspectives on Lesbian, Gay, and Bisexual Experiences* Linda Garnets, 2003 This book provides an overview of current thought about the psychological issues affecting lesbians bisexuals and gay men

The Construction of Homosexuality David F. Greenberg, 2008-10-29 At various times homosexuality has been considered the noblest of loves a horrible sin a psychological condition or grounds for torture and execution David F Greenberg's careful encyclopedic and important new book argues that homosexuality is only deviant because society has constructed or defined it as deviant The book takes us over vast terrains of example and detail in the history of homosexuality Nicholas B Dirks New York Times Book Review

Journey Into Sexuality An Exploratory Voyage Introduction

In the digital age, access to information has become easier than ever before. The ability to download Journey Into Sexuality An Exploratory Voyage has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Journey Into Sexuality An Exploratory Voyage has opened up a world of possibilities. Downloading Journey Into Sexuality An Exploratory Voyage provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Journey Into Sexuality An Exploratory Voyage has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Journey Into Sexuality An Exploratory Voyage. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Journey Into Sexuality An Exploratory Voyage. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Journey Into Sexuality An Exploratory Voyage, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Journey Into Sexuality An Exploratory Voyage has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so,

individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
