## POEMS, ESSAYS AND LETTERS IN TWO VOLUMES

WITH A MEMOIR BY

ROBERT CORTES HOLLIDAY

*Literary Executor of Joyce Kilmer*

In these volumes is written, altogether, a bright chapter in the history of our time. If there is one word which more than any other should be linked with the name of this gallant figure now claimed (and rightly) by so many elements of the nation, that word certainly is "American." A talent, a character and a career so racy, typical of all that everybody likes to believe that at our best we are, can hardly be matched in the annals of our day. Indeed, such was the power of this young spirit over other men that even now he has become a legend, his excellence a popular heritage, benefiting and enriching human life.

The volumes contain a representative collection of Kilmer's work in his varied fields. All the poems are given which it is deemed advisable to preserve. These include a number of early poems and five poems from France never before between book covers.

The uncommonly frank, realistic memoir is a modern Arabian Nights Tale—"Masterly," declares the *New York Times*.
