*Judgment Ridge* Dick Lehr, Mitchell Zuckoff, 2009-01-23 This irresistibly absorbing true crime investigation uncovers the brutal murder of two Dartmouth professors by a pair of students in 2001 Publishers Weekly On a cold night in January 2001 the idyllic community of Dartmouth College was shattered by the discovery that Half and Susanne Zantop two of its most beloved professors had been hacked to death in their own home Investigators searched helplessly for clues linking the victims to their murderers Weeks later in the nearby town of Chelsea Vermont they sought out a pair of high school seniors for questioning Then Robert Tulloch and his best friend Jim Parker fled Suddenly two of Chelsea s brightest and most popular sons had become fugitives wanted for the murders of Half and Susanne Zantop Authors Mitchell Zuckoff and Dick Lehr provide a vivid explication of a murder that captivated the nation as well as dramatic revelations about the forces that turned two popular teenagers into killers Judgement Ridge conveys the devastating loss of Half and Susanne Zantop while also providing a clear portrait of the killers their families and their community and perhaps a warning to any parent about what evil may lurk in the hearts of boys

*The Allure of Premeditated Murder* Jack Levin,, Julie B. Wiest, 2018-10-18 Any murder causes pain and suffering that ripple through families and communities of both the victims and the perpetrators but premeditated murders cause the worst kind of damage The Allure of Premeditated Murder is about the worst kinds of premeditated homicide in which the perpetrator plans an attack over a period of days weeks or months leaving behind massive carnage and unspeakable suffering Drawing on extensive research and interviews with murderers sociologists Jack Levin and Julie B Wiest help readers understand why such vicious murders occur and what we can do to minimize their incidence Throughout the book they examine why people engage in acts of premeditated murder planning and implementing terrible violence against others from the perpetrator s viewpoint By juxtaposing the motivations for these hideous homicides against everyday social circumstances these often baffling crimes are explained in an easy to understand manner that paves the way for promising solutions In the process of examining the characteristics of premeditated murder the book also addresses those questions that are commonly asked about this kind of violent crime but usually unanswered How could a killer have enjoyed his murderous rampage when he committed suicide right afterward Why do sadistic killers sometimes regard their murders as great accomplishments What can be done to effectively reduce the likelihood of this kind of homicide As violence remains such a prominent and troubling topic nationwide The Allure of Premeditated Murder successfully explores the reasons behind the worst violence as well as the most promising solutions
