accounted a shameful and cynical thing people talked of right and wrong of honor and dishonor of sin and grace of salvation and damnation not of morality and immorality The word morality if we met it in the Bible would surprise us as much as the word telephone or motor car Nowadays we do not seem to know that there is any other test of conduct except morality and the result is that the young had better have their souls awakened by disgrace capture by the police and a month's hard labor than drift along from their cradles to their graves doing what other people do for no other reason than that other people do it and knowing nothing of good and evil of courage and cowardice or indeed anything but how to keep hunger and concupiscence and fashionable dressing within the bounds of good taste except when their excesses can be concealed Is it any wonder that I am driven to offer to young people in our suburbs the desperate advice Do something that will get you into trouble But please do not suppose that I defend a state of things which makes such advice the best that can be given under the circumstances or that I do not know how difficult it is to find out a way of getting into trouble that will combine loss of respectability with integrity of self respect and reasonable consideration for other people's feelings and interests on every point except their dread of losing their own respectability But when there's a will there's a way I hate to see dead people walking about it is unnatural And our respectable middle class people are all as dead as mutton Out of the mouth of Mrs Knox I have delivered on them the judgment of her God
