## Far Away Man:

*Faraway* Edmund Ironside, 2013-02-05 Earth Empire has developed incredible technology and it has taken humans half way across the galaxy Entire sentient species have been conquered their worlds and inhabitants exploited brutally Human technology and social structure has been used efficiently but not wisely A sense of malaise has gripped nearly all of the people and they yearn for something better Lost in a fog of bizarre state imposed controls supported by endless propaganda they don t know how to escape their meaningless existence They don t even know what they want At the outermost base called Faraway a small group of humans learn of some ancient writings although incomplete suggesting there is more to life Immersing themselves in the new way they start discovering thoughts like respect compassion community beauty purpose and especially love It s a tenuous beginning and there are those who will suppress the adherents of the new way A struggle begins between the two opposing ways The struggle spreads across the galaxy and even beyond from Faraway *Faraway* R. K. Kline, Daniel D. Maurer , 2015 *Faraway A Suburban Boy s Story as a Victim of Sex Trafficking* is one man s story of a subject so taboo people rarely talk about it When Kevin was fourteen years old he was just starting to understand his orientation as a gay teen living in a suburb of St Louis Then he met someone who he thought was his friend This man was no friend Instead he coerced Kevin into child prostitution During this difficult time Kevin befriended two boys also trapped in the thinly concealed underworld of sex trafficking What he found surprised him these friends gave him a gift that nearly forty years later has continued to shape his life Co written by Rev R K Kline and author Daniel D Maurer this book is not only Kevin s memoir but also a tribute to friendships that can shape a person s faith and worldview in the worst of situation Dr Ric Curtis and Dr Anthony Marcus from the John Jay College of Criminal Justice in New York City offer an analysis on how underage prostitution has changed over the years and what remains the same Book jacket **My Faraway One** Sarah Greenough, 2011-06-21 Collects the private correspondence between Georgia O Keeffe and Alfred Stieglitz revealing the ups and downs of their marriage their thoughts on their work and their friendships with other artists Boarding Passes to Faraway Places Guy A. Sibilla, 2017-08-16 This entertaining and engaging collection of travelogues offers road warriors and arm chair travelers alike stories from distant isolated locales in a loop encircling the world Sibilla describes his chance meeting with the President of Guatemala who choppered into a jungle LZ next to his mules the surreal morning he awoke in Rangoon on his birthday living in a Tibetan Buddhist Monastery in Uttar Pradesh India sleeping among the moai of Rapa Nui Easter Island and many other stories of relentless adventuring From the Indian subcontinent to the Middle East from Africa to Central America and finally across the vast Pacific Ocean this collection of stories illustrates that as Robert Louis Stevenson suggested the great affair of travel is to move With an acute eye for detail and an irrepressible sense of wonderment the narratives here reflect the thrill that comes from arriving at a destination without a plan from wandering at the suggestion of strangers and the feeling of exuberance you experience when you let go and allow the path to choose you
