**Ben Elton Collection** Ben Elton, 2009-11-01 Gridlock Too many cars and not enough space equals gridlock Gridlock is when a city dies Killed in the name of freedom Killed in the name of oil and steel Choked on carbon monoxide and strangled with a pair of fluffy dice How did it come to this How did the ultimate freedom machine end up paralysing us all How did we end up driving to our own funeral in somebody else's gravy train Deborah and Geoffrey know but they have transport problems of their own and anyway whoever it was that murdered the city can just as easily murder them Chart Throb Chart Throb The ultimate pop quest Ninety five thousand hopefuls Three judges Just one winner And that's Calvin Simms the genius behind the show Calvin always wins because Calvin writes the rules But this year as he sits smugly in judgement upon the mingers clingers and blingers whom he has pre-selected in his carefully scripted search for a star he has no idea that the rules are changing The real is about to be put back into reality television and Calvin and his fellow judges the nation's favourite mum and the other bloke are about to become ex-factors themselves Chart Throb One winner A whole bunch of losers Blind Faith Imagine a world where everyone knows everything about everybody Where sharing is valued above all and privacy is considered a dangerous perversion Trafford wouldn't call himself a rebel but he's daring to be different to stand out from the crowd In his own small ways he wants to push against the system But in this world uniformity is everything And even tiny defiances won't go unnoticed Ben Elton's dark savagely comic

novel imagines a post apocalyptic society where religious intolerance combines with a sex obsessed utterly egocentric culture In this world nakedness is modesty independent thought subversive and ignorance is wisdom A chilling vision of what s to come Or something rather closer to home      **The Crush** Penelope Ward ,2021-02-22 From New York Times bestselling author Penelope Ward comes a new standalone second chance story of forbidden love It s natural to want the one you can t have And for as long as I could remember I d secretly wanted my brother s best friend Jace He was six years older and always treated me like the sister he never had Fast forward a decade We were all in our twenties now Jace had moved in with my brother Nathan and me to help us make ends meet after our parents died It was just the three of us an odd family dynamic Living under our roof Jace was as bossy and protective as ever But he certainly didn t look at me like a sister anymore That was what made things so complicated I was pretty much hot and bothered twenty four seven And he was torn The signs were subtle at first Like on movie night I d casually rest my leg against his and he wouldn t exactly shift away Still I assumed he would never go there Nathan would kill us The knowledge of that wasn t enough to stop the inevitable though Eventually our slow burn exploded But more than the physical attraction we d developed a strong connection We just couldn t get caught right That sounded simple Until it wasn t This is a story of forbidden love broken trust and an unexpected second chance
