provides an original and compelling analysis of the ways in which British women's golden age crime narratives negotiate the conflicting social and cultural forces that influenced depictions of gender in popular culture in the 1920s until the late 1940s. The book explores a wide variety of texts produced both by writers who have been the focus of a relatively large amount of critical attention, such as Agatha Christie, Dorothy L. Sayers, and Margery Allingham, but also those who have received comparatively little, such as Christianna Brand, Ngaio Marsh, Gladys Mitchell, Josephine Tey, and Patricia Wentworth. Through its original readings, this book explores the ambivalent nature of modes of femininity depicted in golden age crime fiction and shows that seemingly conservative resolutions are often attempts to provide a modern yet safe solution to the conflicts raised in the texts. Middlebrow Feminism in Classic British Detective Fiction M. Schaub, 2013-02-21 This is a feminist study of a

recurring character type in classic British detective fiction: the woman who behaves like a Victorian gentleman. Exploring this character type leads to a new evaluation of the politics of classic detective fiction and the middlebrow novel as a whole. **Fashion in Shrouds** Margery Allingham, 1985-10-01 **The Adventures of Margery Allingham** Julia

Jones, 2009 This biography was researched in the very room where Margery Allingham worked and was written with the full co-operation of Margery's sister, her secretary, and her housekeeper. It was first published in 1991. Since then, however, new material has become available, including a revelatory collection of letters and the startling truth about her husband's relationship with the writer Nancy Spain. Was there a corpse underneath the sofa? The book's new title, new introduction, and afterword invite the reader to look again. **The Adventures of Margery Allingham** is a new edition of Margery Allingham's Biography published by William Heinemann Ltd in 1991. **CliffsNotes on Detective Fiction** L. **Ocular Proof and the Spectacled Detective in British Crime Fiction** Lisa Hopkins, 2023-05-31 From Sherlock Holmes onwards fictional detectives use lenses Ocular Proof and the Spectacled Detective in British Crime Fiction argues that these visual aids are metaphors for ways of seeing and that they help us to understand not only individual detectives' methods but also the kinds of cultural work detective fiction may do It is sometimes regarded as a socially conservative form and certainly the enduring popularity of Golden Age writers such as Christie Sayers Allingham and Marsh implies a strong element of nostalgia in the appeal of the genre The emphasis on visual aids however suggests that solving crime is not a simple matter of uncovering truth but a complex sophisticated and inherently subjective process and thus challenges any sense of comforting certainties Moreover the value of eye witness testimony is often troubled in detective fiction by use of the phrase the ocular proof whose origin in Shakespeare's Othello reminds us that

Othello is manipulated by Iago into misinterpreting what he sees The act of seeing thus comes to seem ideological and provisional and Lisa Hopkins argues that the kind of visual aid selected by each detective is an index of his particular propensities and biases

*Shakespearean Allusion in Crime Fiction* Lisa Hopkins, 2016-04-21 This book explores why crime fiction so often alludes to Shakespeare It ranges widely over a variety of authors including classic golden age crime writers such as the four queens of crime Allingham Christie Marsh Sayers Nicholas Blake and Edmund Crispin as well as more recent authors such as Reginald Hill Kate Atkinson and Val McDermid It also looks at the fondness for Shakespearean allusion in a number of television crime series most notably Midsomer Murders Inspector Morse and Lewis and considers the special sub genre of detective stories in which a lost Shakespeare play is found It shows how Shakespeare facilitates discussions about what constitutes justice what authorises the detective to track down the villain who owns the countryside national and social identities and the question of how we measure cultural value
