Surface/Volume Alan E. Rubin, 2023-02-28 This book explains that diffusion osmosis dissolution evaporation and heat loss all preferentially affect small bodies due to their high surface volume ratios Because surface area increases as the square of length but volume and mass increase as the cube large objects have low surface volume ratios and small objects have high surface volume ratios This simple physical constraint governs much of the physical world It accounts for why the Earth has active volcanoes but the Moon does not why the human brain has numerous folds why deciduous trees lose their leaves every Fall and why nanoparticles of gold melt at surprisingly low temperatures It is a phenomenon well known to every scientist but this book is the first comprehensive treatment of this effect **New York Magazine** ,1983-08-01 New York magazine

John Williams Tim Greiving,2025-08-01 The first biography of a great American composer of the cinema age John Williams is one of the most important film composers of all time having almost singlehandedly revived the Hollywood symphonic scoring tradition and helped restore the livelihood of American orchestras through the popularity of film music programming His film music in the words of director Oliver Stone came to stand for the American culture In John Williams A Composer s Life the

first biography of the composer author Tim Greiving offers an engaging account of a man whose body of work is well known but whose personal life has consistently remained very private Williams wrote the memorable scores and hummable themes for a staggering number of popular touchstones across multiple generations among them Star Wars Indiana Jones Jaws E T Jurassic Park Schindler s List and the Harry Potter series and earned more Oscar nominations than any individual artist in the history of the motion picture Academy He also composed dozens of concerti fanfares and other concert works and was a national presence as music director of the Boston Pops for more than a decade He inspired countless children to pursue a career in the orchestra and won the respect of the classical community worldwide Seeking to understand what drove Williams s musical productivity and its effects on the lives of those close to him Greiving delves deeply into the composer s decades long career uncovering countless new stories and revelations Throughout he analyzes and describes Williams film scores recalling them primarily in narrative and emotional terms rather than purely musicological ones and in doing so emphasizes one of Williams s principle strengths his musical storytelling With unprecedented interview access to Williams and those close to him Greiving presents the definitive portrait of a beloved but famously private doyen of twentieth century pop culture Featuring 175 exclusive interviews including with Steven Spielberg Oliver Stone George Miller Mia Farrow Hans Zimmer Yo Yo Ma session musicians family members and friends John Williams A Composer s Life is the first and last word on the great court composer of the cinema age the musical conductor of our collective memory New York Magazine ,1983-07-18 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *New York Magazine* ,1983-06-27 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Video Movie Guide, 1988** Mick Martin,Marsha Porter,1987
