CliffsNotes on Kafka's The Metamorphosis & Other Stories Herberth Czermak,2001-10-05 This CliffsNotes guide includes everything you ve come to expect from the trusted experts at CliffsNotes including analysis of the most widely read literary works **The Metamorphosis and Other Stories** Franz Kafka,2015-12-01 A man awakens to find himself transformed

into a giant vermin a performer starves himself to death as a circus attraction a fiendish engine of capital punishment engraves the letter of the law into the body of the condemned Such are the nightmare scenarios that emerge in the short stories of Franz Kafka one of the twentieth century s most formative mystifying literary figures Though immediate in their impact Kafka s stories invite endless angles of interpretation from Freudian psychology and existentialist philosophy to animal studies This volume presents The Metamorphosis together with several other of Kafka s best and best known stories in a nuanced clear and powerful translation by Ian Johnston The appendices provide philosophical literary and cultural context as well as valuable selections from Kafka s own letters and drawings *A Friend of Kafka and Other Stories* ,1979

The Short Story Valerie Shaw,2014-07-21 Throughout this text Valerie Shaw addresses two key questions What are the special satisfactions afforded by reading short stories and How are these satisfactions derived from each story s literary techniques and narrative strategies She then attempts to answer these questions by drawing on stories from different periods and countries by authors who were also great novelists like Henry James Flaubert Kafka and D H Lawrence by authors who specifically dedicated themselves to the art of the short story like Kipling Chekhov and Katherine Mansfield by contemporary practitioners like Angela Carter and Jorge Luis Borges and by unfairly neglected writers like Sarah Orne Jewett and Joel Chandler Harris **The Unfinished Novel and Other Stories** Valerie Martin,2007-12-18 From the Orange Prize winning author of Property comes a vital and heartbreaking collection of short stories that turns an unflinching eye upon artists driven and blocked desired and detested infamous and sublime as they struggle beneath the tyranny of Art to reconcile their audience with their muse A triumph The New Yorker A painter who owes his small success to a man he despises discovers that his passivity has cost him the love that might have set him free A writer of modest talents encounters the old love who once betrayed him now she repels him yet the unfinished novel she leaves in his hands may surpass anything he could ever produce himself An American poet in Rome finds herself forced to choose between her lover and a world so alien it takes her voice away A print maker who has reached a certain age enters so deeply into the magical world of her imagination that she can never find her way back In captivating luminous prose Martin explores the trials and rewards of human relationships and creative endeavor with all the ease and insight of a writer at the top of her form Witness Through the Imagination S. Lillian Kremer,Lilian Kremer,2018-02-05 Witness through the Imagination presents a critical reading of themes and stylistic strategies of major American Holocaust fiction to determine its capacity to render the prelude

progress and aftermath of the Holocaust Criticism of Holocaust literature is an emerging field of inquiry and as might be expected the most innovative work has been concentrated on the vanguard of European and Israeli Holocaust literature Now that American fiction has amassed an impressive and provocative Holocaust canon the time is propitious for its evaluation Witness Through the Imagination presents a critical reading of themes and stylistic strategies of major American Holocaust fiction to determine its capacity to render the prelude progress and aftermath of the Holocaust The unifying critical approach is the textual explication of themes and literary method occasional comparative references to international Holocaust literature and a discussion of extra literary Holocaust sources that have influenced the creative writers treatment of the Holocaust universe

The Dao of Being Jewish and Other Stories Irene Shaland, 2023-01-16 This book is a collection of Jewish survival stories and fascinating tales This is not a conventional travel guide this book will shine a light on the history of 10 Jewish communities in Europe Asia and Africa Together with the author you will visit incredible places and meet the Jews of today GTA Books Two and a half millennia ago a small party of Jews explored new trading routes for King Solomon settled in the south of India and lived there peacefully until today Similarly during the ancient Roman period many Jewish merchants traveled to China over the Silk Route and some made it their permanent home Also before the Edict of Expulsion in 1492 Sicily was home to over 50 Jewish communities possibly numbering 50 000 people So how did the Diaspora bring these wandering Jews to so many places around the globe And why did Jews live happily in India and China for centuries and not experience antisemitism while the story of the Jews in Europe went from persecution and massacres to unspeakable horrors of the Holocaust Finally why do we see the rise of antisemitism and violence again in the 21st century You will find answers to these questions and much more in the current edition of Irene Shaland's artfully illustrated book *The Dao of Being Jewish and Other Stories* She collected these fascinating stories while visiting ten countries in Europe Asia and Africa and interviewing the locals in their homes synagogues and even cemeteries Now Irene Shaland's book replete with her husband's photos takes you on your own exciting journey of discovery from Austria and the Czech Republic to Scandinavia from India and China to Sicily and Sardinia and from East Africa to Stalinist Russia

Jewish American Writing and World Literature Saul Noam Zaritt, 2020-10-13 Jewish American Writing and World Literature Maybe to Millions Maybe to Nobody studies Jewish American writers relationships with the idea of world literature Writers such as Sholem Asch Jacob Glatstein Isaac Bashevis Singer Anna Margolin Saul Bellow and Grace Paley all responded to a demand to write beyond local Jewish and American audiences and toward the world as a global market and as a transnational ideal Beyond fame and global circulation world literature holds up the promise of legibility in which a threatened origin becomes the site for redemptive literary creativity But this promise inevitably remains unfulfilled as writers struggle to balance potential universal achievements with untranslatable realities rendering impossible any complete arrival in the US and in the world The work examined in this study was deeply informed by an intimate connection to Yiddish a Jewish vernacular with its own global

network and institutional ambitions Jewish American Writing and World Literature tracks the attempts and failures through translation to find a home for Jewish vernacularity in the institution of world literature The exploration of the translational uncertainty of Jewish American writing joins postcolonial critiques of US and world literature and challenges Eurocentric and Anglo American paradigms of literary study In bringing into conversation the fields of Yiddish studies American Studies and world literature theory Jewish American Writing and World Literature Maybe to Millions Maybe to Nobody proposes a new approach to the study of modern Jewish literatures and their implication within global empires of culture *Amen* Patrick J.
